Chapter 1: Treasury from the other world (1)

「Fuckin' boring」

On his way back from school, Kashiwagi Yuuto kicked a pebble he saw on his way while muttering.

The sound of pebble leaping, then it proceeds to jump on the shadow of the telephone pole.

「Shit. Is there anything interesting?」

Gusha Gusha, while disarranging his head, Yuuto's irritated voice escaped in the empty road.

He knows the cause. It's a simple story.

He's a third year student.

That was enough of a reason for him to be irritated.

「…I want to die」

Words he didn't mean leaked out of his mouth. Of course, he didn't want to die.

He doesn't have goals either. He doesn't have a dream. He's not person that desperately wants to show his cool shape either.

Study is so-so. Sports, he has nice reflexes but since his body can't move well, he's not a person who's doing club activities.

He thought that the results would be good but since his third year his fails his tests and goes down in ranks.

「…I'd prefer to live in a different world instead」

He thought about it seriously for a moment.

He doesn't want to be a hero that defeats the demon king. Being a savior of the world is just absurd.

In a fantasy world somewhere, that's right. For example, managing a store with a cute heroine. Obtaining such a modest happiness. I want to become a protagonist of such a story.

Military, Aid, Adventure. Even in the world of delusion, I felt pain for on my own.

「I'm done」

Whispering, Yuuto was tired of himself.

Finding anywhere being a trouble, Yuuto laughed at himself.

「After all, I want to do nothing. I'm that kind of guy…」

Just one girl. An existence near him that makes him smile. If there's such a thing, could his boredom disappear a bit? While thinking of such impossible things, Yuuto put force in his right hand.

He stared at his fair palm.

Adults does nothing. Hang in there, they said, but Yuuto doesn't have an idea how to hang in there.

Thinking about it, he never experienced hitting somebody seriously.

「Dammit!!」

For some reason, he wants to run so bad, Yuuto put force in his legs.

It's been a while since he run. He was happy seeing his field of vision flow.

「…Eh?」

I his vision, a big station wagon1 instantly moved.

On that period of time, some complicated light was turned on.

After a short while seeing that revolving lantern, Kashiwagi Yuuto died.

◆ ◆ ◆

Wide, standing in a wide space.

A white inorganic space where the end can't be seen absolutely.

Yuuto stood up on the place while feeling dizzy on the whiteness of the place.

「…Ha?」

He can't understand and catch up with it.

It's too white that it's ambiguous if it's the boundary of the ground, at least he can feel the sole of his feet.

No, there's one more. Just one more, it was the proof that it's a restricted space.

『Kuku. What a foolish way to die. You're too young that my feelings were distorted』

Desk. In an elegant desk like in the principal's office, a girl was sitting cross legged.

A white long hair. I arrived at the desk.

「W-where? I, dead… You…

『Yes. You passed so It's pleasant. What what, what was your last wish? …You want to live in a different world? What, you're quite an unusual guy』

Not paying attention to Yuuto, the girl was grumbling something while reading a book. The book in Yuuto's vision is just pure red.

『The only regret after death is…pfft. Kuku, well, you're a boy after all. It's obvious that it is such』

Perari2 with the sound of paper being flipped, the girl burst into laughter foolishly. As Yuuto have already guessed what she was laughing about, his face was dyed in anger and embarrassment.

『Kuku, a first guy, a first guy. You should rejoice. I like cute men. Let's see, I'll give you one freebie』

That moment, the girl's hand turned towards Yuuto, the girl in the desk now is in front of him.

To the surprised Yuuto, the white girl grinned wide.

On the girl's hand, she grasped a cylinder that's filled with a lot of sticks.

『It might be inconvenient to get used to this world. For once, I will give you my power. Pull whatever you like』

The girl who laughs while pleasantly grinning, Yuuto's body moved without his permission.

Before he noticed, Yuuto picked up a stick and raised it.

『Oh? treasure tool creation3. This is rare』

The girl opened her eyes in surprise. Then, the girl laughed as she keeps saying 'you should rejoice'4

『Even if it's a weapon or an armor, as long as you wish for it you will have it. Well, do your best』

Then, the girl pushed Yuuto's body in a hole.

「……Eh?」

Then just like that, Kashiwagi Yuuto fell off from the white world.

◆ ◆ ◆

「Guooooooooooooooooooo!!」

The warcry echoed, then the vicinity was surrounded by a scorching flame.

「Ah, Awa. U, uaa…」

He looked up his body. A wing that spread in sight. Robust scales, and a fang that shines like a crystal. A magic breath that came from the mouth unconditionally burned whoever it touched.

Inferno Dragon.

In the old days, dragon is a legendary species that Heroes subjugate.

「W-why is it in this place. A-as expected, this is an impossible quest for me」

Before her is a legendary existence, the lone girl was frightened.

Her waist fell out, not even a cinder was left on the prided sword nor the shield.

Next would be her own body disappearing, the girl gave up and closed her eyes.

(Even not as a hero but a wonderful soldier. …I want to become one)

Tightly, the girl offered a prayer on her dead father and mother.

(Father, mother. …Right now, I will come over there)

Tears flow down the cheeks of the girl.

「Tte, Uooooooooooo! What the pun5 is this!!!?」

However, the girl's rising resolve suddenly vanished because of a cry.

「…Hey, W-who!?」

Then the girl opened her eyes, she saw a back of a young man with a strange dress.

「C-could it be a villager!? N-No. Why!!?」

The girls face gradually paled. Did it come to save her? That's absurd. Although he's a novice, a professional like herself wasn't able to do anything. It's not an opponent where a normal human can handle.

(I-I have to help!!)

At least she can help the young man in front of her. With such thoughts, the girl's body moved. However, when her body finally started to move, she's having a hard time standing up because her waist is heavy.

(……!!!?)

The girl saw. The inferno dragon, opened it's mouth in order to blow the young man along with her.

She won't make it——. That's right, the moment the girl opened her eyes wide.

「E-err. A-arms. Certainly, the weapon is…!!」

A voice of panic can be heard from the boy.

「Like this!!」

Then, the girl saw. A shining sword appeared in the young man's hand, when he swung it down a torrent of light was emitted and it swallowed the legendary existence.

... ...

A sword of light.

Physical attack power: A. Magical attack power: A+. Overall Rarity: A.

Supplementary: It’s the first sword Yuuto created. The power of divine protection from the light spirits, it’s able to discharge light beam on the enemy. Since it was created in the moment, the weapon’s image is from the game character Yuuto played recently.

Chapter 2: Treasury from the other world (2)

「Uooooo! Amazing! Just one hit! One Punch1!!」

Yuuto was thrilled when he saw the place where the dragon was erased by the light.

The dragon that seems to be so strong disappeared without a trace with only a single punch2

「T-This is a different world! This is my power! A-Amazing. I-I'm glad I died」

Jiiiin A hot fire burns in Yuuto's eye.

For the first time, Yuuto never felt any regrets from his former world.

Boring boring boring. It was really boring so it can't be helped.

Then, what about this world? A power dwells in his hand.

He's uneasy. His head hadn't caught up yet.

However, Yuuto's body is uplifted and dominated with joy.

「Kuku, Hahaha. My first enemy wasn't even able to respond. Giving me a small fry for a tutorial, God is unexpectedly overprotective!」

It's too interesting that he can't stop laughing, Yuuto smiled from the bottom of his heart. When was it since he laughed this much.

「…Y-you. W-who are you…?」

A voice sounded from the back of the carried away Yuuto. Therefore, Yuuto looked at his back for the first time.

「……Eh?」

Their eyes met.

A crimson pupil that seems to be burning. Then at the same time, fiery red ponytail.

Yuuto's line of sight was sucked by the color of the white skin.

Time around Yuuto stops and only throbbing can be heard by his brain. Yuuto kept staring at the girl in front of him unknowing of the reason.

「Oooi! Swordsman-sama liiiiiiiveeed!!」

「The dragon, the dragon disappeared!! You did it!」

Yuuto tried to mutter something, but before that. Voices wrapped the surroundings.

◆ ◆ ◆

「Swordsman-sama. As expected from you. I believed in you」

「The village will be at peace with this. How can we thank you」

「By the way swordsman-sama, who's this guy here?」

At the foot of the mountain where the inferno dragon vanished, Asuka was surrounded by the villagers.

Given thanks, the villagers cry while praising her, Asuka shook her head in panic.

「W-wait a moment. Y-you're wrong」

Glance, Asuka looked at her back.

One young man. The man with a strange clothes keep staring at her since earlier.

It's him. It was him who destroyed the dragon.

「We—, wai—. Listen to me!」

However, Asuka's voice didn't reach the ears of the villagers who were rejoicing. Words after another, Asuka's voice was kept away from the villagers.

She can't speak. It wasn't me, but him.

Thinking that, Asuka breathed deeply.

Listen to me!! The moment when Asuka was about to raise her voice—.

「Iyaa, as expected from the swordsman-sama! It was a stunning blow」

That young man raised his voice.

「Eh!!?」

The young man smiled and laughed, Asuka turned around startled.

「Ooo. Are you a disciple of swordsman-sama!?」

「I wasn't in the village at the beginning」

「Well, your master is the best. Please, by all means please participate on the feast tonight as thanks」

Being called with such a voice, the young man continued to stare at Askua while grinning.

◆ ◆ ◆

「…What is your intention?」

The night feast was over. In the room prepared by the villagers, Yuuto was alone with Asuka.

Glance, Asuka cautious gaze pierced Yuuto.

「On the feast, all of the credit was given to me. That's right, rather than that, an inferno dragon, in a single blow. …You, just what are you?」

Yuuto gazed fleetingly on the Asuka who's making a distance.

Her height, is around the later half of 150. A red ponytail that extends to her waist, I shook as if she's a display of my imagination.

Beautiful looks. Yuuto thought to call this child a bishoujo3 A fantasy look that can't be seen in Japan.

Her body looks delicate, though it's hidden in an armor, she's swelling with femininity enough. To the white skin of Askua's legs appearing for an instant, Yuuto spoke from his chest in surprise.

「…I see, that dragon. It's strong to some degree」

To Yuuto's murmur to himself, Asuka jumped in surprise. Asuka's eyes is filled with shock that she wants to say 'It's a joke right?'

「No, You see. I don't like to stand out. You have to exert effort if you stand out right?」

Yuuto gazes at Asuka slowly. While hiding the beating that gets faster, Yuuto smoothened out the cold expression.

「Y-You. Just what are you? …J-just because you don't want to stand out, you pretended that I'm the one who defeated it?」

Asuka questioned Yuuto with doubt in her eyes. Yuuto laughed and confirmed it.

「That's right. You're the one who knocked down the dragon」

Asuka was drawn in Yuuto's expression.

Asuka is perplexed inside, along with fear, then she feels a little excitement.

「A-are you really sure? S-saying that I'm the one who beat it?」

Asuka glanced on the top of the table in the room.

On top of it are the reward given by the villagers for the subjugation. An amount of money where you won't have no problem to live for a year.

She wasn't going to accept it. Asuka intended to pass it to Yuuto.

She just looked at it unintentionally.

The moment Yuuto laughed, suddenly, Asuka was attracted by the sight of gold coins momentarily.

「Fuun. Though I defeated it, I don't intend to gain rewards」

Are you really sure? Asuka's body jumped.

「Y-You're wrong!? That's not what!!」

Asuka looked at Yuuto in panic.

While holding down her heart that's about to explode, Yuuto kept talking to Asuka in an indifferent voice.

「Do you want to monopolize the rewards and exploits? You're cute, yet you're quite a selfish person」

「You're wrong! That's not my intention! I-I intend to give it to you since the beginning!!」

In Asuka's cry, Yuuto stood up. He was steadily walking on the table on the side of Asuka.

「That's not what you mean right? Handing it over or not handing it over. …I did seat on the feast but did you hear me wanting a reward」

「——!!?」

Yuuto's eyes blocked Asuka's voice.

Doku Doku Asuka felt her heart beating faster.

「You deceived the villagers, and that doesn't change the fact that you got gold for that」

「Tha!?…T-that's not…」

Asuka's face is distorted in despair.

While seeing that expression, Yuuto laughed in his mind.

He noticed it from the beginning. Asuka had refused the reward in the feast. She kept declining while glancing at Yuuto.

All the gold coins were from the villager's goodwill. And a certain push is her reason.

「I-I. Realy don't have such intention…」

With tears filling Asuka's eye, Yuuto felt a strange feeling running through his back.

I'm really glad I died!!

On this day, Kashiwagi Yuuto decided.

「Fufu, I'm just joking. Let's divide the reward in half. Let's not waste the goodwill of the villagers.」

To Yuuto's voice, Asuka was wrapped in relief.

「In exchange, you don't mind doing me a favor right?」

「……Eh?」

Her eyes was stained with unease again, Yuuto walked briskly.

Asuka’s body trembled to Yuuto that’s in front of her.

「…Wai—!?」

However, Yuuto took the next action and made Asuka get startled most on this day.

Kneeled. A simple, clear sign of loyalty.

Yuuto took the hand of the perplexed Asuka gently.

「My name is Kashiwagi Yuuto . I’m your treasury from now on. I’ll be your sword, your shield, your spear, I take vow right here.」

That’s what Kashiwagi Yuuto determined for the first time in his life, he made an oath.

This day, It is the one encounter where a miracle was obtained to change the world that no one knows at this time.

Chapter 3: Treasury from the other world (3)

「Uwaa. A relaxing nice scenery」

When she opened the window, Asuka watched the landscape spread beyond with a smiling face.

Glancing beneath, a maid can be seen watering the flower bed diligently. A hardworking person who does all the house work by herself.

「Iyaa, As expected of Asuka-sama. Having a three floor stand-alone house with a garden. Even accompanied with a maid. Just by living in this house, I can't express my gratitude in words」

An eloquent voice destroys the refreshing feeling of Asuka.

「W-what do you want to say?」

Asuka faced that direction with her cheeks twitching.

「No, no, I want to say something?! I'm merely a man of low birth that you can just set aside!」

While putting his foot on the table, Yuuto reads the newspaper without looking at Asuka.

Three months. Everyday was full of ups and downs after the day Yuuto met Asuka.

Frost dragon in the northern land. A true ancestor vampire in the country. A legendary old soldier rebelling against the kingdom.

Asuka made them vanish in one punch1

「A sacred sword that cuts anything. A deep crimson armor that repels anything. An armor that's as light as a feather. Well, the only one who can manage that in the world is only Asuka-sama」

To Yuuto's smile, Asuka unpleasantly let out a smile.

「Y-You. Still such a thing. …I-If you want to say something then say it!」

Asuka turned to Yuuto. Along with her trembling feet, she stood in front of Yuuto.

「Therefore, I'm not dissatisfied in Asuka. If I want to say something,

Then it's thank you , it's wonderful」

Asuka sent a frown on the smiling Yuuto that reads the newspaper.

Asuka already knows it. Though she feels guilt in some respects, Yuuto lend out his treasury and her military exploits piled up.

Reaching a point of being no return, Asuka sweats cold every day.

「Oh? This weeks hero ranking is here. Asuka, ninth place」

「N-ninth place!?」

To Yuuto's report from the newspaper article, Asuka's consciousness is almost blown off. Collapsing, Asuka's right hand held the wall.

「I-I'm at the ninth place. I-In the hero ranking. Haha, hahaha…」

For some reason, it seems that she feels that everyday is just a bad dream, Asuka's field of view turned limp and distorted. Yuuto peeped on that Asuka.

「Is ninth place so amazing?」

「It's obviously amazing!! Do you know my rank before I met you!? 4807! It's 4807!! Didn't I just rise up nearly 5000 place?」

Yuuto looks adrift to the shouting Asuka. To the uninterested Yuuto, Asuka at her wits end.

「I who came to meet death in the border of the country. I who gave up the title of the hero. But now I'm residing in the imperial capital. F-furthermore. I-I entered the princess guards troops」

Yuuto enjoys his morning black tea time while looking at the Asuka whose trembling all over. This tea was the first tea she drank from this past month.

「But, for Asuka-sama to ignore the imperial guard officer. That Risty woman is irritating isn't she? Should I kill her secretly?」

「W-what are you saying!! S-someone might hear you!!」

Hiii, Asuka looked around the surroundings. 'What are you so afraid of?', Yuuto was amazed this late.

Apparently it seems that Asuka's heart is still not catching up.

「R-risty-sama is the fourth in hero rankings you know, Fourth!! Even if I tried to oppose her, I would be minced meat in a moment!!」

Asuka opens her mouth and she turns to Yuuto. It should be time for her to finally want credit.

「It's okay. There's no guy who can damage Asuka-sama. As for me, I'm hurt. Do you still not trust my armor?」

「I know that! I trust you more than anything in this world! But that's not the probleeem!! I'm different from you who can take it out anytime, if I'm nude I'm just the same as a garbage existenceeee!!」

Yuuto drinks his tea as he understood the Asuka who shakes her ponytail. Yuuto's ability also has a certain capacitance, he can lend out his treasury except for emergencies. Now that she mentioned it, Yuuto justified that it's what make Asuka anxious.

Glance, *Fueee* Asuka looked at Yuuto with watery eyes2

「…Haa. I got it okay. If something happens to Asuka, I would be troubled. I will make self-defense armor」

「R-really?」

Asuka faced Yuuto while sniffling, Yuuto chug down the tea. He hid his face on the newspaper and faked cough.

「…I-I can't do it immediately. It's different from a disposable treasure tool, this guy will step out the current boundaries, I have to be strict on the detail that I will imagine」

「Matsu Matsu3 I don't understand it but I'll look forward to it!… Ah, but. If it's possible do it as soon as possible」

'Yaay!'Asuka closed up to Yuuto and *Piki4 it entered Yuuto's eyebrow. He doesn't know why he's irritated but Yuuto glared at Asuka.

「W-what? D-don't get angry. I'm getting scared」

Asuka flinches and panics to the displeased face of Yuuto. Even though he knows what Asuka is trying to say, Yuuto still pondered for some reason.

「…For the time being, It's okay with just defense right?」

「Yup Yup! It's all okay!! The important part is defense, it's important!!」

Yuuto was hit by an idea, he muttered to himself. In addition, Asuka nodded cheerfully.

「…What about the design? Do you want something?」

「It's fine, anything is okay!! As long as it protects me it's okay!!」

Seeing Yuuto do a good tactful act, Asuka says thanks with tears welling up. Seeing that he's a simple guy, Yuuto gently wiped Asuka's appearance with his sleeve.

「Yuuto. I, may have misunderstood you. You're really a nice guy」

「What's with you. I'm always a nice guy, I'm Asuka-sama's ally」

Asuka smiled once again and thanked Yuuto.

Yuuto's evil smile can't be seen by Asuka as it was hidden in the shadow of the newspaper.

◆ ◆ ◆

「What's this?」

「A ring. An anti-physics defense and also has an effect of anti-magic defense」

That night, Yuuto handed over two rings on Asuka's palm.

「…I'm greatly thankful but, uhm. This is too small」

Jii Asuka looked at the ring curiously.

It’s too small to fit to the finger, Asuka looked up at Yuuto while having a bad feeling.

「Asuka-sama. I worked my hardest to make it」

In ther, is Yuuto who has his face smiling at Asuka.

His index finger poked her chest since earlier.

「…Really?」

「By the way, it won’t have any effect if you put it in a different location. 」

‘Then this is all for me’ Yuuto turned back from Asuka. A gentle man shouldn’t stay any longer in a lady’s room.

「U-uhm. …Yuuto-san?」

「Oh, right. Tell me if the effect comes out bit by bit, since it has some added features. Well, I really worked so hard to make that treasure tool」

‘Well then’, *Patan* he closed the door gently.

「…Uu. This, I wonder if it’s good on the left or the right」

Thus, another treasure tool was born.

... ...

Sacred Utensil: Orth Linde Jicurn 5

Physical defense《Orth Linde》: S Magic Defense 《Jicurn》: S Rarity: S+

It’s a supplementary defense treasure tool that Yuuto made for Asuka. They have a shape of small rings and shows effect when attached to both nipples. It’s defensive capabilities is excellent that it can nullify all physical and magical attacks. Especially the magic ability of Jicurn is amazing, not just magic attacks but also illusion and abnormal status, it’s even able to reject it’s own barrier.

In addition to the activation of it’s ability, it would shrink little by little telling the owner the level of attack. Whether the left or right shrinks you would be able to determine if the attack is physical or magical.

Chapter 4: Treasury from the other world (4)

「Mam, is this okay?」

In the house, a warm and fuzzy voice resounded. Asuka laughed as she turned back to the origin of the voice.

「Thank you Sasha Sorry to make you do this all the time」

The girl is called Sasha. Asuka received a quill pen on her right hand.

A mountain of documents that hadn't been submitted to the organization is on the top of the desk.

As the accomplishments of the hero rises, Asuka work increases too. The evidence of defeating a monster, it's been an old mistake that it's submitted to the guild.

「By the way Sasha. This caught my attention, that, your way of calling me『Mam』…」

「Should I not?」

Placing the pen on between her lip and nose, Asuka looked at Sasha. She looked at the face absentmindedly, she seems to misunderstand it.

「I and Yuuto are neither a married couple nor lovers」

「Eh!? I-is that so!? I'm sorry. I was certain」

Asuka threw up a sigh on Sasha's surprised face. However, Sasha's misunderstanding is also reasonable.

A young man and woman are living together in the same house. It can't be helped if they're seen with such eyes.

She was accustomed to the gaze of the villagers, but after being aware of the situation after hiring a servang, Asuka began to explain to Sasha.

「The two of us only are work partners. We don't have relationship as man and woman. And, I just can't get used being called -sama. Between women, Asuka is fine」

「Understood. …However it's surprising. O…Asuka-san and Yuuto-sama looked to be in really good terms」

Asuka's face distorts on Sasha's response. Please give me a break, Asuka dropped the quill pen in her right hand.

「Please stop. That wild man. It's been long since our first meeting but I still don't know what he's thinking. I can't get along with him」1

「Haa」

Sasha nods and tilts her head as she sees Asuka getting irritated. It seems that her own employer doesn't seem to be in good terms with the partner. Although, Sasha understood that they don't really snarl at each other.

「Then, Asuka-san, what do you think of Yuuto-sama?」

「Uun. So-so. If it's about work, I trust him. He's really the best in this world. But, seeing him as a man… What do you think about that blockhead? How does Sasha see him?」

Sasha feel her hair on Asuka's question. Sasha has a beautiful black hair, Asuka stares at it enviously.

「I think he's cool. He's friendly. And, he's a man with a position where being a Hero is just a dream」

「That's it. W-well. There's also that perspective」

Asuka's cheeks dyed red because of Sasha's straight answer. Asuka had never thought about love, for Sasha to not change her complexion seems to be adult-like.

In fact, for Sasha who has no relatives, her words earlier were the truth. A single digit and a 900ths rank. If explained, the difference is too obvious, in the first place Heroes itself are ridiculous existence.

There's not even a person who could surpass the 1000.2 For Sasha, the respect for Asuka and Yuuto is irreplaceable.

「But, Is that so? Asuka-san isn't Yuuto-sama's lover」

「N? That's right. Sasha, if he did something strange to you just tell me. I'll punish him」

To the Asuka who's smiling, Sahsa bowed and thanked her.

◆ ◆ ◆

「Kya」

「Waa~ Sorry!?」

In the corridor. At the corner of it, Yuuto bumped to a soft feeling.

「N-No. I'm the one who should be. I'm sorry Yuuto-sama」

「It's fine. Apart from that, are you hurt?」

Sasha had bumped into him while carrying the sheets, Yuuto looked at the maid apologetically.

She's a rare in this world, a black hair like Japanese3 Yuuto glanced at Sasha, then she smiled.

「Yes. I'm okay」

「I'm glad」

To be frank, Yuuto thinks of giving thanks. The *Poyon* sensation from a while ago would be the softness of Sasha's body.

Thanks to the sheets that her chest wasn't hit, but the womanly scent drifted.

「Don't overwork yourself, you should go to sleep soon Sasha」

While smiling to the working maid, Yuuto went to his room while saying good night. Sasha lowered her head while smiling shyly, Yuuto turned to the corner of the corridor.

Therefore, Yuuto didn't notice.

Sasha was staring at Yuuto's back from the distance.

◆ ◆ ◆

「Fuuu—. Even so, Sasha is cute」

Yuuto stares out of the window while lying down in the bed of his room.

He only pay attention to Asuka but Sasha is also a beautiful girl.

Well, although her features look simple compared to Asuka, her chest are huge.

By no means Asuka's chest is too small, but Sasha's chest topped it. She's called Kyounyuu-chan.

「…Haa. It would be fun to be a lover of that girl」

Gentle, good at housework, and of course a nice cook.

Asuka's looks might be wonderful but Yuuto is somehow pulled by Sasha's purity.

But in the end, it won't be the same. 4

In the first place, Sasha isn't Yuuto's maid but a servant Asuka employed. And even before that, he couldn't think that girl coming to love himself.

He's living next to Asuka. That alone is enough.

「…Asuka」

He muttered the name alone. Still, just thinking about her makes his chest jump.

That encounter must be fate, Yuuto closed his eyes slowly.

「As expected, Yuuto-sama really likes Asuka-san?」

「Buuuuu!?」

The words come out the moment his field of vision became dark, Yuuto's mouth bursted out. When he looked away in panic, he saw Sasha looking at him puzzled.

「S-sasha!? W-why!?」

「Shh. Quiet. Asuka-san might notice you know?」

*Pito5, Sasha placed her fingers on Yuuto's lips.

Looking at the window, the moon indicates midnight. ‘What do you need in such a time?’ Yuuto’s eyes asked Sasha.

「Yuuto-sama, I thought that you’re lonely by yourself」

Fufu, while showing a smile, Sasha slowly put her legs on the edge of the bed.

Yuuto averted his gaze from the chest of Sasha that’s shaking.

Seeing that, Sasha unintentionally closed to Yuuto.

「Hey, S-sasha?」

「I’m sorry. This is my first time」

While saying so, Sasha’s gaze turned to Yuuto’s lower half. Sasha blushed as for her first time blunder, Yuuto’s crotch reacts slowly.

「I-I thought of h-helping you in the night」

「Eh?」

Blush Sasha’s face changed it’s color, Yuuto spoke in a foolish voice. Yuuto wasn’t able to understand the situation in front of him, Sasha extends her hand on the skirt of her maid clothes.

「Eh, wait!? Sasha!?」

Shove Sasha became nude.

She’s hid her chest by her arm as she’s indeed embarrassed.

「…Do you think I’m shameless?」

Yuuto stared at the Sasha who spoke in shyly absentmindedly.

Yuuto was at loss, unable to understand the reason, Sasha opened her shivering mouth

「A hero like Yuuto-sama might not understand but. …An orphan like me isn’t able to live this way. If they’re not liked, they’re thrown away. T-there’s a lot of replacement after all」

Sasha looked down, Yuuto can’t find what he want to say.

In other words, Sasha is offering her body so she would be liked.

「I-I fortunately worked at the monastery but. M-my first employer were the two of you, it was god sent. P-Please keep me hired. I’ll do anything」

Her masters were two heroes. If she gets abandoned here, I can easily imagine her future.

Sasha, in order to protect herself presented her own virginity to Yuuto. If she’s liked by Yuuto, she determined that it won’t be terrible if she’s about to be abandoned by Asuka.

However, Yuuto's eyebrows centered because of Sasha's desperation.

「…T-then, Sasha didn't come here to make out with me?」

「Eh?」

Sasha raised her face to Yuuto's voice. Seeing his displeased gaze, blood was drained on Sasha's face.

Did he lose temper because he was approached by someone like her? Sasha's throat dried.

However, Sasha didn't anticipate the words that came out of Yuuto's mouth.

「You see. Did Sasha think that we don't like you so we will fire you out?」

「Eh? N-no. That's…」

Sasha hesitates to speak on Yuuto's grim face. Her reason is 'because it's natural' She hadn't served for a decade. If she made a blunder, it's natural to be fired.

「We're grateful of Sasha you know? You're good at cleaning, and your meals are delicious. …Or rather, even if you can't do that you won't be thrown away. Isn't that obvious?」

「Eeh? Eeh?」

Yuuto is angry for some unknown reason, Sasha's perplexed voice became small. In addition, Yuuto vomited a sigh.

To think that she considered him as a brute, Yuuto's heart saddened.

「Didn't I say it from the start? 'Best regards' I, even if you don't do this, from the beginning I look forward to Sasha's hard work you know?」

「——!?」

For the first time, Sasha knew why Yuuto was angry. However, it's a category that's too big for Sasha to understand, Sasha instinctively opened her mouth.

「Err, that's. I-I'm sorr…」

Tears flowed from Sasha's eyes. If the man in front of her hates her, Sasha would be bound with helpless remorse.

To protect her own low self, she sullied his good faith. Thinking that she won't be forgiven, Sasha covered her face with her palm.

「Fugu. s-showwy」

「Waa!? Sorry! I-it's okay already!」

Yuuto was in panic. It was his first time making a girl cry. Flustered, he kept telling Sasha that it's okay already.

「N-No. I-It’s my fault. Yuuto-sama’s …A-a person like me shouldn’t approach people like you」

「Ah, geez! Why are you like that!?」

Sasha wets the sheets, Yuuto scratched his head. It seems Sasha’s common sense is too different, Yuuto racked his brains. If this continued, Sasha would get out by herself.

「Y-yup. T-then, since it’s special. I-I’ll request of you」

「Fuee?」

This is the only way to help Sasha. Thinking so, Yuuto suppresses his heart that’s about to explode.

Otherwise, there won’t be a second chance.

Chapter 5: Treasury from the other world (5)

「H-How’s it?」

Yuuto stared eagerly at Sasha’s skin bathed in moonlight.

White, beautiful skin. Yuuto’s eyes concentrate on the two bulges that seems to be soft.

「…Uu」

Sasha who shyly expose her chest was blushing to her ears and raised a voice.

She steeled herself when she came on the room. That resolution faded when Yuuto got angry a while ago.

With her cheeks redder than ever before, and her heart pounding so big, Sasha displayed her chest.

「I-It’s big」

「——!?」

An honest impression leaked out Yuuto’s mouth.

Sasha’s breast was bigger than he imagined. Sasha’s chest that has been liberated from her maid clothes is being pulled down by the gravity and the tip is pushing out.

Well, that was misleading. Seeing the volume of Sasha, the tip can’t be seen, it’s hiding from her skin.

(I-Is it a cave in.? That’s the first time I see one. Well, seeing tits is first for me too)

Unconciously, Yuuto stares at the tip of Sasha’s chest. When she noticed the gaze, Sasha spoke in panic.

「I-I’m deeply sorry. I-It will come out properly」

「Eh? S-sorry! T-that wasn’t my intention!」

Yuuto’s apology didn’t reach her ear, Sasha lifted her chest. Glancing at Yuuto’s staring face, she still began to massage her chest shyly.

「Nn, Ah. I-I’m sorry. I-I’ll make them stand right now」1

「Ah, Y-yeah. Go for it」

To Sasha’s desperation, Yuuto unconsciously answered oddly.

Did I just make a girl do an outrageous thing? that question floated in Yuuto’s head.

「Nuu, aaah. Yuuto, sama. It’s soon」

「D-Don’t over do it okay?」

Although his heart is pounding, Yuuto's head was filled with 'what should I do?' However, he can't cut it off and stop for he doesn't know what would Sasha do if he does.

Yuuto continued to watch the silliness of Sasha while his groin is starting to swell.

「I-It stood up. Yuuto-sama. Ah, I-I'm sorry about that. As you can see, I-it stood up」

「I-I got it. Don't apologize Sasha」

It seems that Sasha is afraid that Yuuto might hate her. Though Sasha's nipples stood excited, she's on the verge of crying and Yuuto doesn't know what to do.

The current situation is heavy for a virgin high school student.

「I-I'm sorry. Is my body no good after all?」

Gradually, tears well up Sasha's eyes. While denying it in panic, Yuuto pointed at his crotch and made Sasha calm down somehow.2

「T-that's not true! L-look! This happened because of Sasha's body」

Looking at the tent on his lower half, Sasha's face reddened. However, Yuuto is also embarrassed.

He have to let it go for today. While Yuuto is having such thoughts, Sasha closed up to Yuuto.

「S-sasha?」

Sasha's expression seems to be determined, Yuuto gulped down his saliva.

◆ ◆ ◆

「S-sasha!?」

「Yuuto-sama…」

Yuuto's panicky voice echoes inside the room. However, the sticky sound continued to reverb.

「Uu, S-Sasha」

「Nmu. S-sorry. I'm not used to it」

Sasha's lips is kissing Yuuto's lower body.[Feeling it for the first time, Yuuto's body bent over.

「S-sorry. It's okay」

「It's fine. P-please let me do it」

Chupuri Sasha invites Yuuto's dick inside her mouth.

It had a warm and sticky stimulation, Yuuto said instinctively.

「N, Aah. Sasha, it feels good…」

「*pua*. Really? I'm glad」

Chiro Chiro Sasha's tongue clings to Yuuto. Yuuto desperately hides his voice, Sasha easily understood Yuuto's reaction because the penis is throbbing.

(U, Uwa. Uwaa. Y-Yuuto-sama's. Fills up my mouth)

She gulps down Yuuto's thing like it's something she loves. There's no more resistance.

In their exchange earlier, Sasha has feelings for Yuuto.

She wants to serve this gentleman.

She may be sorry for her employer, Asuka, but Yuuto weighs Sasha's mind that her mind is getting hot.

Even the organization that gives God's teachings, she herself taught that an exchange is effective. That is of course, even though the sisters want you to come to a good life they teach you reality, for someone who want to live a good life, Yuuto's words are equal to word of the God.

「Nn , *Jupu* *Hapu* Nmu」

While defending God's teaching, she had been practicing it by herself. That's unexpectedly connecting to her body, Sasha's getting turned on.,

(Yuuto-sama, Yuuto-sama)

Yuuto is glad as he has not much experience with women. In this case, Yuuto might be able to satisfy an innocent maiden.

「S-Sasha, y-you can't. I'm already」

Bikubiku Yuuto's penis pulsated. Sasha made a lovely upward glance to Yuuto.

Jupon She separated her mouth and smiled at Yuuto.

「Please do. Please let it out. Sasha is Yuuto-sama's thing after all」

Aaahn, Sasha opened her mouth. He located her tongue and Yuuto's body trembled.

That moment, Yuuto's thing was deep inside Sasha's mouth.

Her hot tongue licks his penis.

「Uu. S-sorry. Sasha!」

「Nmuuuu!?」

Dopyu Dopyu Yuuto released deep inside Sasha's mouth. Sasha opened her eyes wide in surprise but she desperately accepted the sperm Yuuto shoot out

「Ah, crap. It feels good. S-sorry, Sasha」

Doku Doku Even he himself is surprised with the amount he released in Sasha's mouth. Thinking that it's unforgivable, Yuuto apologized to Sasha while feeling refreshed.

She licked the remainder, Sasha's tongue strokes the penis. Sasha who closed her eyes till the end, swallowed Yuuto's semen.

「N, Nku. Keho3 I-I'm okay」

Sasha coughed as she's not used to drinking semen, Yuuto stared at her anxiously. Her expression is like a puppy, Sasha's interior purred *Kyun*

「Did it feel good?」

「Y-yeah」

Yuuto downcast his eyes shyly, Sasha slipped out a laugh.

For her to make the gentle Hero feel good, Sasha was filled with satisfaction.

Then, it breaks out flowingly. The woman's identity, Sasha's finger is tied to it.

She didn't think that it won't match. She just wants to be on his side.

But still. Just for a bit.

'I don't want to lose'4, she thought

「Please call me anytime」

Sasha said with a smile, Yuuto scratch his cheek as he don't know what to do.

Chapter 6: World's Hero and the Mysterious Treasure tool (1)

「Deeeeeeeeeeeeeii!!」

In the village fields, Asuka's shout echoed.

She can't belive the spectacle, Sasha and Yuuto went shopping together.

「……Asuka-sama, what are you doing?」

Gaze. In his line of sight is the appearance of Asuka who's wiping her sweat from the labor pleasantly.

In her right hand is a scarlet sword.

「Ah, Yuuto and Sasha. Welcome back」

Asuka waved with a smile, Yuuto spat out a deep sigh.

Around Asuka are five farmers. They seem to be lifting the harvested wheat.

If you look over, you can see a vast beautiful wheat field plane.

「Iyaa Thank you Asuka-sama. Who would've thought that a Hero would appear to help us harvest」

「Ahaha! It's fine, it's fine! This kind of field is just one swing for my scarlet sword!」

The villagers bow their head, Asuka sets up her scarlet sword like a peacock. Seeing the villagers look up on her, Yuuto had a headache as he's at his wits' end.

◆ ◆ ◆

「I can't believe it! That scarlet sword was just lent, lent. Who would've thought that she would just use it to harvest rice」

「W-what? Isn't it okay? Since it's too sharp, the juice of the grass doesn't stick」

After returning to the mansion, Yuuto kept preaching Asuka. He didn't tell her to not associate with villagers, but it's a holy sword he took great pains to make for Asuka. The perfection he put into it is different from those instant treasure tool.

Yuuto was a little angry because she used such an important scarlet sword as a substitute to a farming tool.

「Isn't it fine already! It's my scarlet sword after all」

「That's true but」

When Asuka began to think sorry, Yuuto spoke in an apologetic voice. However, thinking that it can't be helped anymore, Yuuto breathed deep.

In addition, Yuuto doesn't hate that Asuka either. But, 'I want you so stop using the scarlet sword like that'

「Well, fine. Since we bought chicken today, Sasha will cook it」

「Really!? Yaay!!」

Asuka rejoiced in the meat dish, 'really, this person', Yuuto exhaled.

◆ ◆ ◆

「Uun. I should better apologize」

That night, Asuka was loitering in the corridor.

Though she was obstinate during the daytime, the scarlet sword is originally a product of Yuuto's ability. She really did misuse it, Asuka hung her head.

「He's really angry」

Yuuto has an incomprehensible expression, his eyes were narrowed, since when Asuka acted rashly and got a serious injury, That time, if it wasn't for Yuuto's treasure tool, Asuka would've been in a big trouble.

「U, Uun. But, should I apologize? To him. H-How do I apologize?」

She should just say it honestly. Asuka's body becomes stiff when it comes to Yuuto. 'What ever you say it would be washed away with a smile', Asuka folded her arms thinking of what to do.

「O-okay. There's no helpig if I just think! Just a simple sorry! I'll go with this」

Apologies doesn't have to be elaborate. Thinking that, Asuka opened the door of the night.

Asuka walked on the stair to go to Yuuto's room that's below hers.

◆ ◆ ◆

「Yuuto-sama, The juice is dripping」

Perori Sasha used her tongue to lick Yuuto's penis. On the stimulus he can't get used to, Yuuto gripped Sasha's shoulders in surprise.

Licking the penis like it's her favorite, Sasha peeped at Yuuto's face.

「Since then, you called me every evening right? I'm glad」

「Uh, Sorry. I think that this isn't good but」

Yuuto scratched his cheek shyly in response to Sasha's words.

To be honest, Asuka's face comes to his mind. However, Sasha's a beautiful girl that he thought wouldn't approach him. That girl said 'You can call me anytime', enduring it is fundamentally impossible for an adolescent high school student.

Rather, Yuuto really worked hard for enduring it for three days.

「Nju. Nmu. hamu. …Naa」

「Uu. S-Sasha. Did you get better somehow?」

While making a *Jupo Jupo* sound, Sasha moves her head up and down. Sasha use her mouth to suck the penis and her nose to breath, she sticks close.

The lovely Sasha uses her mouth to suck lewdly, Yuuto's mind sways away.

「Rero. becaush, I practished. To make Yuuto-sama's…penis feel good」

While speaking obscene words, Sasha shyly sucks the penis. Of course, the one who taught her is Yuuto.

「…Really, are you fine with just the mouth? If it's Yuuto-sama then I」

「I-I'm saying it is! I-It's enough! It's enough!!」

Sasha looks up while licking the penis, Yuuto shake his hands in panic. This current relationship is just Yuuto pampering Sasha too much. Any more than this, not just lovers, they can't make a child.

「Is that so? …Well, you'll fall sooner」

「Eh? Did you say something?」

Sasha's murmur didn't reach Yuuto's ears.

「I didn't say anything. Nnbu」

「Uu. This is amazing」

Sasha's tongue is making a *necho necho *feel, Yuuto felt miserable as he surrendered to pleasure.

◆ ◆ ◆

「Eh? Eh? W-why? Why's Yuuto and Sasha?」

Jupo Jupo wet obscene sounds echoes in the crack of the door, Asuka covers her mouth with her hand and watched the other side of the door.

... ...

Scarlet sword Brynhildr

Physical Attack: S Magical Attack S: Synthesis Rarity: S

Supplement: It's a scarlet sword Yuuto made for Asuka. It can cut anything, it owns plain and simple power. It can cut diamonds to two, it can break barriers like it's cobweb. While the sword has great sharpness, it doesn't posses any special effect on the other hand.

Chapter 7: World's Hero and the Mysterious Treasure tool (2)

kotsu kotsu, footsteps of two people sounds in the pavement.

「Fuaa—. It's big and beautiful as always—」

While staring at the stonework at the depths of the corridor, Asuka don't even know how many times she sighed.

「That's true」

Yuuto accompanies Asuka with one step back.

Trishulia1, the castle in the center of the imperial capital that soars the sky, it's the biggest castle among the continent. It's impressive, even though Yuuto was used to seeing Japanese Buildings but, it's his first time seeing this.

Today, they're on an errand from the imperial squad, Yuuto and Asuka visited Trishulia castle.

「Or perhaps should I say that the imperial squad isn't at the castle all the time」

「That seems like it. There are some aide that's always babysitting the princess but, the squad members are basically called only on times of emergency」

While walking on the corridor in a steady pace, Yuuto said 'hmmm..' and he threw an answer to Asuka's question. Actually, Yuuto and Asuka is called to the city for the appointment ceremony. That Yuuto and Asuka frowned and opened their mouth.

「I mean, they already gave you an explanation about the appointment ceremony but, I did my best and raised you to be my spokesman」

「Ah. I slept that time」

Yuuto answered blankly, Asuka squinted her eyes in shock. 'Even if I say it, it can't be helped, haaa', Asuka sighed.

「Ah, that's right. This is just a talk about me. It may be wrong but, aren't you just wasting your time?」

「Eh? Then, I didn't need to come don't I?」

Asuka clapped her hand as if she remembered, Yuuto gave her a glare that's asking for explanation. Asuka laughed and made a posture telling that she forgot to deceive him.

「…You still don't trust me?」

「I-I can't help it!! I don't have actual combat experience after all!! I'm the one who should be worried!!」

Asuka pushed out her chest assuming a defiant attitude to Yuuto's glare. Over the clothes, Asuka's well shaped breast swayed.

「You can't enter with your armor nor helmet. S-So right now this is all I have!」

Asuka hid her chest with her arm quickly. For some reason she's embarrassed for this day, I see I see, Yuuto began to laugh at Asuka.

「Ah, so you put it on? I'm happy. It was my first time giving an accessory present for a woman」

「If it was your first time then what was that!?」

*Gaan*2, Asuka's ponytail swayed, She's almost crying in shame.

It was the defensive tool that Yuuto specially made. If both rings are installed on Asuka's nipples, it can null physical and magical attacks.

However, the effect hadn't been experienced actually. That's why Asuka is anxious.

「Geez, what a handful of a hero are you」

Saying so, Yuuto extends his hand. That moment, a long narrow sparkling blueish white sword had appeared in Yuuto's right hand in a flick.

「Hii. What are you doing at times like this!?」

「It's to remove the uneasiness of Asuka-sama. This sword has a blade that can bisect up to atomic level, it's equivalent to an A rank treasure tool. Even I don't even know what this can do」

Setting up a smile, Yuuto proceeds to slowly set up the sword.

「Eh? Wai—. W-what!? A-atom? I don't understand it but that's dangerous…」

「Yes. It's extremely dangerous. ——Here we go!?」

Shurari, Yuuto aims the tip of the sword at Asuka's neck.

「Hi, Hiiiiiiiiiiiiiiii!!?」

Asuka raised a scream that didn't become a voice and her body stiffened.

Kiiiiiiiiin…….

The moment the tip of the sword made a contact on Asuka's neck, a beautiful sound reverbed.

A blade that should be able to bisect all things, it stopped on Asuka's neck without even making a line of scratch in her skin.

「…F-fuee. I-I'm not cut…?」

Pakii, in front of Asuka, Yuuto's treasure tool made a noise and crumbled. Asuka dumbfoundedly looked at it's state.

「I did make that as a present for you that day right? Please trust me」

Yuuto looked straight to Asuka's face while her hands are shaking. To Yuuto's expression, Asuka's tension melted.

「Y-Yuuto. As expected, you're a gooooooooooood guy!!?」

The moment Asuka smile teary eyed, Asuka's body jumped. Yuuto's face changed to a smile.

「Nn, Ah. W-what's this…?」

「It's a bonus feature. It seems it's effect is coming out properly」

Yuuto explains with a refreshing smile while Asuka is bending her body.

「That said, this isn't mean. Both are reacting. That means the attack earlier isn't just physical, but also has a magical power in it. As a result, you can know the attribute of the enemy attack」

By the way, it's an exceptional item to understand the strength and weaknesses of their power. That attack earlier was outrageous, Asuka herself experienced it first-hand.

「Uuuu. You're just being mean」

Piku Piku Asuka's trembling, she sent a hateful glare to Yuuto.

「T-that's right. You, and Sasha…」

「Eh, Did you say something?」

Then, Asuka opened her mouth on this occasion. When her voice is about to come out, Yuuto mysteriously turned his ear.

「N, Nnn. We should better buy souvenirs for Sasha when we go back」

「Ah, certainly. Should we buy something sweet on the way back?」

They came to the capital after all. It would be a waste if it's all work.

'What do you think would please Sasha?' Hearing Yuuto speak happily, Asuka smiled in return.

◆ ◆ ◆

「Now then, where should we wait?」

Asuka was about to go and finish her business, Yuuto looked at the interior of castle restlessly. Investigating the interior of a castle filled with fantasy is charming but, that would be in Asuka's case, Yuuto folded his arms wondering what to do. A souvenir for Sasha, the two of them should choose later.

「At this time, having a telephone would be convenient」

Yuuto muttered to himself. How to people wait in the old days? Yuuto tilted his head.

Well, try not stand out while loitering, Yuuto's feet advanced for the time being.

「…Mu」

「Oops, Sorry」

When he's about to turn to the hallway to the left, a shadow of a person appeared in Yuuto's field of vision. They almost bumped to each other unintentionally, Yuuto bowed his head.

「N? You're…?」

Seeing the small shadow in front of him, Yuuto said 'Oh?'

「Ah. Err. Certainly. …Risu, Risuka-san?」

「Risty」

Pikiri, the person in front of him distorted her face in irritation. Seeing that, Yuuto clapped his hand as if he remembered.

「Ah, that's right. Risty-san. No, I just heard it this morning. It slipped out from my mind」

「Aren't you the follower of Asuka, Yuuto? Forgetting the name of the captain of your own squad, your must have a problem with your memory」

To the girl who speaks with some harsh words, Yuuto scratched his head.

Yuuto lowers his gaze, so she's considerably small. Having a delicate appearance that you would think as a child at first glance, she's wrapped in a healthy looking brown skin.

A golden twintail growing to her shoulder reflects the light that's coming from the window.

「Iyaa, sorry. I do think my memory is average though」

「Fun. Are you mistaking it for a monkey's average?」

A baby face. Her beautiful face can be called that way, Risty made a incited expression. If she kept quiet she would be a beautiful girl, Yuuto looked at Risty like it's a waste.

「Well well. Don't ruin your cute face with anger, Captain Risty」

Yuuto speaks as he tries to calm her down, Risty glared at him with scorn from the bottom of her heart.

「Fun. Does a small fish have a place in this society? Perhaps you had swindled Asuka? Listen, I won't admit that you're in my squad」

Yuuto reacted with a *Pikuri*3 on Risty's words. Seeing that, Risty continued speaking to Yuuto.

「The princess liked Asuka since she's capable. But, what about you? You're in 908th in the Hero rankings. You barely passed to get a hero title, originally, you'd better be put off as an imperial guard」

Risty looked at Yuuto's face while denouncing him. Her expressions is as if she making an anger vein.

「Furthermore, most of your exploits are just Asuka's leftovers right? You're originally just a small fry even if you have a title of a hero. Am I wrong?」

Yuuto became silent on Risty's words. Well, for Risty who don't know the actual circumstances it's natural, Risty is looking down at Yuuto.

The silence continued for a short while. Yuuto didn't answer back, Risty exhaled from the bottom of her heart in irritation.

「…Fun, Say something. In other words, a trash like you just relies on Asuka in every way, in the end you're just a trash. The princess too is pleased with just a bitch, her eyes must be clouded」

Yuuto decided top be silent, Risty kept spitting out insults. Then, she was about to leave when she finished talking.

「Could you wait for a moment?」

Pirati, Yuuto's voice stopped Risty's footsteps. When Risty looked back, Yuuto had mad a grinning expression.

「Hou. So you can smile like that」

「Could you take it back? Who said something like that?」

With Yuuto spreading his right hand, Risty lifted her lips delightfully.

... ...

Atom Cutting sword.

Physical Attack: S Magical Attack: D Synthesis Rarity: A

Supplement: It can cut objects to atomic level. It has a powerful sharpness but it's magical ability is at minimum. The durability is also low, regardless of Yuuto's ability, it has a strength of an ordinary common iron.

Chapter 8: World's Hero and the Mysterious Treasure tool (3)

「…Eh? What did you say just right now?」

On our way back from the castle, Asuka's face paled as if she's dying.

「I said that I had a quarrel with Captain Risty」

Yuuto walking next to Asuka is playing with dead leaves in his right hand as if he lost interest. Asuka is looked at that Yuuto with amazement.

「F-Fight, you mean. …Why?」

Asuka forgetting why he was angry, Yuuto looked at him as if saying 'what are you doing?' Yuuto stopped moving to Asuka's question.

「…She made a fool out of me. Calling me a small fry even if I'm in 908th rank. Even you would feel offended with that right?」

「G-getting offended, you」1

Yuuto mixed in some lies. Asuka who's unaware of it stares at Yuuto. 'Just what had you done?', she was worried.

「It can't be helped. You're keeping your ability as a secret after all. So even I would get angry if they called you a small fry」

Asuka sighed as she's having a headache. Yuuto told that Asuka that it's fine.

「Isn't it okay? If I get serious, even captain Risty would be instantly killed. There's no problem」

「There's a lot of problems! A lot! Why did it come to you being able to kill nor not kill! Risty-sama is a superior! A superior! We're just assigned, why did you set your eyes on the superior suddenly!」

'Aah, geez', Asuka dishevel her head. Right now, Yuuto and Asuka are public servants. Of course, Yuuto understands Asuka's complains.

Yuuto himself is a type that stays away from the discord as much as possible.

「Well, I'm really fine. In the end, for some reason that person laughed」

「L-laugh you say. It's surely a laugh about putting you down. That must be」

'Hii' she shouted in unease, Asuka glanced sideways ang Yuuto recalled the events from earlier.

『Hou. Your angry for your master not for yourself? At least you have some manliness in you. …Well, hang in there」

Saying that, Risty went away while laughing. Leaving with her palm opened, it was

provoking for Yuuto.,

‘That brown loli’, Yuuto grit his teeth in frustration.

「W-well. There’s no use thinking about it. Apart from that, listen. During today’s soldier meting, the princess decided to give me an alias」

Without realizing Yuuto’s expression as she was walking at his back, Asuka matched her arms happily. Yuuto turned as he heard Asuka said an unfamiliar word.

「Alias?」

「That’s right, an alias. It’s given only to ten people, it’s an alias that you would call yourself and would be admired by the other heroes. Even I, did think about it secretly. T-that’s, eeeh. For that day to really come」

deedee, Asuka squirms her body happily. Yuuto doesn’t get it but it’s the greatest honor for the soldier in this world to receive an alias.

「Alias? Sounds like chuunibyou. …When you say it’s just the 10, then Risty also has one?」

「Isn’t it obvious? Risty is called『Soutou2』, there’s no person in the kingdom who doesn’t know it.」

‘Except for you’, Asuka turned back from Yuuto. ‘Even if you say that an otherworlder won’t know that’, Yuuto kept silent and pretended to listen to Asuka’s story while saying ‘Yes Yes’

「Well, aside from that, since we’re already at the capital, we should buy a souvenir for Sasha. I think sweets would be good」

The aroma of flour and butter flowing from the side of the road, Asuka stops walking. Her eyes were shinning as if it was saying「I want to eat」

Yare Yare, Yuuto also stopped seeing that Asuka.

◆ ◆ ◆

「Asuka-sama, I’ll go out with Sasha for a bit」

Next day, after the meal was over, Yuuto called out to Asuka. On his side, was Sasha wearing a maid uniform bowing to Asuka.

「N? Where are you going?」

Asuka put down the cup of tea on the table. *Poriri*, a cookie crunched in her front teeth.

「We’re just going to buy tools to repair the roof. Since the luggage will likely be huge, I will also go」

Saying so, Yuuto and Sasha headed to the exit. Asuka thought that she would also go with them but, Asuka had given up from standing and waved her hand.

「See you」

A crispy, sweet flavor spreads in the mouth of Asuka.

◆ ◆ ◆

「Uun. Now that I think of it, it's been a while since I'm alone」

Asuka looked around while stretching. Looking at the silent mansion, Asuka 'uuun' curled her back.

「…As expected, it's recent」

What's recent is the love affair of Yuuto and Sasha. Though it didn't enter the small body, but not matter how you look at it, it was a copulation of men and women.

「Could he be forcing her? …Nope, I guess not」

Furthermore, there were no expression of dislike seen from Sasha. Rather it was a face of a woman with her lover in front of her.

If Sasha consents the relationship, there's no room for her to intervene, Asuka is at her wits' end.

「However, she's my maid」

She had no intention of claiming ownership of Sasha by paying money, but it wasn't interesting for Asuka. Just where in her mind she gets irritated from it? Asuka had no experience in man and woman experience.

「Well, it's fine. Even a guy like him likes a child like Sasha」

Asuka looks at her hand while laughing at herself. She has some ways to go to be a beauty, her life was only to wield a sword since she's a child. Naturally, she's not trained to be a bride.

In addition, Asuka expressed her gratitude to Yuuto seriously.

Asuka never imagined that the day where she will live in her own mansion comes. She had a delusion of becoming a hero, but she never had a concrete thought of her future.

「At any rate, An Alias it is. W-what could it be? I'm looking forward to it」

Asuka stood up while relaxing her face. From becoming a fledging swordsman to getting an alias, it was all thanks to Yuuto's treasure tools. Glad that everything changed from this past three months, Asuka's heart is clenching.

「Hey, certainly this room was…」

'fun fun', in front of Asuka who was humming while walking, a single door came into view. The stairs lead to an underground. In that door.

「Yuuto's workshop. He told me to not absolutely not enter」

Jii, Asuka stared at the door, Beyond this point, Yuuto would start making his

treasure tools. Becoming an obstruction on the image, and he also said to absolutely not enter because it's dangerous, A whirlpool swirled in Asuka's mind.

「I-if it's for a bit. It's okay right?」

She extend her hand on the knob of the door. That moment *Pakiiiin*, a sound of cracking echoed.

「N, Ahn」3

Kyumu, the tip of Asuka's left chest tightened lightly. Asuka involuntarily let out a voice, 'eeh', she muttered.

「For him to turn it using magic. Just what does he not want for others to see?」

'Fufufu', Asuka's face distorted evilly.

Asuka's gratitude to Yuuto is at max, but his mean treatment on her is another story. While thinking that she may grasp his weakness, Asuka pulled the knob.

「Noow then, what's in here?」

Feeling her heart beating, Asuka went down the stairs to the basement

◆ ◆ ◆

「Waa, amazing. There's a lot of weapons」

The underground workshop, in one word it would be suspicious.

Several swords and spears leaned against the stone wall. There were some elegant equipment with shape she don't even know how to use, it's arrangement narrowed the room.

「If there's a lot of it, he should've given one at least」

Asuka looked at them while muttering but, Asuka knows that it's impossible. Perhaps, some of them are unfinished, or some treasure tools are in adjustment.

「These things seems untouchable. Scary Scary」

Just what kind of ability does he equip? She doesn't know. Asuka advances, careful not to touch it. Without the treasure tool in her chest, she won't be staying in here.

「Oh, A desk? Fuun. So he properly research-ish it」

Asuka stopped at the wodden desk that's in the back of the workshop.

On the top of the desk are filled with incomprehensible things.

A dagger that fires out lightning, a string connected to a simple thin plate, Asuka took the sketchbook.

Asuka flipped over the large scale scholarly memo. Various designs of treasure tools were drawn in it, there were some notes recorded too.

Those were characters she never saw before, Asuka frowned.

「Ah, this isn’t my equipment. Uwaa, he’s really thinking seriously」

Asuka’s finger stopped on a certain page. It was a crimson sword and armor, distinct details were written on the other line.

「I can’t read it but, it’s filled out with lots of absurd things. Eh, eeeh—」

Seeing the drawing, Asuka felt embarrassed and blushed. Though she felt guilty for entering without permission, still she felt happy, Asuka closed quietly closed the sketchbook while saying ‘ehehehe’

「…N, what could this be?」

A folded fabric on the desk caught her sight. Asuka lifted it.

「Clothes? Hey, eeeeeeeeeeeeee!?」

It lightly spread in her view, then Asuka’s voice echoed through the workshop.

Chapter 9: World's Hero and the Mysterious Treasure tool (4)

「W-what's this… A protective gear?」

Inside Yuuto's workshop, Asuka gazed at the treasure tool cloth that she picked up.

Red, it is made from unreliable fabric, Asuka gazed at it with her heart beating fast.

「I-I wonder if this is clothes? B-But this is…」

Spreading the treasure tool, Asuka viewed it in different angles with great interest.

The material is a cloth dyed red. It has a beautiful luster, a scarlet armor. It would have such an impression at first glance.

「I-It's not just this right? …Ah, this is possibly a set」

Asuka looked around restlessly, she found a basket on the floor. Inside it seems to be the companions.

「Let's see.…Hey. U-Uwa. …W-what is this? Does he want to make me wear this?」

With her heart beating faster, Asuka licked her lips.

For some reason, Asuka looked at her back then held the equipment in her arms.

However, if she wore those clothes it would be a huge problem. That thought crossed Asuka's head.

「W-well. If I just wear it it's nothing. I-Isn't it? W-well if the size is wrong it would be a problem」

To disguise her rough breathing, Asuka open her mouth to make an excuse. Feeling her cheeks heating up, Asuka put them on the desk.

After a short pause, Asuka slowly grabbed the hem of her clothes with her fingertips.

「…Nn. …Haha, this feels weird」

Her clothes dropped lightly on the floor.

Her upper body feeling the chill of the basement, Asuka's face dyed.

(U-uwa. I'm naked in his workshop)

Even though no one is watching, Asuka shyly hid her chest. The skin of her arm touched something stiff.

「…Ah. …Geez」

Her nipples are standing. Blushing as it got hard, Asuka shook her head.

She somehow feels strange, ‘let’s do this quickly’, Asuka took off the clothes below.

When she loosened the straps of her underwear, that’s where Asuka’s hand stopped.

「E, eeeei. Whatever!」2

Half-desperate, Asuka become upright stark naked in the workshop Looking at her own cared posture of her body, the complexion of her chest has a trace of the previous civilization.3

(N-Naked. I’m not an exhibitionist.4 I-In his workshop)

‘fufu’, Asuka breathed out. She noticed that she’s excited, Asuka took the cloth on the desk in a hurry.

「E-err. This is the top. …Hey. T-This is. …S-seriously. How to use this?」

She looked at the equipment she picked up once again, Asuka remembers the pseudo-eloquent guy that’s not here right now.

(F-for him to do something like this. H-He wants to put this on me? N-No. But…)

So, Asuka thought of another possibility. In the morning, he headed out together with the maid.

(S-Shit. I-If he aims at Sasha what should I do? Those two seems to be in good terms recently)

*Ugugu*5, Asuka thought of the dazzling smile of the maid. The scene she saw the other day is burned in her eyes and it doesn’t leave. As a matter of fact, it was her first time to see ‘that’ from a man.

She shook off the dreamlike scene a lot of times, Asuka shook her head.

(I-It’s not like I’m related to whatever happens to Yuuto and Sasha!)

‘That’s right’, Asuka grasped the equipment tightly. Even if it’s a present to Sasha, it’s necessary to check it. He might’ve put some devious ability, she had to take it off. Thinking that, Asuka decided that it’s good.

「Heave ho!~ U-Uwaa. This is completely exposed」

It’s structure is similar to underwear, Asuka raised one leg to let it through. She raised it to her waist, then, along with the cold air of the workshop, Asuka’s lower half was wrapped up.

(I-It squeezes more than I thought. But, T-this is…)

Doku Doku, Asuka’s blood pulsed. ‘It couldn’t be, right?’, Asuka extends her hand to the equipment to convince herself.

「T-this is the top right? …L-Like this?」

There’s no bra in this world. But, Asuka is telling herself that it’s some sort of corset. For the time being, approaching from bottom to top, she covered her chest.

(Uwa, Somehow, my breast. I-Is being emphasized…)

Tayun, Asuka's breast shook. It's not as much as Sasha's, Asuka's size might be big but, it doesn't interfere her. The chest is wrapped with the strange undergarment, Asuka stared at it with a bright red face.

「T-that guy. What is he thinking?」

Asuka's chest and lower body is in full view.

Bra and panties. That was it but, it was enough to be overwhelming.

The cloth area. Between her chest and groin is directly exposed to air because it has a hole, Asuka bashfully hid it with her arm.

The swelling of her chest can be said to be supported by a triangle string, the panties on her groin has a heart shaped hole and exposes the important part.

This thing couldn't be a clothing, Asuka bind her lips in shame.

「Ah. …Uu」

Feeling it on her skin, Asuka's face turned red. Along with Shame, there's some strange feeling that's attacking Asuka.

「T-this is. As expected…」

'fuufuu', while breathing roughly, Asuka embraced herself with her arms. She straightened her posture to make sure after that.

(A-as expected. This is a perfect fit for my body)

Though the clothes had some suspicious ornaments, It perfectly fitted on Asuka's body. *Michiri* Asuka's flesh, is lifted by the string just by a little.

(Aah, I can't. My nipples and that place, everything is seen)

'What should I do?', Asuka's face burns. In her head, Yuuto's smiling face floated.

(N-No way. …W-what does this mean? S-such a thing?)

Asuka felt herself becoming hot. She's not touching anything yet the treasure tool on her chest tells an effect.

The cold metal ring is urging Asuka.

(T-this equipment is somewhat dangerous. A-as expected it has some ability…)

'Any more than this', Asuka unsteadily put power on her feet.

「…I-I should soon. He's coming back」

However, Asuka's movement is drowned out by a hanging voice. 6

「Eeh. Who's coming back?」

Asuka felt she plunged into darkness.

Chapter 10: World's Hero and the Mysterious Treasure tool (5)

「E-err… Welcome, back」

Feeling sweat flowing on her forhead, Asuka slowly raised her right hand to Yuuto.

「Yes. I'm back, Asuka-sama」

In there is Yuuto that's smiling naturally, he's asking what is she doing.

「Uhm, that's. W-where did you go? Ahaha…」

Teary eyed Asuka faces Yuuto with a wry smile. She wants to say 'please forgive me' but Yuuto's smile is saying 'nope'.

「I told you not to enter since it's dangerous, right?」

「…Y-yeah. Sorry. That's, it's alright since I have it in my chest.」

Asuka mumbles while matching her fingers, Yuuto approaches her while smiling in the dark basement.

「You see, that's not the problem. You entered someone's room without permission. I even turned the key when I left」

「U-Uuu. I'm sorry already. I already apologized so…」

Asuka draws away from the approaching Yuuto, Yuuto frowned. With Asuka's state different from her daily appearance, Yuuto's fixedly stared at her for the first time.

It was dark so Asuka's outline isn't clear, in front of Yuuto is the undone Sarashi.

「…W-what's with that outfit, Asuka-sama」

「Sorry. …P-please don't look so much」

'furufuru', Asuka is trembling in shame, she hid her chest from Yuuto. Asuka retreated a step so she won't be found out.

It was the biggest in her life, That palpitation attacks Yuuto's body.

「T-that equipment. …That's you see, it's still a prototype. why did you wear it?」

「B-because. T-this is too ridiculous so I can't help it」

Asuka raised a pained face, and looked away from Yuuto. She glanced sideways, Asuka covered her chest and bottom shyly.

Gulp, Yuuto swallowed something.

She's almost naked. Well, Asuka looks much lewder if clothed than naked, she standing in front of him.

Yuuto shut his eyes for the first time and focused on his right hand.

‘Do your best, me’, Yuuto encouraged himself.

This chance might not come for a second time.

(Eh, Calm down. Pretend you’re calm)

He’s able to keep his expression somehow, this might be thanks to his experience with Sasha. If it was sudden, she’d run away.

Asuka faced his way and Yuuto laughed unnaturally.

「T-that’s. I can adjust it. …Could you help me adjust it?」

「…Eh?」

That face of Yuuto, Asuka felt surprised when she looked up from her chest.

◆ ◆ ◆

「Yeah, it suits you well. It’s wonderful, Asuka-sama」

The workshop is being illuminated with a red candle1, Yuuto’s grin floated.

「U, Uu. L-let’s end this quickly」

Yuuto puts his arm on the back of the chair, he’s desperately holding his beating heart caused by the spectacle in front of him.

Arms desperately trying to hide the chest and groin, Asuka wrapped with underwear that has obscene holes2 is having a dying in shame face.

Asuka straightens her spine trying to deceive something, Yuuto faced downwards.

‘Calm down’, Yuuto inhaled deeply. If it’s discovered that he’s also at his wits’ end, this time would probably end.

「…I-if you just stand I won’t know it you see. Is it hard to move?」

Grin, Yuuto smiled at Asuka. To that face, Asuka’s line of sight swims around.;

「I-It’s not strange in particular. …That’s, W-when I move」

Asuka faintly moves her white limbs, Yuuto stopped her answer. He made a clap and said ‘that’s so’

「Are you able to move your arms to the back of your head?」

Asuka’s eyes widened in response to Yuuto’s muttering. An unbelievable face looked at Yuuto, however she stayed silent and looked down.

She’s the wrong one here. Thinking that, Asuka raised her arm as she was unable to understand the arousal.

「L-Like this…?」

Tensely, she held her arm on the back and pushed out her chest. To her body that became bare, Asuka felt her consciousness getting light.

(N-No way. I'm being seen. M-My nipples. That place. W-with this lewd appearance)

'Hahaha', Asuka's rough breathing reverbed in the workshop. Her nipples that has the ring attached became hard, Asuka felt her pulse thinking that she might die.

*Bakubaku*3, Her pulse goes fast as if her life is in danger.

(…He's looking. Yuuto's looking. W-what? Showing a cool face. Are you used to seeing female skin?)

'fururi', Asuka's body shivered from Yuuto's gaze.

(No. I'm being seen. What should I do? Naked, Breasts, N-nipples. He can see all)

Yuuto's glance is touching Asuka's bare flesh. Clearly, like a mass, Yuuto's glance strokes Asuka's skin.

「Ah. …Nn」

Asuka licked her lips.

Suddenly, the link of Asuka's arms becomes somewhat stronger. Her breathing becomes rough as she moves unconsciously, Asuka of course doesn't notice.

「Asuka-sama's armpit is beautiful」

「Euu!!?」

To his sudden words, Asuka let out an odd voice. Just like that, Yuuto's gaze disappear along with his mood.

He looked at Asuka's armpit straight with a smile.

「Eh, Eh? A-armpit? You? …N-no」

「Ah, don't close it」

Yuuto starts to close her arm because of Yuuto's gaze. Yuuto stopped it with a slap.

To those words, Asuka looked at Yuuto with teary eyes.

「Look, expand it just like a while ago」

「U, Uwa. …Aah, Uu」

To his words, Asuka gave up and put her arm together again. For some reason, her petitioning eyes doesn't enter Yuuto's sight.

「It's white and beautiful. Do you shave it?」

「Uu, idoot. I hate you」

Asuka muttered to herself in response to Yuuto's mean voice. Sweating, Asuka's heart is cut to pieces that she wants to die.

(A-armpits he said. W-why my armpits? T-T-Theres some other locations though)

Asuka is already on the verge of tears. Her body isn't worth that praise, Asuka's tears float in shame

「Your bellybutton too, it's oblong and cute. Asuka-sama, every part of your body is beautiful.

「……!!? W-where are you looking?」

Asuka noticed Yuuto's downward gaze and shut her legs tightly. Asuka's seemingly soft thighs closes tightly.

「Your legs, even though your thighs are plump, below the knee is slender. It's really beautiful」

「S-stop. …Why are you praising it?」

Her breathing is thrown out of order, tears accumulated in the corner of Asuka's eyes. 'Is showing your skin to a person that embarrassing?', Asuka sighed.

Noticing a red hair sticking out from her underwear, Asuka is tempted to bite her tongue.

「Ah, that's right. That's. …Can you spread your legs?」

Asuka heard him, then, Yuuto continued to speak. Asuka's heartbeat makes a large wave.

(F-feet? Hey, My legs? …Foot? Widen…Eh?)

Asuka minding to calm down, her beating seems to be so big that it's being transmitted to Yuuto. *Furu Furu*, she peeped at Yuuto with feet trembling.

(Because. I-If I spread it it will be seen. …Ah. T-that's not w-what I mean)

Yuuto not breaking his smile, Asuka's lower body made a sound.

(H-He's saying. S-showing it. Showing it all)

She can't show any more than this. Thinking so, Asuka's body heated up.

She'll be seen naked by a man she knows. It makes her body shake so much, Asuka is at loss.

Then, Asuka throat gulped down. 'FuuFuu', Asuka motivated breath echoed in the workshop.

「…L-like this?」

*Kapari*4 Yuuto thought he heard a sound.

(It's, opening. It's *Gapate*5 there. Hi, Hihi. What's this. What am I doing?)

Asuka's head is filled with excitement and confusion. Acting blindly, halfway, she surrendered in the pleasure of despair.

「I-It looks nice. But, that's. Just a bit more. …bowlegged」

Yuuto's expression is hidden by the shadow from the fire so Asuka can't see. Anyway he's just laughing as always, Asuka tied her lips shut.

「Y-You'll d-definitely die in an unsatisfactory way…」6

While saying so, Asuka's breathing is getting rougher. Asuka is getting teased, she let out her waist to Yuuto a little.

Slowly, Asuka opened her legs. *Kyun Kyun*, her lower body continues to make a sound as it throb, Asuka desperately held her voice.

「Fu, fufuu. Y-You don't have any complains with this right?」

*Kui*7 dropping her waist, Asuka faced Yuuto with burning Eyes. Yuuto's shadow nodded.

(No8, It's dripping. N-No.9 Don't look. Y-You can't.10 You can't)

Asuka looks at her own body while concealing her breath. Sticking out the shape of her lower body suddenly, before she noticed love nectar was dropping on the floor. The hole in the underwear is getting soaked by the love nectar, Asuka herself feels it in real time.

(I-I'm wet. I'm wet from being seen. Ha, haha. What's this? What is this?)

Yuuto's gaze caresses Asuka's lower body. The feeling of being touched and rustling, is sent to her spine.

(Sto,p. Don't look any longer. I'm…)

Something is welling up in her body. Asuka resisted that unknown sensation.

「You're lewd, Asuka-sama」

Still, Yuuto smiled as he kept his calm.

However, after confirming that he gets excited on her nude self, something inside Asuka snapped.

(Yu-Yuuto. Is excited. I'm naked. It's too big. …A-at that time with Sasha)

GakuGaku, Asuka's legs begin to tremble. 'Am I really this shameless?' Asuka foolishly looked in front.

Her waist is moving without her permission. Her legs opens without her permission.

Lastly, checking Yuuto's smile——.

「G-cumming」

After a few seconds, Asuka fell on the floor.11

◆ ◆ ◆

「Iyaa. Thanks to you, I got some good data. If I finished it please wear it」

「I-I don't want that shameless thing」

Yuuto smiles as always, Asuka was being watched as she change her clothes. Blushing, Asuka 'fun'12 faced the other way.

(H-he saw me. Such, such a thing is seen. even cumming)

FuruFuru, Asuka body trembled.

However, Asuka is relieved that Yuuto's atmosphere didn't change.

(…D-does he have some intention?)13

Originally, she will be angry as she saw that place. However, Asuka certainly confirmed that Yuuto had a erection on that part of his body.

(It was really big. Earlier. For me…)

She felt glad for some reason. Asuka desperately tries to go back to her usual self as she was unable to understand her feelings.

「I-In the first place, what was that cloth? It doesn't have any defensive power at all」

「No, this one has a legit ability in it. Well, you have to look forward when it's complete」

Yuuto grinned broadly, Asuka glared at Yuuto as she doesn't want to wear it anymore.

「…Ah, by the way, Asuka-sama. Did you touch anything else? I think you're safe because of the ring but those have some weird abilities after all」

「Nu? Aah, yeah I'm okay. I didn't touch anything」

Asuka warded of his gaze, Yuuto said 'fumu' and looked around. Asuka remembered the sketchbook for a moment but thinking that it's fine she shut her mouth.

「I'll forgive you with just this for this time, please don't enter here anymore」

「I-I know that already. …Uhm, Sorry. After that, thank…you」

Asuka hesitates to say her words to the Yuuto who's speaking in a tired voice.

「N? Did you say something?」

「N-Nothing! S-See you then!」

Yuuto asked once again, Asuka ran out of the basement while blushing. 'What was that?' Yuuto saw off Asuka's back.

◆ ◆ ◆

「…I-I was flustered」

Confirming that Asuka was no longer in the workshop, Yuuto sat down. His heart is still beating rapidly, Yuuto's face is red.

「W-was it okay? It's okay right?」

Yuuto was troubled as he was caught in the moment. Asuka's limbs was too enticing that he couldn't hold down his desire and wanted to see more.

「I'm glad I was in the basement」

Yuuto muttered to himself. Because of the backlight, Asuka couldn't see Yuuto's face very well. Otherwise, Yuuto doesn't have the confidence that he can keep the usual smile.

「I got this from Sasha, that's the worst」

Recalling what happened to the two of them once again, Yuuto spilled a sigh. Apparently today, he has no choice but to worry endlessly.

「…Was it seen?」

Glance, Yuuto's eyes moved to the sketchbook on the desk. She probably had seen it. 'Aah, geez', Yuuto meesed with his hair.

Perari. he checked the page of Asuka's equipment. His only salvation is Asuka not being able to read Japanese, Yuuto shyly glared at the page.

「I can't show this to her.」

His looked at one sentence on the corner of the page, Yuuto blushed.

The color is absolute red. Red suits Asuka very much!

Feeling obliged to strictly store it, Yuuto decided to draw out a key from the drawer of the desk.

Supplement: Yuuto thought「It would be dangerous if Asuka wears this」and made this treasure tool. This has no protective ability, but it was a treasure tool just in case. Sweat and dirt, harmful bacterias and viruses are absorbed by this underwear and removes it. It's clean and friendly to girls.

Chapter 11: The Tanned Hero dreams of the princess (1)

「G-Good morning Yuuto!」

「Good morning Asuka-sama」

In the morning, Asuka raised her hand cheerfully and greeted Yuuto. Yuuto is drinking tea and reading casually, then replied monotonously without even glancing.

Seeing that Yuuto, Asuka's forehead made a snapping sound.

(W-what's with him? Yesterday, H-he did stare at my body so much. I-I couldn't even sleep because of it…)

She was able to hold the twitching of the corner of her mouth, Asuka called out Sasha that is cooking in the kitchen.

「Sasha. Please prepare breakfast for me too」

「Ah, yes. Certainly」

While looking at the maid who's good at her work, Asuka let down her waist on the seat on the dining table. Then, she stared at the Yuuto that's reading the newspaper.

(I-In the first place, what's with that cloth? No matter how you think of it, it's for lewd purposes. A-also, the size was a perfect fit…)

Recalling the underwear from yesterday, Asuka's back trembled. 'I can't I can't', Asuka shook her head in panic.

(Always smiling with a straight face. Saying 'Asuka-sama' …What does he think of me?)

Musuri, Asuka puffed her cheeks. Peeping at Yuuto's face, it was a cool face as if nothing happened yesterday.

(W-what? Am I the only one wo worrries? It feels like I'm the one naughty in here)

Remembering last night where her body was impatiently hot, Asuka's face blushed. The blunder of comforting her own body lingered, it was gradually left behind. That excitement won't be forgotten all night long after all.

(T-thinking about it. I'm living in with a man. Even so, he's still a man)

Kachari, the one in front of her put down the tea and bread without noticing her, Asuka stared at Yuuto. 'What's wrong?', Sasha inclined her head, Asuka gazed at Yuuto's body without being noticed at all.

(U-Up until now I didn't realize he's also a man. I always swing my sword alone, get close to death, get hurt…)

Speaking of, Asuka recalls she's not treating wounds recently. This and that are all thanks to Yuuto's treasure tool. She really didn't get hit even one scratch.

Recalling the sketchbook that she saw yesterday, Asuka's cheeks dyed red.

(…What does he think of me?)

Worrying that the tea would cool down, Sasha rustled her clothes while worrying whether she have to call the pensive master of hers, the morning air wrapped it up.

◆ ◆ ◆

Noontime. Yuuto had a tiresome face as He visit the Trishulia castle.

「…What do you want to talk about?」

Not hiding the laughing tone in her expression, Risty called out in front of him.

「That attitude! You, you also think of devoting to you master right? Then, you can't just stay in 908th forever, I'll train you myself」

Risty is wrapped in light equipments, Yuuto looked at him with a smart expression.

In the momentum, Yuuto frowned.

「No, I'm good」

「You can't. …Fufu, that's an order from your captain」

Risty is filled with motivation, Yuuto cursed from the bottom of his heart. 1

He had felt unease when they met in the hallway. He's not a sarcastic person. But, Yuuto belongs to the annoying race.2

(This person is sports minded…)

Yuuto almost break a smile unintentionally. Seemingly busy, sparing time for a mere squad member like Yuuto, in the first place Risty is told to be a meddlesome person.

He gazed at Risty. Does she value mobility? Risty's armor had the color of her skin considerably visible. Neck, armpit, navel, legs, Risty's brown skin is too dazzling to Yuuto's eyes.

If she's silent, just looking at her would make you uneasy with her appearance, Yuuto looked at the wasteful body of Risty. On that Yuuto, Risty began to talk after taking out the two swords on her waist.

「When you glared at me, I felt power in your right hand. You have talent. I will pull it out」

Yuuto's eyebrows twitched from Risty's words. He didn't take out his treasure tool that time, Yuuto looked at the captain in front of him.

Yuuto's heart *Katan*3 moved.

「What? Don't worry. I'll go easy on you. I'll go bare-hands against you…」

「No, please be serious」

*Gacha Gacha*4, says Risty's armor during warm up, Yuuto grumbled. Risty's eyes looked at Yuuto as if saying 'what are you doing?'

(If this continues it would be a hassle. Let's silence this person)

It's a good opportunity. This level of an opponent is just a practice game. It's a good chance to not let her walk against him again. Let's test this on her, Yuuto slowly spread his hands.

「…Hou」

That moment, 16 blades suddenly appeared around Yuuto, Risty's face ceased to move.

「It's my favorite, it's name is『Floating war maiden Rossweisse the sixteenth』56 …If it's Captain Risty, she won't die right?」

Yuuto's face shows a grin, Risty extend her hand on the sword on her waist.

「Good. Let's practice」

That time, Yuuto saw.

The fourth place in hero rankings shows a smile as if she enjoys it.

◆ ◆ ◆

「Are you serious!!」

Yuuto can't belive the spectacle in front of him.

『The floating maiden the sixteenth《Rossweisse》』is one of the easy to use treasure tool that Yuuto created.

Drifting afloat around Yuuto are sixteen large swords. All of them had been given physical and magical cutting power effect, instead of Yuuto attacking, each of them had an autonomous movement in attacks.

Each one of them is a God Tier treasure weapon. Those sixteen cooperate to protect Yuuto.

It's an autonomous automatic protection treasure tool. It's abilities are intense, inside is a struggling high school student, there's only one answer.

「Hahaha! Good!! Why are you hiding your ability? You're more than I expected!!」

Then, that answer is right.

Even so, there's nobody who would be able to touch Yuuto as long as there's the sixteen floating war maidens.

However, that is.

「Bullshit!!」

There are some in the world.

The floating 16 war maiden we're smashed in front of Yuuto's eyes. Yuuto was unable to endure, he let a defensive treasure tool with physical and magic resistance appear.

It's the same as what Asuka wears, Necklace version. Yuuto retracted his head.

Gaze, the unbelievable sight is in front of the eys.

「Ahahahah!! What's wrong!? With this, the remaining will be just twelve!!」

Dance.

Yuuto was not able to see the speed of the blade's attack, Risty avoided it like she's dancing. It's not even a paper-thin difference, it's as if the blade is passing through Risty. There's some minor impact and scratch but Risty's armor receive it instead.

Yuuto finally understood why Risty wears lightly.

It's unnecessary for the girt in front of him.

(S-she's a monster!? In the first place, how can she receive the treasure tool with an A+ physical power!?)

Even if Risty's sword is on a treasure tool grade, It must tie. If this isn't Risty's taijutsu, then he doesn't know what it is——.

Not. Before Yuuto who's thinking, Risty grinned.

「A very fine sword. Since you don't mind it being broken, I won't hold back. And, remember this as a lecture. …The blade is meaningless if the tip doesn't touch」

Baki Along with Risty's joyous expression, the sound of his treasure tool being smashed up reached Yuuto's ear.

「Seven remaining」

Her face was too bewitching that Yuuto forgot oneself momentarily.

「————!!!?」

One moment. He relaxed for a moment. The autonomous war maiden, even just a bit, received their practitioner Yuuto's heart.

Instant. Far shorted than 1/60th of a second.

Between that, the remaining floating war maiden were all smashed, Risty attached the sword on Yuuto's nape.

「…A-are you serious?」

To that tight feeling, Yuuto surrendered from the bottom of his heart.

Risty's sword is still remaining in sheath.

「Fufu. That was satisfying. But, if you want me to pull out my sword, you should stop autonomous weapons. No matter how elaborate it is, it's just a fake. If you know

swordsmanship, it's enough to handle」

Risty's face is heating up, Yuuto's cheek unintentionally traced the sheath. It's hot atmosphere is different from it's appearance, Yuuto's blunder put him in shock.

「Somehow, I'm able to understand your relation with Asuka. Autonomous mobility. oh, I said that but your master is worth. You should devote earnestly」

With a floating viscous smile, Risty looked at Yuuto's face. And, she told him that the training ends today.

Feeling frustrated and refreshed in some way, Yuuto gnawed.

Retuning, Risty pulled Yuuto's ear to her mouth.

「It's been a while, it was good. I got a little wet」7

Risty's sigh reached his brain from the earhole. Yuuto jumped back from Risty.

「Fufu, you look innocent. Don't worry. I won't tell Asuka that I played with you」

Putting her hand on her chest and her lower half, Risty 'peri' licked her lips.

Seeing off Risty that went away, Yuuto laughed in a dry voice.

「Back, exposed」

Not seeing a single wound on Risty's back, Yuuto could do nothing but laugh.

◆ ◆ ◆

「…Eh? You're talking about a new armor?」

Several days later, after not seeing Yuuto's face for a while since he shut himself in the workshop, Asuka raised a surprised voice.

「Asuka-sama. From now on, please wear this. I raised it's performance greatly」

Gachari, a leather belt is in front of Asuka. Of course, the leather is crimson.

Asuka looked at the rounded belt with a curious face.

「…This. Is a collar right? What's this?」

Asuka stared at my hand. No matter how you look at it, it's a collar. Leather packed. Beaten hole, it's exactly a dog collar.

In front it has a metallic tag that makes a sound, there were 5 characters unreadable for Asuka written in there.

(……E, Esu, Yu, Ke, e?8? I wonder what's written?)

Asuka frowned while staring at the characters, Yuuto smiled as he said 'please put it on'

「…Eh? I have to put this on? N-no thanks. I'm not a dog. W-what's wrong with this

armor?」

「Just do it.9 Please put this on faster」

Yuuto's smile merely increase the threat, Asuka flinched. 'If it comes to this, It can't be helped', Asuka put on the collar on her neck.

「What's wrong?」

「…I-it's embarrassing so please don't look」

Asuka raised her arm and gazed at Yuuto while blushing. Yuuto, panicked for a bit and averted his eyes.

「I-I put it on. Are you fine with this?」

Yuuto turned his gaze back to Asuka, what's there is Asuka who looks embarrassed. The red collar was properly put in Asuka's neck.

(G-geez. Why? W-why did he dare my neck? this guy)

Kaa, Asuka's skin heated from the fit of the leather. Whenever Asuka moves, the name tag makes noise.

「Yes. It suits Asuka-sama」

「～～～!!? G-geez. What's this? What does this collar mean?」

Asuka averted her face, in addition, Yuuto smiled. 'Asuka-sama', Yuuto called her lightly.

「You can just whisper, could you recite『Release』while imagining the armor?」

「Eh? It's fine but. …Ah, Aperite10」

'What could it be?', the moment Asuka recited it, the collar shined. After a moment, a full armor Asuka is there.

「…Eh? Hey, Uwa. Amazing! T-this is…」

She herself was unable to understand what happened to her body, Asuka's face opened wide. Looking satisfied, Yuuto smiled at Asuka.

「If it's just the ring, you won't be able to fight. I raised the performance of this treasure tool incidentally. After this, please wear the collar as always」

「Yu-Yuuto」

Asuka looked at him with teary eyes, Yuuto's body shook. 'I can't I can't', Yuuto kept explaining to Asuka.

「If you want it to return, say『Close』and it will return」

「Is that so? K-kudaurare!」

To Yuuto's words, Asuka chanted another spell. The armor shined, then the original figure of Asuka with a collar returned.

「Wa, waa. Amazing, amazing! Uu, this is what I wanted. Thank you, Yuuto」

Asuka averted his gaze from the rejoicing Asuka. He has to say something, Yuuto spoke to Asuka.

「Well, with that. please don't take off that collar in public from now on」

'How's this?' Yuuto smiled at Asuka.

「Un, Un. I won't remove it. I'll never remove it. Thank you, Yuuto. I'll treasure this」

However, Asuka was moved to tears so she's willing. 'I'm so glad', She showed a big smile to Yuuto. To that expression, Yuuto's throat is blocked.

「…I-Is that so? But I worked hard on it. Does Asuka-sama have a reward I say…」

「Very well. I'll do anything!」

Yuuto's heart stopped beating seeing that smiling Asuka.

「…Eh?」

「Hey, No way, I. No, b-but. I was really glad…A-and you did great. That, if it's something I can do…Then it's fine」

While grasping the collar tightly, Asuka gave yuuto a bashful upward glance. Yuuto was almost sucked in by her red pupils.

'Calm down', Yuuto counted prime numbers inside his head.

「E-err. Then…」

'What should I do?', Yuuto can't speak. 'What should I say?', I never thought about it so it piled up in my open mouth.

「I-Imitate a dog. Can you do it?」

While looking at Asuka's collar, those words unintentionally let out.

「Eh? I-imitate a dog?…」

Asuka's face dyed in shame because of Yuuto's request. To the embarrased Asuka, Yuuto somehow regained his composure.

「W-well. I'm not forcing you. Next time, in a different appearance…」

「Yuuto」

Wanting to leave away from this place, Yuuto's sleeve was pulled by Asuka. Shocked, Yuuto turned around.

「…W-wan」

Bashfully. Really embarrassed, Asuka raised a smal cry.

「W-was that okay?」

Asuka’s face was dyed in red while looking upwards to Yuuto and saying ‘wan’

Yuuto nodded lightly.

「Eeeh」

Asuka smiled, Yuuto can’t do anything but keep up his expression.

16 Floating war maidens《Rossweisse》

Supplement: It’s an autonomous attack type treasure tool Yuuto made for himself. 16 blades float around him, it attacks and defend according to the owner’s program autonomously. A number is allotted on each blade and sending command to each other is possible. Even in just sharpness, each one of them is a first class treasure tool and it’s Yuuto’s favorite main weapon.

Chapter 12: The Tanned Hero dreams of the princess (2)

「Hero Asuka Retroliva I praise your devotion to Trishulia kingdom and give you the title『Skarlet Sky』From now on, you'll be given divine protection from the Trishulia kingdom」

「Ha, Hahi! Thank you very mush!!」

Yuuto looked up, seeing Asuka on the platform.

『Finally, the title ceremony is tomorrow! I can't be clumsy in front of the princess. Practice with me!』

Saying that, Asuka practiced with me last night.; The special training continued until this morning, not it doesn't seem to have any meaning at all.

Her body is moving restlessly. Though neither her right hand and right leg had gone out at the same time, but she's biting her lips completely.

However, seeing the happy face of the princess handing the certificate to Asuka, 'Well it's fine', so Yuuto smiled.

◆ ◆ ◆

「Fu, fufufufu. S-scarlet sky. C-Cool. …Eheheee, Asuka of the『Skarlet Sky』2 hehe」

Seeing her spill the stew from the spoon on her right hand, Yuuto and Sasha looked at Asuka while smiling wryly.

「S-somehow. Today's Asuka-sama is remarkably…」

「You should say it clearly, Sasha. 'Today she's remarkably idiotic'」

Sasha says「No, that's not」as she shake her head while Yuuto continously put the stew in house mouth.

Seeing Asuka stare into nothing as she drool, Yuuto sighed.

After receiving the title, Asuka was like that throughout the day. She keeps muttering 'scarlet sky, skarlet sky' with a loose face.

「Are you really glad with that alias?」

「Eh? No, I'm sorry. To someone like me. Heroes are, unthinkable people. What about Yuuto-sama? Did you come to understand?3」

Sasha responded to Yuuto's question. It's unusual for a maid to take dinner with them, Sasha was surprised when she was invited, for Yuuto not eating with the person is strange.

「Uun. I'm not interested in that. I won't be accepted anyway」

To Yuuto's words, Sasha looked trouble from his answer. For Sasha, according to her words earlier, Yuuto is at the high peak of Heroes. However, even for a mere maid, she can easily imagine the difference between 908th to 7th.

「Ah. Don't mind it. I'm satisfied with my current ranking. Sorry, I made you worry」

「N-No. It is I who became too forward」

Sasha was surprised that Yuuto lowered his head to apologize.

It's been a month since she's employed in this house. Sasha doesn't have that relationship yet, there's still a wall on Yuuto and Asuka. Because they have employer and employee relationship, what's natural is natural. Aside from that, it seems Sasha minds the social status.

「…Mogumogu」

To erase the atmosphere earlier, Sasha stuffed the stew in her mouth, Yuuto groaned.

Even without looking very well, Sasha is quite a beautiful girl. It's similar to Asuka or Risty, looking back she has no impact, but her neat atmosphere and gentle expression would strike a man strongly.

(Above all,… It's big)

Glance, Yuuto looked down to Sasha's breasts. Asuka is also bit, but Sasha's size goes over it. It must be heavy, the two bulges are resting on the table.

(Her face is also cute)

He raised his glance, Yuuto looked at the black hair on Sasha's shoulder. Since I came in this world, beautiful black hair is rare. Seeing that, Yuuto liked Sasha's black hair as he feels somewhat nostalgic.

「Nn. …Hamu. Juuzu」

Seeing Sasha sips the stew hard, Yuuto made a grinning face involuntarily. The healthy lips that seems to be soft is being wet by the meal.

(…She's skillful)

Gulp, Sasha's throat sounded. Thinking that he shouldn't, recently, Yuuto is drowning from Sasha's mouth technique. Sasha invited him on the back alley of the town while shopping the other day.

Lightly shaking his head, he held out his desires. However, it's true that Sasha is cute. For Yuuto, he can't push aside such a girl.

(It was no good, me)

He sighed, but he's smiling. Living under one roof with two beautiful girls. He never considered this life back in Earth.

(Well, I'm glad I died)

He certainly laughed at it, Yuuto put the stew in his mouth.

◆ ◆ ◆

「Ha? Captain Risty?」

Several days later, Yuuto is walking towards the Trishulia castle, he turned back to Asuka.

「That's right. It seems that you will receive ascension test」

「Ascension test?」

Hearing some disturbing word, Yuuto frowned. Asuka also fiddled with the collar tag as she's troubled.

「Speaking about it, It's a request, a request. However, it's not from the guild but a direct request from the country. Among them, it's certain that their ranking will rise, that kind of call」

Yuuto nodded as he understood Asuka's explanation. In short, Risty's going to raise Yuuto's Hero ranking.

「If it's you, it would be easy to go two-digits. Talking about it while laughing. …You, did you do something to Captain Risty?」

Asuka's stare was filled with doubt, Yuuto laughed and scratched his cheek.

「Haha, what should I say. …We had a match」

Asuka's face jumped because of Yuuto's words.

「Ha, haaaaaa!? M-Match!? Haaaaaaaaaa!?」

「D-don't look so angry. It's said to be training. It was a good chance, so I…」

Yuuto showed a trully apologetic face, Asuka sighed from the bottom of her heart. Yuuto's actions always put her loss up until now, but this time she sank as she doesn't know it's significance.

「Y-you said that you hide your ability」

「That's true, however. If you hear what that person had said, it's convenient. The bias…」

To Yuuto's words, Asuka's ears trembled. Speaking of, Askuka looked at Yuuto's face mixed with anxiety and expectation.

「…D-did you win?」

Jiii, Asuka's eyes stared at Yuuto. Asuka swallowed air and her throat dried rapidly.

「I lost. She's dangerous. A monster」

Yuuto widen his arms and shook his head in response to Asuka's stare. Asuka's face

smiled refreshingly.

「T-that’s right. You lost. …I-I see. You. …Even you」

Asuka removed her glance while muttering. Asuka’s expression includes joy, anxiety, and faint regret.

Yuuto guessed that meaning of the complex expression and became silent.

「…was she strong?」

「Let’s see. She didn’t even pull out her sword」

To Yuuto’s words, Asuka’s expression froze. The two characters of『Scarlet Sky』in Asuka’s chest weighted differently.

Asuka stopped moving, then Yuuto muttered.

「Well, we’re both not serious. I only used one treasure tool」

「Ah, I-Is that so? Well, that’s true. Don’t surprise me」

Asuka stroked her chest in relief from Yuuto’s words. Yuuto stared at that face.,

It’s not Yuuto’s complete defeat. To make it simple, it wasn’t Yuuto’s defeat but the『16 Floating war maidens’』defeat.

However, it’s also the truth if you think about it. He thought that the spare treasure tool is enough. That’s why he lost splendidly. It’s indeed his defeat, Yuuto clenched his fist.

「Please be relieved. I’ll win next time」

Hearing some unusual warlike speech from Yuuto, Asuka turned around surprised.

「N-No. I mean, please don’t fight anymore」

To Asuka’s honest opinion, Yuuto put his hand on his chin.

However, Yuuto thought about the talk earlier.

(Captain Risty. …She’s an obstruction)

Asuka looked hardened as Yuuto is thinking by himself.

Chapter 13: The Tanned Hero dreams of the princess (3)

「Captain Risty?」

Sasha looked at Yuuto with a blank face as she stroke the penis.

Zuri Zuri, Stimulating his superb article, Yuuto begin to squeeze his voice.

「T-that's true. She's a bit noisy. Sorry, I always bitch about work」

Nucha nucha, Sasha rubs the penis wet with saliva. Sasha's white fingers move sinously, Yuuto bent his body from the stimulation.

「It doesn't matter. If I can help Yuuto-sama. See, Sasha's fingers feels good right?」

「Y-yeah. It feels good」

One hand gently wraps the bag, while the other hand is rubbing the penis. The stimulation that you'll never stop midway, Yuuto endured his voice.

「Yuuto-sama's penis, it's harder than usual. Did something happen with Asuka-sama?」

「Y-You're wro- Sasha's fingers are」

Yuuto shook his head to Sasha's inquiry. Though Yuuto returned a bit unkind, Sasha's whole face is smiling.

「Do you need my mouth?」

Yuuto's thing is filled with heat, Sasha called out to Yuuto. Yuuto nodded then Sasha 'aaan', opened her mouth.

「Aaamu. Nfu, fubu. Njupu」

Her mouth filled with saliva, Sasha put Yuuto in her mouth. It was *Gushu Gushu*1 and warm, the volume of Yuuto's penis increased.

「Nbu, nbuu!?」

Involuntarily discharging his semen, Sasha accepted it with love. Sucking out until the last drop, Sasha closed her mouth.

「Naaa. You released a lot today」

With the sound of her throat gulping, Yuuto watch as Sasha fix her breathing.

Yuuto shows no sign of embracing her, even though she feels lonely, Sasha liked that sort of Yuuto.

'Can I be of any help', she recalled Yuuto's story from earlier.

「Ah, that's right. I thought of a good thing」

「Eh? Good thing?」

To Sasha's sudden laugh, Yuuto inclined his head in wonder. The talk leaped out, he didn't understand what she's saying.

To that sort of Yuuto, Sasha's face brightened as she thought of a good idea.

「You should threaten her! Hold her weakness!」

'How about it?', looking at the smiling Sasha, Yuuto strongly swore in his mind to not make her angry.

◆ ◆ ◆

「Then, I have something else to do」

Saying that, Asuka disappeared in the interior of Trishulia's castle.

Yuuto watched the wall clock in the interior of the castle, there's still some several hours of free time before he meet up with Asuka.

Although Asuka has a business, Yuuto gazed at the fountain in the courtyard waiting for her to come faster. Though it's the royal castle, it's quite luxurious. If there's money, Yuuto looks at the scene before his eyes regardless of the era.

「Speaking of, Captain Risty is living in ths castle. I'm jelly. …No, conversely isn't this troublesome?」

Captain Risty is an imperial guard, it's a typical characteristic for those who escort the princess to have their own room in the castle. There are some who live in home, but It's heard that those people hardly ever come home.

(…Is this Captain Risty's room?)

Yuuto's head recalled Sasha's smiling face. Certainly, if I got hold of one of her weakness, her mouth shouldn't be able to let this and that out.

That strength of Risty. If I try to make her comply by force, it would be a bloodshed. Also, it's unlikely for her personality to be docile.

(For the time being, should we go upstairs?)

Thinking about difficult things for the time being, Yuuto aimed upstairs from Risty's room.

◆ ◆ ◆

「Fuu. I'm a bit tired today」

「Thank you for today, princess. There's nothing else scheduled for today. Are you going to rest?」

To Risty's words, the girl with beautiful silver hair put hand against the lip. 'Let's see, err', she thought for a while.

「I'll do that. Oh right. Risty, can you please remove the coat? It's rubbing to me a bit」

「Certainly. I'll make the maids wash it」

Troubled, the girl showed off her shoulder from the hem of her robe. There's a small dust that makes a grey dirt.

Risty was 'please leave this to me', and respectfully received the robe.

「I'll take a nap. I'll participate the dinner tonight」

「Understood. Please don't overstrain yourself too much. Please relax and take a rest」

'fuaaaa', the girl endured the yawn with teary eyes, Risty bowed. The girl waved at Risty and she left the top floor where the room is.

(That's…Captain Risty, and the princess? Isn't this lucky?)

During the conversation of the two, there's one person in the corridor.

(No. From the conversation earlier, should I look for the maid?)

It's none other than Yuuto. Yuuto peeped on Risty from the shadow of the wall.

(…Hey, what is Captain doing?)

She should've returned to the lower floor, Yuuto did take refugee, Risty looked around the area restlessly. 'This is bad', Yuuto hid his body on the wall.

「Anyone here?」

Just now, Risty's voice echoes. Then, Risty's footsteps approach Yuuto steadily.

(Shit!!)

Yuuto made a treasure tool appear in his right hand immediately. Then, he covered himself in hurry. Meanwhile, Risty's footsteps reached him.

「…There seems to be someone. Is it a guard?」

*Jiii*2 Risty narrowed her eyes and stared at the corner. She tilted her head, closed her eyes and searched for a presence.

「Fumu. It seems there's no one. Then good」

Risty looks back and returns to her original walk.

(D-dangerouuus. This person was somehow able to sense a presence)

Looking at Risty's back, Yuuto put his hand on his mouth even though he don't need it.

Earlier, the tip of Risty's nose touches Yuuto's face yet it didn't touch.

(I'm glad I made this treasure tool deliberately. Just a bit more and I would've been found out)

While feeling cold sweat, Yuuto grasped the pointy hat that's on the top of his head.

『Hidden clown《Hide and Seek》』

It cuts of the presence from the outside, among Yuuto's auxillary treasure tools this stuff is one of the best. Yuuto breathed out a small sigh as he desperately grasp it.

(It's not just sound or sight. Smell, it's the only remaining presence, with such a ambiguous stuff, I can still be found out)

This treasure tool erases not just the user but also it's influence, it's a first class stealth treasure tool. If this thing wasn't here he won't be able to fool her, Yuuto wiped off the cold sweat with his arms.

It's outrageous as ever. Thinking so, Yuuto stares at the back of the fourth as she walk.

However, there's one doubt inside Yuuto's head.

(…Wait. Why is she returning? That's captain Risty's own room. Setting aside the robe, does she have a business?)

Something makes him feel uneasy. Considering Risty's nature, postponing the princess' errand doesn't fit in. To that extent, it feels that she'd put it as first priority .

Yuuto's doubt deepens, Risty looked around restlessly then entered her own room to hide.

「There's something…」

Yuuto's eyes shine wickedly. He gripped the hat hard.

◆ ◆ ◆

「Ah, fuuu. P-princess. The scent of princess」

Yuuto can't believe his eyes when he entered Risty's room.

「Haan. Princess. I yearn for you. Nu, nn」

Risty is hugging the robe.

That spectacle was indescribable, Yuuto dumbfoundedly gazed at the spectacle.

「Ah, hot. She just took this off. …Haa, Princesss' warmth is on my skin」

Risty removed her armor and rubbed the robe against her exposed skin. Rubbing the robe on her groin forcefully, her waist moves little by little.

「Ah, afuu. P-princess. Princess. Like, I like you. I love you」

*Suu*3, inhaling the robe, Risty began to grope her own chest with an ecstatic expression.

(…Ha. Shit, I froze from the impact!)

Fuufuu, Risty's breathing is rough, Yuuto shook his head. He took his slim phone out of his pocket in panic.

It's one of the few personal belongings that he brought to this world, it's power is somehow managed by a lightning treasure tool. Because of the lack of plants, Yuuto recalls that calls aren't the only function of phones.

(Uwaa. It's even more erotic through the camera)

He started the camera app, Yuuto tapped the record button. The sound of recording starts, but that sound was erased by the『Hidden clown』.

The brown skin of Risty squirming restlessly appears clearly on the screen. Though she's not naked, her appearance has a lot more exposure as she's lightly dressed.

「N, chu. Y-You can't, princess. T-that place…」

Pressing the robe on her chest and groin, Risty raised her waist slightly. *Guitto*4, Risty's ass went up when it was poked.

Fluttering, Risty shakes her ass left and right as if seducing.

「Ahn, No good. You can't, princess. Risty will be broken」

Yuuto was shocked to the idea of Risty calling her own name. It's unthinkable that the blonde girl in front of him is the fourth in the hero ranking.

「Uu, Fuu. Princess」

She's not touching directly, but Risty's movement as she rub the robe desperately is a fan-like manner. Yuuto swallowed his saliva.

Though he doesn't like Risty, he's fond of her appearance. Seeing this kind of appearance, his throat rang

『Well, Risty is really a bad child』

Suddenly, an unfamiliar voice was heard and Yuuto's back shivered in surprise. He looked at the surroundings but there's no one but the two of them.

「I'm sorry, princess.『Fufu, it's fine, Risty. Look, spread your legs』Aah, you can't. You can't, princess」

That voice he heard was from Risty.

「Fuu, fuaa. Aaah.『Oh my, Risty. You're really a useless knight. For me to do this』Uu aah. I'm sorry」

Risty performs double role with a falsetto, Yuuto opened his mouth absentmindedly. While thrusting out her ass, Risty spread her legs.

Risty removed her underwear and extended her hand under the bed.

Seeing what she took out, Yuuto's eyes widened.

「Ah, Ah. Princess」

In Risty's hand is a ceramic dildo.

Of course, though it's the first time Yuuto saw it, he can imagine its use from it's shape.

Risty began to smear it with oil and cream that she took out with the dildo.

Then, she put the remaining oil in her ass.

「Eh?」

Yuuto let out a voice involuntarily. However, Risty certainly gropes a the part that's in front of Yuuto.

「M-My ass. Princess sees Risty's ass」

Risty expanded her anus with both her hands. Yuuto seeing it completely exposed in an angle, his chest was beating from surprise.

Her brown ass has a pink hole. It's twitching, and trembling wistfully as it touch the air.

(A-as expected, any further than this…)

He'll get killed. Thinking that, Yuuto tapped the stop button from the recording. Even if threatened, any further than this and Risty would suicide. No, it's already too late.

「Nn, aaaaah. I'm being violated. I'm being violated by the princess.」

Seeing that Risty finally began to put the dildo in her anus, Yuuto coughed thinking that he should stop soon.

「Fuu, ooo. Ah, Aaah. It's entering. Princess'」

Risty didn't stop, speaking of Yuuto still wears the『Hidden Clown』so he's not yet noticed.

He removed the『Hidden clown』from his head with his right hand.

「…!? Who's there!!?」

That moment. Risty sprang up and before Yuuto even noticed, she had her swords fixed on his neck.

An unexpected drawing speed. Yuuto thanked the defensive treasure tool in his neck.

Though it didn't hit his neck, there should've been a wound.

「…Hey, why you!??」

Confirming the face of the intruder, Risty opened her eyes wide in surprise.

It can't be helped that her movements are remarkable, Still, Yuuto showed an amazed face.

「E, err. You finally masturbated」

Risty pulled out her sword and Yuuto lowered his side saying ‘dangerous, dangerous’ Risty still stares at Yuuto with wide eyes.

「…For the time being, let’s talk?」

Yuuto smiles like always as he saw Risty’s face had despair floating in it.

There’s still some time before evening.

... ...

Hidden clown《Hide and Seek》

Presence Removal: SS Synthesis Rarity: S

Supplement: It’s a treasure tool that can completely remove your presence when put on. Not just visual transparency, smell, sound, magical and physical influence, and the influence from the outside world, it’s as if you’re put on a null level. It’s a masterpiece that Yuuto created, it’s second to Asuka’s scarlet sky in terms of quality. Why did he build it up? Why such a treasure tool was stocked? Only an adolescent boy knows.

Chapter 14: The Tanned Hero dreams of the princess (4)

「Y-You. Why are you in my room?」

Quivering, Risty pointed at Yuuto with her shaking finger. After that, Yuuto lowered his head.

「Well. It was amusing」

「——fu!? Y-You were watching!!?」

Risty's shoulders jumped to Yuuto's smiling face and words. 'Well, isn't it obvious that I was watching?', Yuuto smiled at Risty.

「Let's see. You sniffed the princess' robe from the moment you entered the room」

「——!!? Isn't that all?」

Risty's expression is anger? or shame? or both? Ayway, she's bright red.

「I won't ask how you entered. What's your purpose?…Surely you won't say it's assassination?」

Kachari, Risty put power and grabbed her sword. Yuuto knows. The moment he joked around and said 「Yes, that's right」his neck would be separated from his body. He wears the defensive treasure tool but it's his intuition.

However, even so, Yuuto stares at Risty's appearance. The sharpness of his eye is as expected, her lower half is completely naked, his cheeks loosened involuntarily.

「No way. If I'm going to do it, then I won't talk with you. Didn't I say it earlier? I want to talk」

Risty lowered her sword in response to Yuuto's voice. However, she doesn't relax either. Yuuto drank his saliva as the lower half of Risty turned to him.

Beautiful skin. Tanned. He's just looking but the smoothness is transmitted.

A very young body, but her muscles are tight. Seeing a small golden bush modestly attacked on the mound, Yuuto's heartbeat raced.

「What? A threat? I tell you, if you're an enemy of the royal family, I won't negotiate with…」

「Please give me Captain Risty」

Risty stopped glaring.

「…Eh?」

「I said. I want Captain Risty」

Yuuto smilingly laughed, the bloodthirsty face from Risty vanished.

「Ha, haa? Y-You, what are you」

「I'll threaten Captain Risty from now on. My demand is, Captain Risty. The royal family, nor the princess doesn't matter to me」

Jii, He looked at Risty's body again. Firm muscles. Healthy brown skin. And yet, you can feel the softness of a woman precisely. He had seen it earlier, in addition, she has a charming nature.

「I'll keep quiet about what you did a while ago but will you become my toy?」2

「T-To. Ha, haa!?」

To Yuuto's words, Risty raised her voice. Actually, Yuuto's heart is beating hard. Even though he's in such shape, it's the first time he confessed to a woman.

He somehow managed to smooth out his expression, it's probably because of his various experience these past months. Thanking Sasha, Yuuto strive to force his breathing.

「…Y-you. I-Think you should reconsider. What do you mean by that?」

Risty glanced below as if she's embarrassed. She can't guess Yuuto's real intention.

Yuuto's disturbed breathing and heart rate can be detected but Risty doesn't understand its implication.

「I meant just what I said. If Captain Risty listens, there would be a lot of fun」

Honestly, half of it is true. This way, there wont be unneeded mouths for Asuka and Me. Even for a bit, living in a pleasant life would be good for him.

Of course, it's not a lie that Risty's body is charming.

「Haha. Is that so? You're that kind of guy. What did Asuka…No, is Asuka different? Either way, you're a fool. If you want to say it, then spread rumors as you like. No one will listen to your senseless words」

Risty looked at Yuuto in a disgusted manner. 'Go on with that defiant attitude, no one would believe you anyway', she underestimated.

Certainly, no one would believe if he spoke the foolishness of Risty from a while ago. Even if Yuuto saw it, no one would believe it immediately.

Risty flung the dildo that was on her right hand on the wall. The ceramic dildo makes a noise and breaks, it's splinter is scattered.

He thought of it as dangerous, but not a single splinter flew his way.

「With this you don't have evidence. Would you prepare a copy? If they do a magical inspection they would know if I used it or not」

Risty showed a fearless smile filled with confidence. Certainly, thinking about the

popularity and quality, Yuuto won't get his hands on it.

「Is that so? Then, I'll let everyone hear it」

「Yeah, do as you like. Do your best to not get killed by my guards」

But that's only for someone who's not prepared.

To Risty that's grinning and laughing, Yuuto took out the slim phone from his pocket. 'What's that?', Risty knit her eyebrows, He tapped the replay button on the screen.

『P-princess』

Risty's lovely voice sounded in the room. Risty's eyes widened and her face dyed red.

「W-w-w-w-ha…M-My voice…」

Risty's ears tremble, the spectacle earlier was replayed.

「It's not just the voice. Look. Aah, your ass shakes too much」

「Gyaaaaaaaaaaaaa!!」

With her brown ass swingin, Risty's voice disappeared.

「What's that! S-stop it!!」

「Look. It's almost time for the Captain's performance」

「Eh?」

Yuuto raised the volume while grinning on the panicking Risty. Risty's voice grows louder and echoes in the room.

『I'm sorry princess. 『Fufu, It's fine, Risty. Hey, spread your legs』Aah, no good. You can't, princess』

The moment she heard her own falsetto, Risty's face goes pale. She forgot to steal the slim phone from Yuuto, she looks dumbfounded, it's the feeling of hearing her voice for the first time.

『Fu, fua. Aah. 『Oh my, Risty. You're really a useless knight. For me to do this』Uu aah. I'm sorry』

Hearing the imitation of the princess she loves and respect, Risty's devotion developed a crack. That's what she did, Risty's heart is getting dark.

「If I'm not mistaken, there's a rule for the knights of Trishulia Kingdom, right? I just had mine yesterday. Ah, there it is. Article 14. The Kingdoms Knights, should delude and imitate Royalty, it must be spoken. Ooh. It's beheading」

「——!? That's!!」

Risty's body trembled. Yuuto displayed the memo that Risty is knowledgeable of.

「It’s wrong? I see. But your imitation of the princess is true. Is that so?」

「U, Uu. Y-You’re wro. You’re wrong. …It’s not that」

Risty spoke in a feeble voice with teary eyes. Yuuto had his heat beating unintentionally to the unusual face of Risty.

‘It’s not needed anymore’, Yuuto pretend to take out from pocket and made one treasure tool appear.

A small knife, A treasure tool which Yuuto made a shinto setting deliberately.

『Space time Sword』3

Risty became vigilant as Yuuto took out a knife suddenly, saying that it’s alright, Yuuto traced air with his space time sword.

The point of the space time sword touched space, then *PeriPeri*, a sound of opening. Seeing that, Risty widened her eyes in surprise.

Then, Yuuto threw the phone on that gap. Risty raised a small voice, then the gap of the space time has closed up.

「I sent the evidence to a certain place. If something happens to me, I intend to spread it on the whole town」

Yuuto stares at Risty with a smile. Of course, it was a lie. He connected it to his desk at the workshop. If Yuuto dies, Risty’s secret would be hidden for eternity.

「Err. You said that I’m okay to tell anyone right?」

「——!? Y-You can’t!」

Risty firmly gripped Yuuto’s sleeve when he spoke. Yuuto’s mind was shaken by Risty’s cute voice.

「P-please. Don’t say anything. I-I’ll be hated by the princess」

Risty’s eyes looked sorrowful, fear was seen vividly in her. That’s the fear of betrayal and being found out by the person she loved the most above all.

「I’ll do anything. I’ll do anything so. J-just not the princess」

「…Anything?」

Yuuto reacts to Risty’s voice.

Risty nodded shyly.

Chapter 15: The Tanned Hero dreams of the princess (5)

「I-I put it on. You're good with this?」

Inside a poorly lighted room, Risty bashfully twisted her body.

「You can't. Please show it to me without concealing it with your hand」

Risty's body is shrinking as Yuuto smiles.

*Kaa*1, Risty's brown cheeck blushed, Yuuto seeing it feels hot too.

「…Y-You're the worst」

*Guu*2, Risty lowers her arm next to her body. Her chest was pushed out somehow.

A white piece of cloth looks attractive on the brown skin.

Risty's chest is covered with two triangles, her trembling lower half is hidden with a white reverse triangle.

(What's this equipment? …S-So embarrassing)

Even Risty gets embarrassed having her skin exposed. Yuuto's gaze caress the part of her skin that's usually not touched.

「It's Micro Bikini. It suits people with no breasts. Aren't you glad? Captain Risty?」

「Wha!!!?」

Risty's eyes opened wide due to Yuuto's words. Is she angry or embarrassed? Risty stopped herself.

「S-stupid! C-chest are just obstruction in battle so I'm okay!」

「Ah, okay. That's true. With this chippai3, you'll never get injured」

「Chi-chi-chi-chi-pai!?」

Kaa, Risty's cheeks reddened, then she hid her chest with her arm quickly. Having a mortifying face, Yuuto thought "Ooh, it came out"

「Getting conscious over your chest, aren't you cute? I thought of you more of a cold blooded murder machine」

「Y-You, just what do you think of me?…」

Risty looked at Yuuto in an amazed manner as Yuuto muttered. As for Yuuto, he sees her like a monster. He thought that she had already abandoned her mind as a human.

「…Well. It doesn't change that you're a woman in some ways」

「W-what did you say?」

Recalling her disgraceful behavior from a while ago, Risty swallowed her words. Then, Yuuto stood up and approached Risty.

「What? Y-You're going to rape me?」

Risty strengthened her vigilance, Yuuto says 'no way' and shook his head. If he does that, he can't complain if he got killed.

Also, it was said that he doesn't know what to do.

「Since Captain is cuter than I thought, I got a bit mean」

He said with a smile, Yuuto looked around Risty's room. Sure enough, he found some notable stuff.

Yuuto extends his hand and put it in front of Risty. Risty inclined her head as she doesn't understand it, Yuuto smiled gently.

「Captain Risty. Are you good at squatting?」

Risty had guessed out something from Yuuto's words, then sweat flowed.

◆ ◆ ◆

「Fu, uuu…」

*GishiGishi*4 Sounds of the floor creaking can be heard. Risty's voice was mixed in addition.

「Hey. It's just 17. Do your best.」

Yuuto keeps his presence of mind as much as possible on the spectacle in front of him.

「N, Fuu. Uu」

Holding her hands on the back of her head, Risty's legs widen as her waist moves up and down. Squat. Generally, it's not an unnatural training at all.

However, Risty moves her muscle with a tearful look. Having only the micro bikini on her, her emphasized chest can't be concealed at all. If you look under, you can see two bulge projecting out, Risty can see it herself.

「Uuuu」

However, the exposed skin doesn't matter anymore to Risty. Shameful things are shameful5, aside from that, Risty's mind is getting out of order. /

The Royal Family's Crest

Risty is widening her crotch on the engraved shield right now.

「T-This kind of thing. I'm.」

It’s the existence which she vows her loyalty. On top of it is herself moving her waist lewdly, Risty felt the perversion that she’s about to faint.

「Y-Yuuto. A-any more than this…」

*Gichi Gichi*6, Yuuto gaze at Risty’s lower half that digs when lowering7, he applied his hand on his chin.

「Would you like the princess’ portrait after all?」

「——!!? T-this is fine. Please let me do on the Royal Family’s crest」

Yuuto nods in satisfaction from Risty’s answer. He secretly makes a fool out of Risty somehow, but he can’t show it to Risty.

(Uuu, I’m. On the top of the royal family’s crest…)

Risty moves her waist in accordance to Yuuto’s silence. However, her breath was beginning to be gradually filled with heat.

(I’m being seen. …M-My skin is being shown to a man. It’s the first time)

Unintentionally, she gets conscious on her own body, Risty’s thought were blown away.

(Don’t think. M-My skin is just. …Nn. It doesn’t matter if it’s seen)

Fuu Fuu, her breathing becomes rough, Risty looked at Yuuto while adhering this to just exercise.

(He’s looking. A man is looking at my body. …Nn, Dammit)

Honestly, Risty was unable to read Yuuto’s real intention. He’s not a spy, not an assassin. He wants to bully Risty but not rape her. ‘What’s his purpose?’, Risty’s doubt grows stronger.

(Uwaaa. Ero. Brown is ero. …I threatened her because of the momentum, but what should I do? Any more than this and I would be killed. Uun, but, just a bit more)

For Yuuto who lives healthily, the current situation is beautiful enough for him to be satisfied, but Risty doesn’t know that. Yuuto did all his best to remove his smile.

「Ah, that’s right, Captain. The other day you said that you’re going to teach me what yoiu know? Please try saying it」

「Eh!? K-knowledge!?」

Risty’s expression is now filled with bewilderment. Yuuto’s request can’t be understood but, Risty was somehow able to understand that she’s being bullied.

(Knowledge8… I-In this figure?)

Risty glanced at the crest for a moment, then a chill runs through. She had a feeling that this would be something bad.

Chapter 16: Captain-sama loves ass (1)

「Hii, Hiu. T-trainee soldiers…practice loyalty to the royal family. This loyalty teaching continues」

Potari, something drips on the royal family crest. Risty's interior is shaken, it's reflected in her eyes.

Inside the room is Risty's pledge, then the obscene wet sound reverberating trough the room.

「Hinn, Nuu. …Trainee soldiers, that sword. Ooooooo, will be pulled out for the royal family and for the nation」

Zuriyuriyu, while making an audible sound, Risty's anus is being turned over.

『This, do you know what this is?』

When did he take it out? In Yuuto's hand is a flesh colored grotesque dildo.

Risty saw it for the first time, she can easily imagine what kind of use it has.

「How about it? It has an easy to use sucker attached to it. Does it feel good?」

「Shu-Silence. Ah, o, ooooo」

Bupori, Risty's anus makes a sound. Risty's cheeks blushed as she accumulates shame but the dildo applies lotion since a while ago, it brings terrible pleasure to Risty.

She can't do any further than this, Risty was able to make a big pulse.

Risty looks at Yuuto for an instant. She doesn't know what he's thinking, Risty herself became desperate and tried to feign calmness so she won't be seen through.

(I'm feeling numb. The hole in my ass, hot, it's feverish. …Uuu, this. I'm being seen)

Piku Piku, Risty's thighs twitch, Yuuto sends her a cold gaze. Of course, Risty doesn't notice the inner part.

「Iyaa. It's a nice view. The appearance of the princess' guard captain playing with her ass」

「Uu, Uuuu. Dammit」

Risty's face is burning with frustration. However, every time her body moves, every time she rubs, Risty's limbs baffle to the increasing heat in herself.

Whenever the mucous membrane of her is rolled up, Risty raises a panting voice. For the explanation, it's a treasure tool dildo Yuuto made, it doesn't have the aphrodisiac ability but the user would feel the best.

Even if you put it in and out violently, the mucous membrane will never be injured. The lotion is endlessly supplied, then the size is slightly thicker than the one she used so far.

Risty's body shiver in pleasure.

「N, Nuoooooo. Ooo, The Knight's body is. Ah, aaah. Must be, oooo, a-an example for the soldiers…Oooooo」

Finally, Risty's movement of her waist stopped. She can't move herself any further, Risty was able to endure the advance of the pleasure.

Yuuto looks at Risty's desperate expression, he grinned.

「As expected. Your loyalty is oozing out of your crotch」

「T-That's not iioooooooo!?」

Before Risty's glare reached him, Yuuto snapped his fingers.

That moment, the dildo inside Risty's anus began to rotate.

「Ooh!? S-sto-. What's this? Ah, Aaah. Noooo. Sto-Stop it. I-I'm being turned over」

Yuuto ignores Risty's voice then snaps his fingers again. The dildo's rotation speed increased, Risty's coquettish voice echoes unintentionally.

「Aaaaaaa. Don't, Sto-, Aah. Aaaaaaaaa」

Risty noticed it too. What a shameful voice she leaks. However, Risty can't do anything to the pleasure as it turns over her anus again and again.

That feeling was anticipated. When she comforts her body, she feels even more pleasure.

The strength of the pleasure easily surpasses her imagination. Risty finally shed tears to the stimulus at last.

「Noooooo. My ass. My ass. I-It's being turned over, ooo」

Risty threw herself to the pleasure, Yuuto keep watching with his heart throbbing.

◆ ◆ ◆

「How was it? You seem to feel good that you're panting」

His smiling face pierces Risty.

Yuuto doesn't break his smile, Risty looked down as she was embarrassed.

After all, Risty has it in as Yuuto is watching. Indecent, the revolving dildo is put in and out, *Eko Eko*, she moves her waist up and down.

「Uu, uuuu…」

Risty's face is warped in frustration. Risty's mouth falls down. She has to say something. Thinking that, Risty's vocal chords is shaken.

(I-I have to retort. I-I have to say something)

That time, Risty's inside made a sound. That's right, Risty obtains the excitement that cannot be obtained.

(So-me-thing…

Perori, Risty wet her lips with her tongue.

「…W-what about you? Are you fine with just watching? Even I feel bored just being seen」

After saying, Risty's mouth was taken aback. What is she saying? Risty returns her eyes to the crest. *Baku Baku*, Risty's heart wavered.

「That's not true. Captain Risty is beautiful. Your brown skin is erotic, just looking makes me happy」

「Na!?」

Risty's foot shake in surprise. Risty's face increased redness as due to Yuuto's unexpected words. She stared at Yuuto to see if he's playing around, Yuuto's smiles aimlessly.

「Now then, it was satisfactory. I'll go back」

「Eh?」

Yuuto stood up abruptly, Risty raised a voice. Yuuto turned back asking "what is it?", Risty answered back.

「N-No. I don't particularly care. That…」

Is this the end? Almost asking it herself, Risty's chest sway shockingly. Her body heats up, she feels lacking somewhere.

In truth, Risty loathed herself as it can't be helped. She began to weep and gulp down the humiliation, Risty spoke to Yuuto.

「Y-You. What do you want to do after all? You even entered my room」

「"What?" That's…」

Then, Yuuto remembers his original purpose. Speaking of that, he was fascinated at Risty's foolishness that he forgot his plan.

「That's right. I'm sorry but, could you not interfere with me and Asuka? Also, please cooperate with me in various ways」

「…Ha?」

Risty opened her mouth wide due to Yuuto's words.

「Y-Yo, Such a thing, you could've said it directly. Y-You don't have to threaten me」

Risty's voice is perplexed, Yuuto clapped his hand and said 'Now that you mention it' However, the atmosphere from a while ago was impossible if he didn't threaten Risty.

Yuuto thought for a while then turned back to Risty.

「Then, Captain, please be my underling」

「Fue!?」

Risty’s eyes opened wide and Yuuto speaks indifferently.

Somehow or another, a master-servant relationship was formed.

Chapter 17: Captain-sama loves ass (2)

「Eh? C-captain Risty!?」

While having leisure time after lunch, Asuka raised her voice as an unexpected visitor showed up.

「Asuka? Sorry, I'll be bothering you」

Seeing the light dressed Risty, Asuka shook her head outrageously.

Risty entered the mansion, 'What's going on', Risty's pulse is getting faster.

The Risty she yearned for. That's good, but Risty is Asuka's direct boss right now. Asuka recalls her recent work as she might have blundered.

「Uhm, is there something about me…」

「Ah, no. I don't have business with you today. Is Yuuto here?」

Hearing those words, Asuka's eyes widened. With the sound of her blood draining from her face, Asuka shouted unconsciously.

「T-That guy, did he do something!?」

「Eh, No. Well, if you say he knows something then he do」

Asuka lowered her head due to Risty's reply. Her body fell on the ground and she prostrated in front of Risty.

「H-He's not a bad guy! H-His ability is actually more! I-I beg of you! Please!」

Risty's opened her eyes wide due to Asuka's apology. "What's up with that?", Risty scratched her cheek, she told Asuka that it's okay and extended her hand.

「It's not that I'll be punishing him, It's not that kind of story. I just intend to lecture him」

「Eh? Lecture?」

Asuka looked up to Risty's gentle words.

◆ ◆ ◆

『You hear!? It's rare for captain Risty to be gentle. Do it utmost!』

That was Asuka's reprimand minutes ago. Yuuto is looking at Risty with cold eyes inside his workshop.

「…J-Just what kind of lecture it is?」

In front of him is Risty looking down in embarrassment.

She wants to say something but she's too embarrassed to say. That kind of

atmosphere.

As a matter of fact, Why did Risty come for Yuuto? It was guessed.

『I'll leave this dildo to you. I don't mind so you can use it freely』

He left Risty's room five days ago after saying that. It should be soon, he thought.

「…It's still the second day?」

「———!?」

Yuuto imitate a voice in disgust, then Risty's shoulder trembled. Ryisty's face dyed in shame, Yuuto urged ahead.

「What's your real purpose for coming? Please say it」

I won't do something if you can't, Yuuto watches Risty.

Feeling that she can't deceive him, Risty readied herself and spoke.

「T-The dildo, that. D-disappeared…」

*Puru Puru*2, Risty spoke in shame. Yuuto raised an amazed voice due to her confession.

「Ah, that. It disappears after using it for three days. So, you can't endure it anymore?」

「Fuee!? U, Uuu…」

That's a lie. Actually, there's a time limit for an instant treasure tool to exist, it takes time and trouble to make those that exists permanently.

Of course, he doesn't have the idea that the dildo would last for three days. It should naturally vanish now.

In short, though Risty endured to the second day, it's impossible for her to do it until she receives a new dildo.

「Captain liked it more than I thought」

「Uu. Don't say it」

Kaa, Risty faced down. Risty has a solid pride. It troubles her very much. However, the result can be seen.

「Let's see. I can give you a new one, but. …But, it's not for free」

To that charming situation, Yuuto loosened his mouth. 'I can't I can't', he closed his lips, Yuuto spoke to the frightened Risty.

◆ ◆ ◆

「T-This, on m-my ass…」

Pakaa, the brown meat was divided in front of her eyes.

A beautiful pink color is in it's center, Yuuto's pulse is getting faster in excitement.

「E, ee. It's beautiful. It's twitching」

「——!? D-don't say it, baka」

Risty right now is pushing out her ass on top of the workshop's desk, her anus is being displayed to Yuuto.

In the strange situation, it's not just Yuuto, Risty's heartbeat is also getting fast.

(Ah, aah. It's being seen. T-the hole in my ass. It's being seen by my subordinate)

Just like what Yuuto said earlier, Risty's anus is greedily opening and closing. Risty herself can feel it, her concentration is at the anus exposed in the air.

「You played here every night?」

「—!? T-that's right」

His condition for the new dildo is just one. Answer all of Yuuto's questions and hear what he has to say. Of course, if she don't like it it's not needed. In that case, the dildo has to wait, it's absolutely necessary for her.

「Please tell me in what manner you played with it」

「W-what manner!?」

Risty's back jumped due to Yuuto's question. However, it's no good if she doesn't do it, so she put strength to her finger.

「A-after you come home, for a long time. That day, until morning」

Gui, Risty expands her anus. Satisfying Yuuto as soon as possible, Risty let of her own shame and chose the most obscene words with all her might.

「'Zu, zupo zupo', My hips…I-I fiddled my anus desperately. Since the next day was an off duty. T-throughout the day」

「Eh, Eeeh. Was that so good?」

Risty seems to break in tears, Yuuto's crotch is also swelling. It's a natural phenomenon, Risty's turning on the other side so it's not yet found out.

「I-it was good. It's better to use. In the end, I forgot to eat a meal, I was crazy picking my anus」

Kupari, Risty widened her anus with her finger. Risty's anus expanded much more than Yuuto expected, it's making an obscene sound.

「What happened after it disappeared?」

Risty's heart jumped due to Yuuto's question. `If i don't say it', Risty pushed out her ass

further as her her heart beats louder.

「L-Like this」

Guchari, Risty's anus swallowed her brown finger.

「My finger. I have no choice but to do it with my finger. It's not enough, L-like this. All of it」

Four. All of the fingers except her thumb is inside her anus, Risty's anus sounded hopelessly in shame.

「With my finger, Ah. Expanding it. N, Oh, Like this. I expand it like this」

Gupo Gupo, Risty's anus is being transformed by the movement of her finger.

Just like as Risty said, her anus is expanded, each finger expands it firmly.

Something gradually spreads to Yuuto.

「I-It's already strange. Y-You, handing such a thing. My, My anus becomes strange」

Zupo Zupo, Risty unaware of it, began to put her finger and and out wholeheartedly While the four fingers winded. *zupyu zupyu* she's showing her anus to Yuuto.

The fourth rank in Hero ranking. Risty of『Dual Sovereignty』The female hero everyone yearns for, is thrusting her ass on top of the desk and digging her own anus.

Showing the skin that shouldn't be shown to anyone, Risty freely exhibits the pink colored inside.

「Ooo, Nfuu. Look at it. It's strange. I'm no good already. It's no good if this continues. I have to *zupozupo* it」

She shakes her ass in front of Yuuto. Risty opened the inner part of her ass as if begging to Yuuto.

「Please. Give me a dildo. Oh, Ooo. You know it right? Just with a finger for two days. It's hot, my anus is aching, Ooooooooo」

Risty's petitioning too much, Yuuto gulped down his throat.

Then, a strange emotion began to flow out from Yuuto's mind.

「I-It can't be helped. Very well. …There's a compensation though」

Risty has no way of finding Yuuto's grinning face.

Chapter 18: Captain-sama loves ass (3)

「D-don’t look so much」

Turning away her dark skin, it can be understood with a glance that RIsty blushed.

Two modest swell. Two point stands from the coffee milk like skin of Risty. A beautiful pink color stands there.

Yuuto’s breath was taken away by that beautiful skin. He saw this skin the last time, but she was wearing a micro bikini, it was the first time he saw it completely nude.

「I-I have to lick it?」

The fourth placer in hero ranking is nude and kneeling between my legs. Furthermore, ahead her lovely face is the manly curved penis standing up.

It’s impossible not to get aroused.

「Yes. Please」

「N-No. But…」

Honestly, Yuuto is a bit embarrassed. However, above that, Risty stares at Yuuto’s superb article while throbbing.

Yuuto questions the hesitating awkward Risty.

「Huh? C-Could it be that Captain Risty is a virgin?」

To that question, Risty’s face turned red.

「W-what about it!? S-sorry that I’m late!」

Mortified, she diverted her eyes. It seems that it’s her first time seeing it, Yuuto worried in his mind.

The circumstances are different from Sasha who willingly did it. As expected it’s hard to wind up for the first time, Yuuto put his hand on the trousers.

「I-I’m sorry for that. I’m good already. I’ll give you the dildo already」

「W-wait!」

However, that hand was held by Risty. Seeing, Risty’s red face is looking down while shaking.

Risty continued to wring it out.

「T-that.1 That.2 …A-accepting it freely is a bit. Is it no good? that…」

Risty, unable to make herself clear squirms, Yuuto somehow able to guess. Though he apologizes as he was wrong, Risty spoke to Yuuto.

「Could it be that Captain is curious?」

「——!?」

Bikuri, Risty's shoulder trembled. Risty made a small nod, Yuuto opened his mouth taken by surprise.

◆ ◆ ◆

「I-I should just lick it right?」

Saying that, Risty watches Yuuto's penis with a feverish expression. Taking a hard look, Yuuto somehow bleached his embarrassed thought.

「It's really your first time isn't it? It's somewhat cute」

「C-cute!?…I-It can't be helped! A woman like me is impossible to have a relationship with a man」

Yuuto looked puzzled on the Risty who turned her eyes down in shyness. Risty should be popular. Her chest is certainly small but her appearance itself can take your breath away.

(In short, she's unreachable)

The man must also be a hero to be a good match to Risty, but in this world, there isn't much men who's above Risty. There are some Heroes, but there's no one who would call out Risty not knowing his position.

Thanks to the system, Risty doesn't notice her own charm.

「But, Captain Risty is a lesbian isn't she?」

「T-that was. The princess is special, or something like that. I-It's not like I prefer woman in particular」

With one question after another, Risty moves her expression bashfully. It seems that Risty has an ordinary sexual desire3, Yuuto stroke his chest in relief.

「…Rero S-soemthing like this?」

「Yeah, that was good. Your tongue is small and cute」

I pat the head of Risty who's licking it. Really, it's thanks to Sasha. l If it was his first, there's a possibility that he would cum right now.

It doesn't matter if it was good or unskillful, light comes to Risty's relieved face as she was praised. Then, she blushed as she's not used to being praised.

「I-I'm sorry for being small」

「No. It's cute. It's soft and pleasant」

'there there', Yuuto smiles, Risty can't answer back. But, she didn't think it was bad so she closed her mouth again.

「Nn. Rero. I-if it feels good then I'm glad」

ChiroChiro, Risty moves around her tongue. 'For the time being, let's lick all of it', she thought, Risty moved her tongue from top to the bottom.

Did she get excited? Risty's pink nipples are erect. The two points are standing up tightly, Yuuto gently felt it with his fingertip.

「N, Ah. Stop. It's embarrassing…」

「That's too late. It's already this erect」

Yuuto twist the two points as gentle as possible. Risty raised her voice unable to endure it, she looked upward to Yuuto.

「Nuu. T-that place. I'm weak there」

「Haha. Captain Risty, you're not just weak on your ass but also on your nipples? What a slutty body you have」

Saying it sadistically, Risty's ear reddened. Having no experience with men only plays with herself, it seems that it's quite embarrassing. Risty's face seems to begin to weep, Yuuto's mind was affected.

「Asking a subordinate to play with her anus. You're really a hopeless imperial guard captain」

「T-that's. My weakness against you…」

When she started speaking, Risty realized how irrelevant it is. It's true that she has submitted to the threats, but today's request was the will of Risty herself.

Knowing that she can't turn back anymore, Risty gulped her throat.

Her outside looks like a beautiful girl but she's already 27 years old. Risty is completely too late for marriage in this world, the current situation is swaying the degree of excitement in her head.

A subordinate which is 10 years younger than her, she's naked, sat down and licked his penis.

She's worshiped as a hero, respected, and is now intimate with her subordinate. In exchange, it has established various things. Of course, one of those is experience with men.

She indecently kneels on the floor and flirting with a man. The fact shook Risty as she had forgotten it.

「Yuuto, certainly, you, you were 17 years old right?」

「Ah, yes. What about it?」

Yuuto's face looked puzzled. Risty was troubled for a moment, however her mouth opened as she had decided.

「I-I’m 27 this year」

Hearing that word, Yuuto opened his eyes wide in surprise. Though she’s somewhat older, no matter how you look at it, Risty doesn’t look like in twenties. Assuming that, Yuuto thought that she’s on the first half of twenties.

「Eh? That’s weird right? For me to have such age./ I-if Yuuto doesn’t like it…」

「It’s not strange」

Risty’s movement stopped from the indifferent voice When she looked up, Yuuto’s amazed face was there.

「Captain Risty, you’re a beauty. You’re cute. Also, brown is naughty, I’m happy」

He said those words casually. But, that’s his true feelings.

For Yuuto who’s born and raised in Japan, 27 year olds are elder sisters. If you are so inclined, Yuuto’s first love is an office lady onee-san in the neighborhood.

Seeing Yuuto’s smile, Risty felt her heart jumped.

「U, Uuu, saying that you’re glad. A-are you sane!?」

「I’m sane. What would I get if I lie? Also, look」

Yuuto show’s his other self on the panicking Risty.

「Captain Risty is too erotic and cute, it became like this」

Saying that, Risty’s glance returned to Yuuto’s penis. Then, she looked down bashfully. However, her cheeks loosened a little.

Chapter 19: Captain-sama loves ass (4)

「Look, Captain. Face the camera properly」

The sound of the video app echoed in the workshop, Risty's body leaped.

Confirming that the brown skin is reflected on the screen, Yuuto's chest jumped.

「Y-You took it already?」

What's there is Risty's body that trembles while standing.

「Yes. I took it. Pleas do it just like I said a while ago」

Niko, Yuuto smiled at Risty. To that smile, Risty's breathing became rough.

She's going to be broken right now, Risty understood that. However, thinking about it, Risty is stuck with a hopeless arousal.

「It's the captain of the kingdom's imperial knights, R-risty Owen」

The moment she said her name, Risty's legs trembled. Risty's feet is calm even though she's surrounded by a hundred demons, it's now trembling like a newborn fawn.

「It's nice, Captain. It's cute. Look, why don't you say why you're nude」

Her nipples are standing. Her lower bush isn't covered. Risty shows everything on the lens.

Haa haa, while seizing her rough breath, Risty bends her leg just like Yuuto said.

「R-right now, master is going t-to violate my anus. I begged for it. T-this is uhm, the fourth in the hero ranking's a-anus anuspussy」

Saying that, Risty turned around. Just like that, she push out her ass and widened it with both her hands.

Kupaa, Risty's anus reflected on the screen.

(Ah, aa. It's being taken. My ass. It opens so much. My own subordinate. I even said my name)

Risty's head is already in light panic. However, with the helpless pulse moving, the unknown excitement rules over Risty's body.

「I masturbated too much that it became so sloppy. L-Look. How's it? It opens so much」

Furi Furi, shaking her ass, Risty began to insert a finger on her anus.

Yuuto doesn't talk, he urged Risty to continue.

Guchi Guchi, a lewd sound echoed, Risty began to pant in front of the camera.

「N, fuu. L-Like this, my finger, every night. I pick it every night. Ooooooo」

Putting in and out her four fingers in her anus, Risty's body is shaking and she's bandy legged. Her appearance with love nectar dripping, she's no longer the fourth of the hero ranking anymore.

「If you ask properly, a penis will be inside it」

Yuuto grinned widely. To that signal, Risty swallowed her saliva.

After a moment of silence, Risty opens her mouth as if saying something.

「T-Trishulia's royal knight, the imperial guard captain, Risty Owen. T-the hero ranking fourth's virgin anus. P-please take it」

She expands her anus with both her hands, it's twitching in expectation, wishing for an unknown pleasure.

◆ ◆ ◆

An outrageous pleasure attacked her.

「O, Ooo. I-It's entering…」

Rubbing the mucous membrane of her anus, another person's existence is entering her body.

It's different from a dildo. It's pulsing blood. With a hot body temperature, that's the symbol of a man.

「It's entering. A man's, inside me」

The dildo has a stronger stimulation. But, feeling the skin of Yuuto from her back, his sigh can be felt in her ears, it's a strange existence unknown to her.

「I'm going to move」

「Eh? Wa-waitooooooo」

Zuriyuri, Yuuto's penis is pulled out.

「Oh, oh, oguooooo」

Unable to endure, her voice leaked out. *kusuri*, Yuuto can be heard laughing, she became desperate and suppressed her voice.

「N, Fuu. Oho, no」

But, she can't bear it. A short lovely voice was leaked from the edge of her mouth.

Despite that, it's her first time. Thinking that, for some unknown reason, tears had come out.

「W-what's wrong? Did it hurt?」

「It's not, that's not it. Continue. I'm, fine」

Surprised, Yuuto said in panic. She hadn't shed tears in front of other people for just how many years already.

'I'm too glad to pile up skin with a man that I cried', she'll never say that.

It's cool!

I'm yearning for you!

As expected, I'm no match against Captain.

Even a man can't win against her?

「Fugu, fugu」

Why am I crying? Threatened, violated. It should be disgrace and nothing else.

「Y-Yuuto」

「What?」

Biku Biku, Yuuto answered with his penis throbbing. The voice seems to be in pain. 'What's wrong?', she got a bit worried.

「I. My body. Does it feel good?」

Scary. She's scared to hear it. But, she has to hear it. She feels that nobody would answer that for her whole life.

Yuuto's hand turn ahead. Yuuto's lips touched my ears a little.

「It feels good. Captain Risty's ass. It's terrific. With such a cute person like Captain, for me to do this things. It's like a dream」

Kyuu, her nipples is pinched. Hearing the words and the stimulation, I raised a lewd voice.

「Nhaa. Ah, Ah, I-Is that true? Aaah」

I'm glad. The inside of my body trembles.

A man younger than me, my own subordinate. There must be a girl he likes. That sort of man, accepted a secret I can't tell anyone, and put it in.

Shameful, regretful, it was set aside.

That's why, from my back. When I noticed, I no longer know what the hole is for.

「Nevertheless, it's an erotic anus. Do you turn it over by yourself?」

「Uu, don't say it. Because, because」

After subjugating a demon, after meeting the princess, when I get aroused, I comfort myself alone.

Thee years had past, it turned to a lewd that I can’t show it to a man, still, I didn’t stop using it.

「Aaah, please use it. My anus, please do as you will so」

I shake my waist. I shouldn’t be the only one feeling good. He has to like it too.

「Uu. C-captain. It’s going to come out if you do that much」

「L-let it out. ooooooo. Inside my anus, release as much as you like」

Yuuto’s limit is close. I, I’m going to make him cum.

It’s a bit regrettable that I won’t become pregnant, but that’s fine. It’s possible to let it out without reserve.

「Captain Risty, you’re really cute」

「Noo, oooo. Zuri Zuri Suru. My anus is hot」

I was patted. My head. Unbelievable. He said that I’m cute.

「I’m sorry. I’m about to」

「A, afu. Y-You can let it out. Lots. Release lots」

Yuuto swells up inside. It was for the first time, but it was expected.

「Uu. C-captain. Cumming」

「Hyaa! Ah, no way. It’s coming out. O, Ooooo. It’s flowing」

Byuru Byuru, the man’s semen is flowing in my anus.

The moment I understood it, something in my head broke.

「Oh, Noo. Cummiiiiiiiiiiig」

My voice leaked out. It’s been the first time I felt so ho , I raised a shameful voice as I climax.

◆ ◆ ◆

「How was it?」

Embarrassed, Yuuto scratched his cheek.

Actually, I’m so glad that I want to make a guts pose1. At any rate, even though it’s anal, it’s his first sexual interaction in his life. A different sense of accomplishment warms up Yuuto’s chest.

「…I-I’m glad」

However, he can’t loosen his face here. Risty’s face bashfully dyed red as she looked down, Yuuto’s pulse sounded.

Yuuto is realizing Risty's ability by touching her skin. 2 It's unimaginable for that Risty to be that lovable, Yuuto stared at the ground asking what happened.

「Yuuto, uhm. You like Asuka right?」

Suddenly, Risty's mouth opened. Yuuto turned to Risty in surprise to her words.

「Err, Let's see」

「You don't need to deceive me. I know just by looking. When you did it with me, you're thinking of Asuka right?」

Risty asked indifferently, Yuuto gulped down his throat. Certainly, he was thinking of Risty, but midway, a face of a girl flutter in his heart.

It might be an impolite action to do but, Yuuto bowed his head to Risty. However, that action was stopped by Risty's smile.

「It's fine. Don't apologize. I was glad. …I was really glad」

Gyuu, The nude Risty clings to Yuuto. Yuuto unable to follow the development moved his mouth *Paku Paku*3 He did nothing but threaten and violate Risty.

「Captain Risty?」

Looking down, he saw Risty's face buried in his chest. Her smoth blonde hair pleasantly tickles.

「…I'm Yuuto's property, aren't I?」

Risty muttered to herself. Certainly, I think I said such a thing.

Risty looked up and looked at Yuuto with moistened eyes. That adorable look, Yuuto was unable to hide his heartbeat.

「I'm okay being spare from Asuka. I want a love time with Yuuto. My body, please use it as you like. I-I don't mind being your toy」

Risty saying that, she surrenders to Yuuto while suppressing her rough breath.

Yuuto's thought can't catch up to her sudden proposal. Why did this happen? He doesn't understand.

'For the time being, let's pat her', Yuuto puts his palm on Risty's head. She closed her eyes gladly, Risty embraced Yuuto with a figure of her birth.

Chapter 20: Captain-sama loves ass (5)

「Let's move there, Asuka-sama!」

Yuuto's voice sounds in the deep forest. While the『16 Floating war maidens』weave it's way between trees, they're chasing a huge shadow jumping out from the dense forest.

「Leave it to me!」

At the same time the shadow jumped out, Asuka showed up from the shade in the mountain. The huge shadow was struck by surprise, he stood the thorns on his back to defend his body.

Hedgehog1 That said, it's too big.

I guess it's around 20 meters. It's already rivalling the size of an office building, its huge round body tramples the trees around.

It's like a needle dumpling. However, the size is abnormal. The villagers were smashed to pieces when it rolled it's body, it protects it body with needles harder than iron.

It's an A rank subjugation quest Normally, it would take two digits of heroes to subjutate it.

「Deeeeeeeeeeeeeeei!!」

With her invincible armor, Asuka bisected it with a flash.

◆ ◆ ◆

「Iyaa. As expected. Even my『16 Floating war maidens』was useless」

In the village, Yuuto moved his mouth while biting the flesh.

After enlisting to the Kingdom's Knights, they are forbidden to accept reward from subjugation for the nation. They don't mind accepting meat and bones, Yuuto and Asuka walks their way home with meat on one of their hand.

「You're right. There's even some resistance against my scarlet sword」

With her emotions boiling, Asuka recalls the feeling earlier as she open her palm.

It should've had a feedback like cutting tofu with kitchen knife. Asuka's scarlet sword felt some mass. It had a resistance suitable for a stubborn person.

「Is his defensive power at S rank? My 16 floating war maidens can't even cut the needles. Surely, I aimed at the stomach, huh?」

Yuuto turned back to the forest in curiosity. He can't help but think that this place is being frequented by strong monsters recently. They're proud on their demon race defense there, but it can't be seen much.

Thinking that it's not necessary to make a treasure tool, Yuuto's eyebrows frowned to the center. However, Right now, Asuka uses Yuuto's scarlet sword freely but she has no

ability.

For some reason, he thought that making a treasure tool for Asuka might be nice. The Scarlet Sky arms suits Asuka well, it's his first work, but it is Yuuto's best masterpiece.

'Why?', Yuuto didn't understand the meaning and tilted his head

「By the way, recently you've been awfully enthusiastic aren't you? What happened?」

Yuuto looked pondering, this time, it's Asuka that has a mysterious look. Anyway the request this time is a direct request from the royal family, at any rate, Yuuto took the duty energetically.

The 908th place in the hero ranking rose up to 802th. With the reward points from this subjugation quest he would enter the 700th.

Although the duty was troublesome, Asuka's gaze looks at Yuuto as she's asking what kind of change of mind he had. Yuuto says it's nothing while biting the meat.

「Yeah. Since Captain Risty told me to raise my Hero rank. Also, I want to test my treasure tools in actual combat」

The day after the first Anal intercourse with Risty, Yuuto went to the castle almost everyday an took various lessons from Risty.

Battle was obvious, history of this world and knowledge about magic, on top of that, methods to evade the tax and good restaurants in the capital, each and everything was taught by Risty kindly.

Naturally, Risty's anus is also satisfied, but Yuuto's felt something filling him more than lust.

At least, he turned to an adult who minds himself for the first time.

「Captain Risty is a nice person.2 She taught me various things. She treated me with sake the other day. In fact, that was my first time drinking Sake」

「Eh, eeeh. Is that so?」

Asuka is surprised on the inside as Yuuto laughed cheerfully. Trying not to let Yuuto notice, Asuka let out a dry answer.

「They praise me on my knowledge on math and physics. Iyaa, it was the first time that I thought that I'm glad that I studied at school. Ah, Captain Risty too is the type of hero that began at school…」

Surprised that Yuuto is getting talkatice, Asuka was puzzled on the smile of Yuuto she had never seen before. However, the smiling Yuuto didn't tell everything, the words had no content.

◆ ◆ ◆

In the room of Asuka's mansion, a deep breathing can be heard. Breathing in slowly, Asuka watched the object in front of her.

A handmade sandbag. Looking unrefined and clumsy, it is Asuka's favorite training apparatus. Aiming in the center of the sandbag, Asuka thrust out her fist to her limits.

「Yuuto no Ahooooooooooo!」3

Dozun, A heavy blow landed on the waist of the sandbag slowly. On the impact, the sandbag was lifted softly. Before it falls, Asuka continued with a high kick.

「Aho Yuutooooooooooooo!!!」

Her sentiment sounded with the blow, the metal fillings installed on the ceiling made a noise and fell. Asuka looked at the sandbag flying while the chain shakes as she breaths roughly.

With her body shaking, Asuka lifted the sandbag with one hand.

「W-w-w-w-w-w-what's with him saying『Captain RIsty, Captain Risty』! I know that much even if you don't say it」

Bosu Bosu, hitting the sandbag with her left fist, Asuka recalls Yuuto's face from the other day. Gripping her fist tighter, she surrendered herself to the impulse she doesn't know as every time her fist sinks on the sandbag.

「Weren't, you, keeping, on, saying Asuka-sama, Asuka-samaaaaaaaaa!!」

'What was that!?', Asuka made a huge backswing. Seeing that her fist had finally penetrated through the sandbag, Asuka sighted deeply.

「…Baka Yuuto」

Muttering to herself, she soaked on the sand spread on the floor.

◆ ◆ ◆

「Fuu. It was fun today too」

After eating supper on the capital with Risty, Yuuto opened the door to the mansion while rubbing his abdomen.

Since he came in this world, Yuuto was sick of the low level of meals, but that's trivial. If you accept the payment for the heroes, there are good meals overflowing in the capital.

Though Sasha's cooking is good, it's good but it is domestically delicious and simple. As expected, the food in the high society is good, Yuuto licks his lips as he recall the steak he ate several hours ago.

「Captain Risty has a business tomorrow. That's disappointing」

When they parted, Risty apologized to him. There's a diplomatic matter with the princess, apparently, she has to accompany her. There's no need to apologize, Yuuto raised his right hand to hide his loneliness.

Well, in the end, we did it once after that.

Remembering how Risty move her waist lewdly, Yuuto's groin swelled. They completely got attached to each other, they do it everyday for the past several days.

At any rate, it's a strange relationship and Yuuto is laughing as he walks in the hallway of the mansion.

「…N? It's awfully quiet」

Suddenly, Yuuto's feet stopped. It it's the usual, he should be hearing Asuka and Sasha's voice in the living room. If not, then the shouts of Asuka's training and the sound of Sasha cleaning.

'What's wrong?', Yuuto put his face in the living room. Seeing that there's no one in the living room, Yuuto tilted his head.

He started looking around the rooms restlessly, Yuuto noticed a certain note. He took it and Read the letter.

We went to eat a meal.

One line. If he just looked at the note, it's just an ordinary message, however Yuuto profusely sweat on the powerful note.

She's angry. This writing is Asuka's. Asuka is very angry.

Realizing that fact, Yuuto grasp the note while wiping his sweat flowing profusely.

He expand his arms and looked at it over again. He doesn't see a fault. Seeing the note, Asuka's will「She's angry」was understood.

「W-why…?」

For Yuuto, he can't analyze entirely why Asuka is angry. It's unforeseen for Yuuto that she doesn't like Yuuto and Risty getting along well. In fact, Asuka herself can't grasp her own feelings.

「I, did I do something to Asuka?」

He didn't arrive to an answer, surely he didn't arrive at the answer of「Because I did nothing」Unable to understand, Yuuto fires a question mark.

By the way, Sasha might be angry as he doesn't eat her dinner that much, but Yuuuto doesn't also notice that.

17 years old. Yuuto is still inexperienced.

◆ ◆ ◆

Yuuto got tired from thinking and slept before he noticed, a rustling reached his ears. With the help of the small sound of the creaking on the floor, he opened his eyes from slumber.

「…Eh?」

Yuuto uttered a small cry after he opened his eyes slowly.

「Asuka-sama?」

He raised his body unintentionally, in front of him is a girl with a red hair looking straight to his face. Although she's glaring, Asuka's expression seems bashful, Yuuto's heartbeat sounded.

「You see, can we sleep together?」4

For a moment, he thought he heard by mistake, Yuuto widened his eyes and looked at Asuka. Hoever, Asuka drops her glance, Yuto opened his mouth.

「What? Showing an unusual face. …I'm going in」

Yuuto instinctively vacated the space as Asuka put her foot on the bed while turning over the sheets. Yuuto with his back to the wall, Asuka turned her back and lay down.

Chapter 21: The red haired girl (1)

「A-Asuka-sama…?」

Yuuto raised his voice on the back in front of him.

However, the voice melts in the room as there's no reply. *Pikuri*, Asuka doesn't move, Yuuto approached her with a confused head.

That time. *Tokun*, Asuka's pulse reached Yuuto's ears.

「…!」

Listening carefully, he heard Asuka with a slight short in breath from her back. Then, Asuka's heartbeat mixed with it shakes his eardrum.

Is it from shame? Is she nervous? It's not understood. Yuuuto understands the meaning of Asuka's actions just for a bit.

(Eh?)

However, his doubt spread at that moment. 'That can't be true', Yuuto persuaded himself.

Yuuto stopped his movement, Asuka closed her lip. Then, she made up her mind.

「Say, Yuuto. …What do you think of me?」

「Eh?」

Hearing the words spill out, Yuuto unconsciously raised a stupid cry. Because, those were some unexpected words. Without knowing the intention of the question, Yuuto answered.

「W-what you say. Asuka-sama, is Asuka」

There's no way he can show the inner part of his mind. Yuuto answered Asuka in his usual tone. To that answer, Asuka twitched slightly.

「…Is that so? That's right. I'm your master right」

Asuka muttered softly as she grasp the sheets hard. Yuuto didn't know what to return to that mutter.

Asuka tossed and turned to the flustered Yuuto. Immediately, Asuka's burning eyes captures Yuuto.

Her beautiful face is the same as always, Yuuto turn back a few centimeters on the wall.

「You're doing echhi with Sasha don't you?」

「Eh?」

Yuuto voice falsetto's to Asuka's question. When he looked at it, Asuka's eyes are

piercing him. Seeing that eye just now, Yuuto moved his mouth understanding Asuka's conviction.

「Err, that. …Did you ask Sasha?」

「This idiot」

The moment he resigned to open his mouth, Asuka's sword hand smashed Yuuto's head. To the sudden impact, Yuuto's eyes pooped out and he looked at Asuka.

「Sasha didn't say anything. I saw it by chance. You, apologize to Sasha later」

Asuka got up slowly. Asuka put her hand on her waist and thrust her finger, Yuto opened his mouth in surprise.

「Err, Asuka-sama…」

「Your answer!?」

「Y-Yes!!」

Yuuto inadvertently answered Asuka's order. Then, she nodded in satisfaction, Asuka finally smiled.

Asuka returned to her usual expression, then sit on the bed cross-legged. 'Heave ho', she sat down opposite to Yuuto.

「You, do you like Sasha?」

She asked again. Yuuto shut his mouth on the serious tone of her voice. Yuuto rise up to deceive her.

Of course, he likes Sasha. He can't hate her. But, Yuuto understands that Asuka's question isn't in that sense.

As a woman, do you love her? That's what she want to ask.

Looking at the Yuuto unable to answer, Asuka's eyes narrowed.

「You're not serious」

「T-That's not」

That's not it. Yuuto tries to say it, Yuuto notices that he doesn't have the right to say it. Whether he told Asuka the truth or not, she clenched her fist.

Asuka doesn't know but it's also the same for Risty. Yuuto chewed his molar as he's living indecisively.

Seeing Yuuto's sorrowful face surprised her, Asuka peeped at the window. After seeing the two moon shining in the night sky, Asuka returned to Yuuto.

「Isn't that fine?」

「Eh?」

Hearing Asuka speak with a smile, Yuuto unintentionally spoke. Staring at that Yuuto happily, Asuka smiled.

「Under the same roof, living with a young maid? That happens. Sasha doesn't look like she hates it, she didn't say anything to me either. As for you, it's not that you didn't think about it」

Just a bit of pain can be seen at Asuka's face, Yuuto put effort to speak. However, after knowing Asuka's aim, Yuuto can't open his mouth.

If she won't say anything, why did Asuka come here? That doubt recur in Yuuto's chest.

However, the next moment, Yuuto's heart leaped. Asuka's speech continued when she saw the opportunity.

「Do you not want to that with me?」

Bashfully, Asuka blushed after speaking, time stops for Yuuto.

「……Ha?」

He finally was able to squeeze a word. Her words were too summarized, Asuka was able to return to her senses and her ears dyed red.

「Tte, uwa! W-what am I doing!? That's right! Even if you do that with me, yyou won't be happy right?」

She herself was surprised to the words she said. *Bun Bun*, wiping with her hand, she appeals to forget it.

Asuka was trying to stand up in hurry, Yuuto replied unconsciously.

「I'll be glad」

Pitari, Asuka stopped moving. Opening her eyes, Asuka confirmed her heartbeat. *Doku Doku*, hearing her pulse jump, Asuka turned her gaze to Yuuto once again.

Seeing that glance, Yuuto also caught up with his words

However, Yuuto speaks.

「I'll be glad. If I can do that with Asuka-sama」

This time, he said it consciously. They don't know which pulse is greater, each other's pulse sounds in the room.

Asuka's face dyed red. Yuuto watched the reflection of himself inside the pupil of her burning eyes in curiousity.

「W-what should I do?」

The dry throat rung, Asuka asked trembling.

While foolishly looking at each other, Asuka and Yuuto hears each other's pulse.

◆ ◆ ◆

「D-don’t stare too much」

Gyuu, Asuka embraces her pajama firmly, Yuuto looked at him in blank surprise.

White shoulder. White waist. White leg. Asuka’s white skin, for some reason she’s sitting in front of him.

「…What? I-Is there something strange?」

Asuka looked at her own body anxiously due to Yuuto’s gaze. It’s not the first time he saw it, somehow she feels strange when her skin is being stared at.

「No, it’s beautiful. Very much」

「———!? G-geez. You always!?」

Asuka blushed on Yuuto’s mutter. She made up her mind and threw her pajama in the corner.

He peeped at Asuka’s chest earlier, Yuuto swallowed his saliva. He’s too thirsty but he can’t swallow it well.

Asuka is nude in front of him. Yuuto can’t swallow his saliva in the current situation.

He saw naked last time. She even took an obscene pose.

However, this time it’s different. It was different from the other day.

「…Then, what should I do?」

Trying to hide her embarrassment, Asuka asked. However, her face is red as if expecting something.

Asuka right now is naked in order to do it.

Realizing that fact, Yuuto’s consciousness almost flew out. Is this the real life?1 He pinched his cheek.

‘I have to say something’ Before this magical time ends.

「T-then. This, can you lick it?」2

Zui, Yuuto pushed out his own crotch. Surely, he can’t just tell her suddenly to put it in. Also, if it’s like this, it would be possible to endure as he’s accustomed to Sasha.

「O-okay. I-It’s okay if I just lick it right?」

Asuka brought her face close and looked on the pitching tent in the trunks earnestly. Naturally, Asuka knows that it can’t be licked if it’s not taken out.

「Err. L-Like this? Hey, Uwa!?」

Rustling, Asuka found Yuuto’s double inside his trunks. Yuuto moves his body to the

ticklish stimulation, Asuka raised a voice as Yuuto's penis jumped out.

Seeing it completely erect, Asuka opened and closed her mouth.

「What's wrong?」

「I-It's nothing! I-I'm just a bit surprised!」

Yuuto tilted his head to Asuka's expression. Shouting that it's nothing, Asuka confirmed Yuuto's superb article once again.

It's different from seeing it afar. Yuuto's thing isn't too big but, seeing it for the first time is shocking for Asuka.

「Somehow, it looks like a low-grade demon. It looks creepy」

「Asuka-sama is really merciless. As one would expect, you hurt me」

Yuuto smiles wryly on the frowning Asuka. Even Yuuto is embarrassed to show his thing. Saying that it's like a low-grade demon, it doesn't feel nice.

Asuka looked at his penis embarrassingly as Yuuto muttered.

「Waa. It moved! Pink. Yuuto, it moved!?」3

Asuka watches it, Yuuto's penis jumped unintentionall;y, Asuka's surprised eyes turned to Yuuto. And, Yuuto looked the other way bashfully.

「That's, it moves. Asuka-sama's face is so close after all」

「Fu, fuun. I see, it's my fault」

While laughing delightfully, Asuka frequently gazes at Yuuto's double. Yuuto gradually becomes ashamed but since Asuka looks happy, he can't say anything.

「Somehow, I think it looks cute」

「I-Is that so?」

Yuuto is perplexed as he doesn't know how to respond to that. However, it's better than being called creepy.

「This, if I lick this, will Yuuto be delighted?」

Asuka asks across the penis while tilting her head. Holding down his breath from the scene, Yuuto nodded.

「T-that's, well. I'll be glad but」

It's obvious that I'll be glad. Or rather, just having Asuka's face close to it almost makes his heart explode. Asuka's red hair sways ahead, Yuuto can only reach for it.

「T-Then. …Ei」

Chirori, the tip of Asuka's tongue touches the penis. Asuka's glance confirms that

Yuuto's eyes upturned, Yuuto's superb article becomes even harder.

「Uuu…」

Raising a voice involuntarily, Yuuto's face dyed red. Asuka heard the muffled voice, her cheeks blushed even more than Yuuto.

(It got hard. W-what should I do? It got big. Yuuto raised a voice)

Though she's panicking, Asuka is holding Yuuto's penis with her fingers. Timidly, pulling out her finger, Asuka licked the point.

It's an awkward tongue technique, Yuuto's penis is wet on the tip. Something oozing out on the tip, Asuka opened her eyes in surprise.

However, since it's the proof that Yuuto's getting aroused, she carefully licked it with her tongue.

「Rero. …Fuu, Hamu」

Using her lips, Asuka recalls Sasha's movement. Recalling the movement of Sasha's mouth for only several seconds, her interior heats up.

「You like it held in the mouth, right?」

「Eh?」

Yuuto asks back and at the same time, Asuka put Yuuto's penis in her mouth while waiting for the answer. To the sudden stimulation, Yuuto let out his voice once again.

「A-asuka-sama. Uu」

「Chubu. …Nmu, Hamu」

While holding it in her mouth, Asuka desperately licks Yuuto's penis. *ReroRero*, Yuuto's double's back and surface is being licked,

Asuka scratched the hair obstructing her with her right hand.

「Juunbu. …Pua. Ah, how was it? Does it feel good?」

Asuka knows that it's clumsy. Still, she wants him to say something, Asuka looked up to Yuuto's face.

Just like a puppy wanting to be praised, Yuuto's chest jumped out.

「Well, that's. …It feels good」

Yuutoi's face turned red, Asuka expressed a smile.

Chapter 22: The red haired girl (2)

「S-So embarrassing」

Asuka feels embarrassed due to the points on her chest.

The tip points out firmly. The nipple is emphasized by the metallic ring, Asuka shamefully presented herself in front of Yuuto.

「You're cute, Asuka-sama. This stands hard」

Though he's excited, Yuuto puts on a face. He can't panic here. Seeing Asuka feeling uneasy on her first time, Yuuto took a small breath.

「Is it the ring's fault? Didn't this one grow for a bit? Your long nipples are lewd and cute」

「Uu. Don't say it. It got hard on it's own」

Asuka hides her shy face, Yuuto moved slightly and traced the chest in front of him with his finger. It's projecting from the ring, it's really a state of the art part.

「Ah, Nuu. Fuu」

Asuka's body trembled slightly. Yuuto surprised to see Asuka, Asuka hid her teary face with her arm

「Because, I put the ring on everyday. I-It became sensitive. U, Uu」

Asuka's body dyed in shame, that shows Asuka's current state. Yuuto wants to test and released the two rings.

「Ah, ring」

「It's fine. I'll return it later」

Yuuto smiled on the anxious Asuka. Asuka now is a type of person that would feel uneasy if she doesn't have the ring. However, when the ring is removed and she was completely exposed, Asuka's face dyed red again.

「Uwa. It really turned lewd」

「I told you not to say it. Geez, baka」

Bin, her nipples are erect. Both of her nipples are still erect even if the ring was gone, Asuka shook her head.

It's clearly longer than when the ring is on. It might even reach 2cm, Yuto picks Asuka's long nipples with his finger.

「Nhiii!」

That moment, Asuka's waist loosened. Asuka shed tears in embarrassment.

「Uu. You can't Yuuto. My nipples are no good. Please.」

Asuka twists her body in shame, Yuuto's heart made a noise like it's exploding. His male instincts makes him want to touch even if she said that but tears are flowing in Asuka's cheeks, Yuuto kept his hand away from her chest.

「Uwa. Nucho Nucho」1

「Hin!」

Suddenly, Asuka's secret place was stroked with one finger. Asuka leaked out her voice and Yuuto was surprised at the feeling too.

It was wet between Asuka's legs and it's starting to drip.

「Uhm, Asuka-sama. You're wet…」

「Don't say it, baka. It's your fault for touching my nipples」

Asuka hid her face with her hand once again However her tone had expectation in it. Hearing that, Yuuto swallowed his saliva.

Tsupuri, he put his index finger in Asuka.

「Ah, nu」

Asuka sensed something entering. However, saying that he can't do that, Asuka shook her head.

「St-Yuuto. Your finger, no」

Her voice gets hoarse, Yuuto came to his senses. The meaning of Asuka's 'no'. Even Yuuto was able to understand.

She's afraid of something put inside. In short——.

「Asuka-sama, this is your first time?」

He thinks that it's rude, still, he asked her. Asuka nooded lightly to Asuka's question.

「I-Isn't that obvious? Even seeing nude, you're the only…」

*Gonyo Gonyo*2, the later half wasn't heard. However, seeing Asuka's expression, Yuuto's heartbeat accelerated. It's different from arousal, something else was responsible for the heartbeat.

Yuuto separated his finger from Asuka in panic.

「S-sorry. I was certain…. haha That, it's already late today. Let's sleep」

Still, he can't do anything beyond this. Thinking that, though he regrets for a bit, he apologized to Asuka while feeling relieved somewhere.

That's enough for now. While recalling the feeling from his finger, Yuuto scratch his cheek to deceive her.

Asuka turned her face to Yuuto from his proposal.

「…Eh? You won't give it to me?」

Potsuri, Asuka's face dropped as if she's going to cry. Yuuto got hard hearing her voice.

Understanding what she just said, Asuka's face dyed red. She waved her hand perplexed.

「T-that's no-. Forget what I said just now! I'm okay. I'm okay!」

To make him recognize it, Asuka smiled. However, Yuuto judges what Asuka desires when she came here.

「Uhm. …Does Asuka-sama like me?」

「Bu!?」

However, Yuuto asked inadvertently without thinking about it. Not a girl had confessed to him even once. Of course, if you exclude Risty's anus, he's still a virgin.

To the dry question of Yuuto, Asuka answered desperately.

「L-L-L-Like!? Obviously not. No, C-certainly? I'm grateful to you? I do trust you but, This and that are different things」

「Haa. Then, why me?」

Seeing the flustered Asuka, the was able to have some room in his heart. Is it thanks to Sasha and Risty? Yuuto feels calm with his current situation with Asuka.

「B-Because. That. Those things with S-Sasha. …Even I yearn for it, or rather. I-It doesn't matter if it's not you. …Y-You hear? Or rather. It's my first time, or rather」

Fidgeting, Asuka looks down bashfully. Hearing Asuka's voice, Yuuto instinctively applied his hand to his mouth.

Isn't this already a confession? That idea crossed Yuuto's mind.

「Ah, but. But, but, don't misunderstand. I-It's not like I love you or anything. W-well. I will give you my first time, please be gentle with me. Gently. In truth, love or something like that. It's not like that」

「Ah, I-Is that so?」

However, Yuuto dropped his shoulders as Asuka continues to speak. He doesn't understand it well, but in short Asuka wants to graduate from her virginity. She doesn't mind if it's not the man she loves, however, she tells that Yuuto passed, Yuuto thought positively.

If she said「I'll give you my first time」, she might like him at least.

That's already the same as love. Asuka and Yuuto's head can't catch up with the situation at all.

「I-If Asuka-sama is okay with it. That's, I want to do it but」

Yuuto summoned up his courage. He praised himself inside his mind for being able to say this one word.

Asuka looked up to Yuuto's delighted voice.

「I-Is that so? Then, I-It can't be helped. I-If you want to do it, it can't be helped. In truth, you want your master」

Asuka flops down to the bed as she's bright red. Expectation and shame mixed in Asuka's face, Yuuto gulped down his saliva.

「…W-what? Just staring」

「No. I-I just thought that it's beautiful」

Asuka's voice was jammed due to Yuuto's words. However, it was really beautiful, Yuuto looked at Asuka's limbs.

Fair skin. The skin that seems to be soft. Her red blush is lighted by the moon

Is this the real life3 Yuuto thought that this girl is real in this strange world, he heard Asuka's breathing.

「I don't understand it but. I'll leave it to you. Y-You can put it in」

「Eh? Y-Yes」

Asuka switches his consciousness in a hurry as Asuka trembles. He opened Asuka's trembling legs slightly.

He thought of doing foreplay, however Asuka's heartbeat grows stronger as Yuuto watches her lower body.

He doesn't have to put it in.4 Yuuto gradually understands the situation.

(P-putting it in. Asuka? isn't this sex? Are we going to have sex?)

Yuuto's mind was flustered this late. Then, he recalled an important thing.

(T-That's right. Contraception. If I don't use contraceptive…)

It's different from Risty's anus, he's going to have sex with Asuka. He can't afford not doing it, Yuuto put his consciousness in his right hand.

At that moment, a ring like object appears in Yuuto's palm. Glad that he made it, Yuuto thanked his past week self.

「W-what's that?」

Asuka looked anxious as Yuuto had taken out a treasure tool suddenly. Yuuto smiled at Asuka telling her that it's okay.

「This is a treasure tool named condom. I'm going to install it in me. We can prevent

pregnancy with this. It's perfect so don't worry」

Saying that, Yuuto began to install the condom in his superb article cheerfully. Since he practiced it several times already, he was able to install is smoothly.

(U, Uuun. It's good that I did it but I still feel uneasy)

Yuuto made a trasure tool『Unfaithful Cloth』, it's a perfected protective gear.

Above all, it's thinness exceeds the human perception, it feels like you didn't put anything on. Additionally, to protect the woman's vagina, he added a special mechanism which it oozes out the best amount of lotion.

However, the reason why Yuuto can't calm down is because he's still a virgin. He won't understand if he doesn't use it.

Yuuto stared at his crotch, Asuka moved her lips slightly.

「Contraception. …Yuuto, do you not want to make a child with me?」5

「Eh?」

Yuuto answered Asuka's small voice with a foolish voice. Seeing tha, Yuuto sees Asuka's conflicted expression.

「N-No. That's not my intention. But, I-If Asuka-sama got pregnant it would be a problem right?」

「T-T-T-That's right! It would be a problem if I get pregnant! W-what am I saying」

Asuka began to laugh in panic, Yuuto hears his own heartbeat. Somehow, Yuuto isn't ready to be a father yet. Asuka too, when she thought about it calmly, she agreed Yuuto's use of the treasure tool to go further.

「T-Then. You can go in」

Bashfully, Asuka opened her legs. Inviting him, Yuuto steeled himself and approached Asuka.

... ...

Unfaithful Cloth

Physical Defense: A Magical Defense: D Synthesis Rarity: C

Supplement: It's a contraceptive treasure tool Yuuto made just in case. Tentatively, it's categorized as an armor. It's invisible, it's so thin that it's you won't realize it in your skin. As a basis, you can only see the ring. It's a super efficient condom, no matter how intense you move it won't be broken. To support the vagina, it has a lotion mechanism attached.

Chapter 23: The red haired girl (3)

「I'm going in」

「Y-yeah」

Asuka firmly grasp both her hands in front of her chest. She closed her eyes and she's trembling like a puppy

Yuuto watches that Asuka and held his waist out.

「Ah」

Asuka raised a small cry, Yuuto's penis began to push Asuka open. The impact was felt on the tip, Yuuto instinctively raised his voice.

(It's completely different from captain Risty!?)

Asuka's secret place is wet, Yuuto stopped moving his waist. It's just the tip.

Although it's rude to compare, Yuuto recalls Risty's anus. There's no superior. It had a completely different kind of pleasure.

Calming down, Yuuto puts in his thirst. It's his second time feeling pleasure. He had to endure at least until he deflowered Asuka, he can't stand to apologize to the Asuka who's giving him her first time.

「…Yuuto?」

Asuka's voice carried anxiousness as Yuuto stopped his movement. 'Is there something wrong?', Asuka watches Yuuto with a teary face.

「It's fine. …Sorry. It's also my first time after all」

「Eh!?」

Yuuto told his mind then Asuka widened her eyes. Asuka is surprised and Yuuto scratched his cheek.

「First time? Wait, you and Sasha」

「Sasha only did it with her mouth. That, Asuka is the first one I'll be putting it in the vagina」

Yuuto laughs bashfully, Asuka's face dyed red suddenly. She turned the other way, however, her mouth suddenly gradually loosened.

「I-I see. I'm your first. …W-what. You should've said it in the beginnning」

Asuka's cheeks loosen whatever she did, Yuuto bowed and apologized. Yuuto was glad that he said it. Asuka's nervousness clearly decreased.

「Then, why did you stop your waist?」

「Uu. It felt too good」

Yuuto answered Asuka's question like a punishment. Hearing that, Asuka smiled in satisfaction.

「Fufu. Hora, virgin-boy1 It's Asuka-sama's body—」

「Wai. …Geez. You got carried away immediately. 」

GuiGui, Asuka presenting herself forcefully, Yuuto squint his eyes as he was troubled. They equal with this, Asuka watched Yuuto smilingly.

「Come, Yuuto. My first time, Your first time. Let's exchange」

Asuka smiles slowly.

That moment he saw that smile, he's reached his limit. Yuuto jumped to Asuka with a dash.

「Ah, Aa, Aau」

Asuka raised a cry with the sense of something breaking. Asuka's arm firmly coil Yuuto.

「Asuka-sama, Asuka-sama」

「Uu, Yuuto. Yuutoo」

Yuuto lost his control. *Jupo Jupo*, Asuka's inside feels too good, it lovely invite the penis in.

「Ah! Nnn」

Asuka put power in her arm as there's the pain of deflowering. However, thanks to the treasure tool he used to train everyday, above the stimulation, Asuka concentrates on Yuuto's penis.

「Nn, Ah. Ah. No way, it feels good. It feels goooood!」

Although it's her first time, the sweet feeling shook Asuka's interior. She feels embarrassed but after seeing Yuuto move his waist desperately, Asuka firmly made an effort.

「It feels good? Yuuto, does my body feel good?」

She called out Yuuto close to his ears. Asuka's sigh and voice, Yuuto's back shook.

「Ah, Uwa. I-It feels good」

「I'm glad. Naa, Afu. Ah, Ah. I feel good too. Yuuto keeps on coming」

Separating her hand from Yuuto's back, Asuka affixed her finger to her own chest slowly. While breathing rough, her breast and nipples are touched unconsciously.

「Fuaa. Aah, Uuu」

Asuka held her erect nipples with both of her hands, the sound of Yuuto gulping his saliva echoed. Asuka pulled her long nipples with her thumb and index finger, then she pinched it. *Kuni Kuni*, while Asuka crushes her own nipples, her vagina tightened.

Shutting her eyes, Asuka concentrating to the pleasure might be unconscious. Yuuto nearly spoke, but he endured it.

「Uuu, it's entering. Yuuto's thing is entering. Ah, aaaa」

The movement of Asuka's finger gets even more violent. Asuka crushes her own nipple and areola strongly with her finger, Yuuto's penis trembled.

「Ah, shi-. Uu , Ah, Asuka-sama」

He reached his limit. Was it transmitted to Asuka? Asuka clings to Yuuto once again. Turning the leg this time, she's inviting Yuuto's whole body.

「It's fine. Come. Ah, Yuuto. Ah, Ahn, nnu」

「Asuka-sama」

The moment they called each other, Yuuto's limit collapsed. Just like that, he released everything inside Asuka.

「Ah,, Hyu. It's coming. N, Nnuuuu. Yuuto's shooting it out.

」

Not letting Yuuto go, Asuka put force on her arm and legs firmly.

◆ ◆ ◆

「Uwa. A lot came out. This is your…」

The semen collected in the condom is seen, Asuka opened her mouth in interest. Understanding the amount he released after taking a look at it, Yuuto scratched his cheek bashfully.

「Still, are you okay with me?」

Asuka opnes her mouth, Yuuto asked without reason. Even if they did it now, as expected, doing it for the first time feels awkward. \

「It's good in particular. I didn't accept any person other than you」

「Haa. So it's like that」

Yuuto sigh as Asuka laughs blankly. She didn't mean anything bad with that, that's Asuka's misunderstanding.

The ninth place in the Hero rank that the kingdom boasts. \ The beautiful swordsman of the Scarlet Sky. She has no partner, should be none.

However, Remembering the thing about Risty, it might be hard to be an unattainable flower, Yuuto thought over. Also, 'I'm okay giving it to you', he was glad that it's true.

(It feels goo but, …I don’t remember much)

Feeling a bit of regret, Yuuto watches the moon.

In the end, the first sex that he endured desperately ended. Asuka’s a bit satisfied, there’s only the memory of him enduring to ejaculate. Instead, it was pain accompanied with fatigue, Yuuto thought that it’s fine.

He was able to have sex with the girl he yearns for. For a man, there’s nothing more than this.

「By the way, Why did Asuka-sama aim to be a Hero?」

He wondered if they should talk. He just felt the topic come out just like that. The naked Asuka looks back to Yuuto’s question.

「The reason why I aim to be a hero. It’s simple, it’s because want to help」

Asuka opened her mouth as if recalling. Speaking of which, it’s his first time hearing Asuka’s reminiscence, Yuuto listened carefully to Asuka.

「When I was small, the village I’ve been living had been attacked by the demons. …It was cruel. Our family was lucky but a lot of people had been killed by the demons」

「Eh?」

Yuuto opened his eyes in surprise from Asuka’s story. Yuuto’s eyebrows got closer in anxiousness from the unexpected past of Asuka. Asuka smiled and told Yuuto that is having such an expression that she’s fine.

「It’s not my village. It’s different from those protected by the country’s barrier, it’s a remote village, they don’t know when the demons attacked them. That time, I gave up. It’s the same disaster. Unable do to do anything against the demon attack」

Asuka’s tone in speaking is different. Looking straight to his eyes. her unforgettable memory, she’s able to recall it clearly.

「That came at that moment. A hero. …I don’t know the name. I have no way of knowing his hero rank. But you see, he has a mantle on his back but he doesn’t have weapons. He knocked down the demons with his bare hands in a flash」

Motionlessly, he watches Asuka. Listening up to now, Yuuto understood. The reason why Asuka aims to be a Hero.

「That’s amazing. You didn’t figure out who that was?」

「N, it’s fine. At first, I also thought of who that was. I wasn’t able to give my thanks. But, it’s fine. Somewhere, sometime, we’ll meet by chance. That’s fine」

Asuka is pure as she said that. He was fascinated instinctively, Yuuto thanked the Hero who’s name he doesn’t know.

Surely Asuka yearns for him as she aimed to be a hero. A hero that helps by dashing by himself, the small Asuka yearned for him.

「You see, I want to protect someone. That's why, thank you. I'm really grateful to Yuuto」

「T-that's not. …It's because Asuka-sama is here」

Asuka loosened her cheeks and smiled, Yuuto looked down unconsciously.

Asuka probably wants to say that it's thanks to Yuuto's treasure tools. However, that's wrong.

Because Asuka would like to help somebody, he's able to entrust the treasure tool. He wants to tell her that. Yuuto was unable to move his lips well, he scratched his cheek.

「…Are you glad that you became a hero?」

He finally was able to say something, he said such words.

To that, Asuka laughed.

Asuka hugged Yuuto quietly. The temperature of the naked Asuka touches him, Yuuto's pulse jolted.

「Un. I'm glad」

Hearing the gentle voice of Asuka, Yuuto scratched his cheek bashfully.

Chapter 24: When the blade reaches (1)

「What's wrong, Asuka-sama? You look serious」

Looking at the brown skin of Risty ahead while walking, Yuuto turned around to Asuka walking on his side. Asuka frowned, depressed, she opened her mouth.

「Haa. You're really carefree. …Accompanying Captain Risty in her duty? I'm so nervous this is impossible」

「Is that so?」

Asuka showed an amazed face, 'Fuun', Yuuto returned his glance to Risty. Today's atmosphere is unbelievable, Asuka watches Yuuto while biting her molar.

The reason why Asuka isn't in her nomal condition is obvious.

This duty. Asuka holds unease as it is an A class Quest.

At any rate, in addition for Asuka being a one digit Hero rank, she's being accompanied by RIsty in this quest. Saying that, just what kind of monster would their opponent be? Yuto was interested in it.

Guessing the signs of the two, Risty turned back smiling.

「Don't be so nervous, Asuka. Certainly, there are still some unknown parts in this duty. But, the main reason why I accompanied you us to confirm how you and Yuuto fight」

「I and Yuuto?」

Risty nodded to Asuka's response. With her equipment clattering, Risty picked the weed in the roadsite. The tall grass breaks off beautifully, Risty is spinning the object with her finger.

「I grasp the ability of all the members of the the imperial guards. The two of you have various things you want to hide but the royal family's imperial guard corpse is under Trishulia Royal Family's direct control. In case of emergency, those that aren't strong won't be permitted.

On contrary of her light tone, there's a vast amount of pressure emitted from Risty's back. The sign was enough to be transmitted to Yuuto, Asuka and Yuuto gulped down their throats.

「That means, the quest this time isn't that hard? It's like a test」

Yuuto opened his mouth first. If you think about what Risty said, in short, Risty is just coming to accompany in the test. Then, the quest this time isn't that much different from their usual.

Asuka caught up, feeling relieved, she stroke her chest and sighed.

「The quest this time is demon subjugation. It already destroyed three village, three 100th rank heroes had tables turned against them when they tried to subjugate it」

「…Eh?」

Risty returned the nervousness the two had cut already. The words recited were too threatening, Asuka's face paled.

「Those who faced it were Shaurus and Kuromie. And the sole woman of the group, Ricota. All of them are at 100ths in the ranking. The leader Shaurus is a two digit in the hero ranking, a rookie with expectations. It was said that when the combination of the three people gathered, it would be a match against a 50th rank」

Risty spoke businesslike to the end, Yuuto and Asuka's feet stopped unconsciously. Hearing the footsteps stopped, Risty turned around and asked「What's wrong?」

「I-Isn't that bad?」

「Of course. The fact that it's not killed by the first three people is the responsibility of my squad. The damage has spread as a result. Originally, heroes with two digit rank should be sent, further failure is unforgivable. Therefore, it's your turn」

Risty turned around and Asuka opened her eyes wide. Risty's glance pierced straight to her, Asuka washed off her own sweat. It's flowing on Asuka's forehead, what are you saying this late, Risty told Asuka.

「Those with alias are worshipped, it's like that. Failure isn't permitted for a single digit hero. A hero's defeat is the defeat of justice itself, the innocent people would be sacrificed」

Risty spoke in an indifferent manner, Asuka's spine froze. Yuuto secretly watched Asuka with a worried face.

「…T-that's the request this time?」

「The strength of the enemy is unknown. However, well, don't be so frightened. It's not just you, I'm here too. If something happens, it would be on a national crisis level」

Risty operating naturally anywhere, Asuka's glance wore fear. Yuuto also confirmed the faint movement of her right hand.

It's that sort of world. They themselves jumped into a world where this is natural.

Realizing it, cold sweat oozed out of Asuka. Gripping on her scarlet sword, moisture can be clearly seen.

Among Asuka's military exploits up until now, it includes A rank and S rank. However up until now, Asuka and Yuuto did those mission without thinking deeply.

(I-If I got defeated, the countrymen…)

It was too late when Asuka began to realize her Alias of『Scarlet Sky』Risty seeing Asuka began to tremble, 'fumu', she applied her hand to her mouth.

「Well, don't brood over it Asuka. We put our lives on it. Then, you just have to do your best. If it was useless, then it can't be helped」

「I-Is that the way it is?」

Asuka's voice was uneasy from Risty's advice. Asuka was persuaded by the natural Risty.

「Life that can't be rescued, life that can be rescued, both are lives. I won't tell you to not mind it. But don't shoulder it too much.1 Rather, think lightly. It's unnecessary to cloud over the brightness of the life you saved」

「…Yes」

Katcha Katcha, Yuuto watched silently the back of the two people walking with their armor clattering. Yuuto turned his eyes to his right hand, even so, Yuuto laughed at himself.

However , this time, he grasped it strongly.

「…By the way. I want to hear something」

「Eh? Yes. What is it?」

The silence continued for several minutes, when Asuka shifted her feelings, Risty's hushed voice reached Asuka.

While glancing at Yuuto in the back, Risty brought her face close to Asuka so Yuuto won't be able to hear it. For a secret talk to begin suddenly, Asuka also bent her body like Risty.

「T-that. …Did you and Yuuto, 'that'. That. …Are you going out?」

「Bu!?」

Asuka spouted unconsciously due to Risty's unexpected question. From the back, Yuuto tilted his head wondering what they are talking.

(W-w-w-w. What are you talking about!? T-That can't possibly be !?)

(What? It's different?…But, you like him right?)

Asuka's face is bright red in anger, Risty was faced with an unexpected look. Continuing her question, Asuka denied in panic.

(Y-Yuuto is just a partner, or rather, he's just a partner in work. L-Love you say, we're not in love!)

Asuka shook her head, Risty's glance pierced right through her. Then, Risty mutered.

「I see. …You don't like him」

Her face looks glad, Asuka felt an unfamiliar unease.

「Err, Captain Risty? That, Why?」

「N? No, don't mind it. I'm just curious. There's no deeper meaning」

Fufufu, Risty's soft face laughed, Asuka felt some shock in her chest. 'What could it be?', unpleasant sweat runs through her back.

「Yuuto. The destination village is far. I'll borrow a horse on the way. You, can you ride a horse?」

「Eh, is that so?…What should I do? I've never done it」

Without delay, Yuuto had a troubled face due to the question of Risty walking lightly next to him. It's a required ability for the soldiers in this world but, Yuuto hadn't rode a horse yet. He thought that he can do something with his treasure tool, it's something that's been on the stock for a long time.

「I see. Then it can't be helped」

Yuuto having such an expression, Risty clapped her hands. Yuuto and Asuka looked at Risty without understanding what she meant.

◆ ◆ ◆

On the plains, the sound of the hoof of a horse echoes.

「Haha. How is it Yuuto? Your first horse!!」

That sound was mixed with Risty's happy voice.

「Wawa. W-wait a minute captain」

Two horses are galloping smoothly in the vast plane.

Yuuto cling tightly in order to be not shook off.

「Afu. …Fufu. You can't. Please do that after we go back」

「N-No. That's not my intention」

While embracing her, Yuuto strikes her chest and Risty raised a small cry. Yuuto moved his hand below in panic.

「Hyan. …Really. What an unreasonable guy」

「S-sorry. No, it's really not my intention」

Yuuto's hand falls down too much that he strokes Risty's stomach. Risty raised her voice and twisted her body as she felt ticklish, Yuuto inadvertently apologized.

Honestly, Yuuto's heart is throbbing. Though Risty is on a relationship where they stack their skin but, under the daytime blue sky, it's a different variation of embarrassment. Also, Risty's skin is smooth as always, Yuuto blushed unconsciously in pleasure.

Fortunately his face and heartbeat doesn't reach Risty who's driving the horse in front.

(…What's that?)

Behind the two people, Asuka is chasing from their rear frustrated.

Jii, She looked at Yuuto clinging to Risty.

(…Aren’t you sticking too much?)

Asuka puffed her cheeks.

She doesn’t understand it but she feels irritated when she looks at the two people in front of her.

(W-when did. What does this mean? …W-what is this?)

Her chest is stirred. Asuka chewed her mollar.

(We did it! He did lewd things with me! W-with Yuuto, Yuuto! I-It’s not like I’m fine in the back!)

Asuka stares ahead. Squinting her eyes, her anger is facing towards the Yuuto clinging to Risty.

(E-Even if you say you want it again, I-I’ll never give it to you again!!)

Asuka clenched the bristle so hard that it might be torn off. Kicking the horse belly, it run on the earth while shaking off her idle thoughts.

「Haiyaa!!」

Asuka passed through them without looking back, Yuuto and Risty tilted their heads curiously.

Chapter 25: When the blade reaches (2)

They rode the horse for half a day. Though they departed at dawn, the sun had sunk down already.

「This is the last village attacked?」

While moving his hand to Risty's waist, Yuuto looked around the area.

It's a farm village. It had that sort of atmosphere, Yuuto remembered a strange sense.

(There's no sign of people…)

Remains of the people who lived in the other day are left everywhere in the village. However, there's no existence of any crucial villager anywhere.

There's a possibility of them secluding in a house, looked at the window of the open private house.

「I know it already but, they're wiped out. There's no trace of blood nor mess from eating. …Get down, Yuuto. Asuka too」

Looking at the state of Risutei village, she spoke indifferently. Yuuto and the tandem noticed the change of tone, Yuuto and Asuka kept silent.

「There's no monster. Is it a demon?1 or a demonic being2? Either way, it's intelligent」

Risty steps cautiously on the village ground. Without delay, she tiptoes as if warming up.

「Yuuto. You too, apply that properly」

「I know」

Asuka stares at the necklace on the neck of Yuuto. Asuka confirms the existence on the tip of her chest then she pulled out her Scarlet sword from the sheath.

「Demonic being? …Since it's a bloodsucker」

「That's true」

Asuka and Yuuto recalled the fight with the beautiful count several months ago. Certainly he introduced himself as a noble in the Makai.

「That guy was strong, but how is it this time」

「It's okay. There's captain too」

Risty began to investigate the village, Yuuto and Asuka followed her. Different from Risty walking naturally, the two had their hearts beating hard. The tension is different so far.

It drifted.

Asuka remembers the fight with the vampire and fixed her feelings. Able to control his own blood, a powerful enemy who uses a blade. Though it was knocked in one blow, it was only possible because Asuka's defense was perfect. Without Yuuto's armor, she'll never be able to win.

A rank. Confirming the strength of the opponent she defeated, Asuka inhaled deeply. She never expected that she would be thankful to that masked count, Asuka laughed a little.

「The three people who faced it before, were useless as expected?」

Watching as she throw out the farming tool, Yuuto asked Risty. Risty said that the tables were turned, but that's a guess when the communication was stopped. There's a possibility that they're alive, that's uncertain.

Yuuto had a faint hope, Risty slightly frowned.

「Well, they're probably wiped out. There's also the possibility of it being draw. Thinking of that three man cell team, it's better to give up your hope」

Risty said that it's better not to think that they're safe. However, Risty calmly anlyzed the situation, so Yuuto shut his mouth. Asuka closed her eyes to pray for a moment.

「…N? Don't. Be careful」

The moment Asuka gripped her scarlet sword tightly, Risty in front of her muttered. The startled Asuka looked up, Yuuto opened and shut his right hand.

Yuuto expanded his『16 floating war maidens Rossweisse』at that moment. In an instant, Yuuto had the blades.

「———!?」

Asuka reacted in surprise. Each and every blade appeared on the opponents with incomprehensive speed.

But, Asuka had seen it.

It's the three figures dressed as a hero.

「Wha!?」

Why? Asuka's body hardened when she's about to shout. There's no time to think, Asuka closed her fighting spirit momentarily.

「Idiot!」

A word. Risty's words reached Asuka's ears. At the same time, the three heroes neck and limbs burst out and flew to Asuka.

Asuka and Yuuto's eyes chased the flying arm and neck.

*Dochari*3, The three's bodies fell on the ground. Still, the body swing while clattering.

The two with blue mantle, and the girl wearing a red muffler. The head only girl opened

her eyes wide and approached Asuka little by little.

Her spine froze in disgust, Asuka bowed to Risty.

「T-thank you very mu—」

「Don't thank. The user must be near. Necromancer. No, Marionette. It's the type that operates by a thread using magic」

While drawing Asuka's attention, Risty traced air with her sword. A thread was cut off literally, the body clattering and moving up until now has stopped.

「…Uu」

Yuuto held his mouth as he saw the body of the three. It's natural, it was his first time seeing a person's neck fly. Looking at the eye of the girl, Yuuto managed to hold down his nausea.

Seeing something unbelievable, Yuuto looked at Risty. Even though they're manipulated, Even though they're already dead, how can she be so calm?

「Kuku. …I see. He's the kind that mocks the dead. Very well. I don't have to become attached」

Then, Yuuto breathed small. Risty's face from the side is a never before seen ferocious distortion. It was different when she fought with him, it was real muder intent, Yuuto and Asuka's body shook.

「Here it comes. The main body」

Then, Risty grinned and looked at the top. Both Yuuto and Asuka turned their face to the sky immediately.

「…Hii」

Asuka was the one who raised the small scream Yuuto wasn't even able to raise a scream.

Kumo4 Yuuto made that sort of impression from the silhouette.

How did she hide herself5 Suddenly, the three people jumped to the spider in the sky, it's like they enshrine it in the sky while looking down.

The invisible thread was set up above the village. It's the perpetrator who set it up.

However, there's no reason for Asuka's scream.

「As expected. It's a good hobby」

Risty chewed her molar. She laughs on her face but her pupils selfishly deflate.

The corpse was casually stitched together. The distorted silhouette of the spider is in front of Yuuto's eyes.

A man, a woman. Elderly, children. Everyone of them are bare nude, that body is a

strange body, it became a part of it’s leg.

A hundred people? More than that? Seeing that large number of people, Asuka stopped unconsciously

《Kakeba Kakeba Kakeba Kakeba Kakeba!!》6

A cry. It’s played on the gap of air on the corpses, they cry utmost.

Then, an invisible thread gushed out from the head of the spider.

That numbers 10,000.7 If you look at it, it’s no longer a string, it’s already a torrent of thread.

Does it absorb life, it stopped it’s movement and manipulates it A simple, strong ability.

It’s body enclosed to the corpse, Nekyuara had a twisted enjoying face.

She obtained it with troubles, it’s a rare corpse item. Because it’s made of compensated materials, it rolled in front of their eyes.

Where will you stitch that brown skin?

While thinking that, the nekyuara had already jumped in the air.

「…Ha?」

A double edged blade pierced it’s body. The nekyuara’s brain recognized it earlier, with the work of it’s own disjointed body, the brown woman that’s supposed to be on the ground disappeared.

「Sleep peacefully at least」

Risty muttered, the nekyuara wasn’t able to turn around.

However, there’s no time to consider the meaning of her words, the heads and limbs of the lone demonic being 72 pillar『Artist』Nekyuara flew up to the sky of the village.

... ...

The three cottage brothers

Shaurus (108th) Kuromie (132nd) Ricotta (167th)

Supplement: The three heroes who originated from Cottage village. Though they introduced themselves as brothers, they’re not blood related. They’re childhood friends that came from the same orphanage. They invested their dreams in the orphanage, they strive in the harsh hero work. The three had an offensive power of a rank 50 hero, especially the leader, Shaurus is a rookie with expectations. Ricotta who was always struggling day and night in order for the insensitive Shaurus to notice her love, Kuromie hides his love to Riccota to support her.

Chapter 26: When the blade reaches (3)

「Ameeezzzing…」

Yuuto instinctively muttered.

In an instant. That kind of word is even cheap, Risty's movement was skillful.

Yuuto looked up the sky, the corpse was disassembled like a mysterious art, among them was the body of the demonic being that looks like a clown, it popped out and go towards all direction.

Perhaps it's blinking.

「Strong…」

The rank fourth in the hero ranking. Risty of『Dual Sovereignty』

Both Yuuto and Asuka looked up to the sky admiringly.

Relief exceed in the mind of the two people, they gradually spread.,

They shouldn't have done that.

Yuuto saw.

From the angle invisible to Risty. The neck of the nekyuara expressed a eerie smile.

「———!?」

While Risty was staying in the air. A dark red string gushed out from the section of it's head and it's limbs.

To be clear, it's a hardening magic.

Risty's sword cut most of it. However, that red string changed to a red fog.

「Captain! 」

Asuka shouted. However, when Asuka jumped the red fog reached Risty's mouth, it entered with a earth shattering force.

「———Nbu!?」

Risty instinctively held down her throat, her breathing stopped. However, with that much resistance, the nekyuara isn't naive. The sweat gland on her skin, the mucous membrane on her eye socket, red fog invade Risty from everywhere.

(C-could this guy! There's no way!)

Kurari, Risty's thought wavered.

Not only her magic, but also an outrageous amount of life force. Risty understood the ability of the nekyuara.

《——It’s body accepts what’s given——》1

Spinning life, then taking it. It’s a wicked sense of beauty that doesn’t have a body.

72 Pillars of the demon group, 『Artist』 Nekyuara

It’s definitely an S rank.

(We misunderstood…!?)

With her consciousness being eroded, Asuka jumped and looked at Risty. Her face looks like she’s wondering what to do, the color of confusion is stuck on her.

「Na…」

Before she was able to speak, a black feeling began to flow. Slowly, her consciousness crawl into corruption.

Risty’s brain. Deeper than that, on the root part. The place called soul. That place, a black sense of beauty erodes it.

《I am nekyuara. You are nekyuara2 You like to play, you will happily accept. Let’s play. Until you die. Until your body dies》

Dokun, Risty’s body jumped up.

The white face that laughs satisfactorily is recognized, Risty’s own consciousness is swallowed by the red fog and dark mud.

poton, Risty’s existence is rewritten.

《——That’s right! I’m nekyuara…

The artist’s face laughs happily.

「Merunaaaaaaaaaaaaaa!!」3

Then, it was cut.

Threat. Risty’s shout blows away the consciousness of the nekyuara.

Spirit. Consciousness. Existence. Nekyuara’s soul disappeared in the sky along with the resentment.

「…Haahaa」

Risty finally landed on the ground. Asuka al;so was relieved and went next to Risty.

「Captain Risty! Are you okay!?」

Asuka approaches Risty in panic. Yuuto also walked towards Risty.

「Captain!…!?」

However, Yuuto and Asuka’s movement stopped.

Right hand. Risty's right hand expands and turning. Risty's will shouted「Don't come!」

Risty looked back.

Her face is calm like always.

「Sorry. I failed. This is as far as I go」

The 72 pillars of the demon group. The soul of the『Artist』Nekyuara disappeared. She was exhausted playing, there's no more artist in the demon world anymore.

However, that dark grudge. The slow sense of beauty. The passion of hoplessness. Risty's soul was applied with a curse.

(Sorry. …Princess)

Recalling the face of her beloved on her last moments, Risty beheaded herself.

She tried to.

Perhaps, with a variation of moment. Reluctant to part with her beloved, Risty's blade was delayed.

Suddenly, Risty's blade was stopped by a by a leather.

「…!」

To Risty's eyes, Asuka and Yuuto seems to shout something. Looking at the two, Risty moved her body and muster strength for the last time.

The blade digs into her neck. The blood overflowed, then Risty lost power.

The curse has finished sinking to Risty's soul.

「Run away」

She no longer has the power to shout those words.

◆ ◆ ◆

「Captain? How are you…」

Risty stopped moving, Yuuto tried to approach her.

「Asuka-sama?」

His steps was stopped by Asuka's left hand. 'What's wrong?', Yuuto looked at Asuka.

「Yuuto. Get ready. …Please」

Yuuto tilded his head due to Asuka's words. Why? Didn't just the enemy defeated right now, Yuuto's eyes appealed to Asuka.

「What are you saying…」

Seeing Asuka's expression, Yuuto realized. He actually had a premonition.

Slowly, Yuuto turned around to Risty.

「…Kuku」

She stood up. Grinning, Risty smiled at Asuka and Yuuto.

Smile. It's known. Yuuto knows this smile.

(But, this is——)

Different. It's definitely different. Captain Risty doesn't laugh this way. She looks fine but something is different. Yuuto stepped back from the Risty in front of him.

「Get ready Yuuto!!」

Asuka shuoted, Yuuto's body stopped in surprise.

Clattering, he held his right hand. It's trembling, but it's not due to fear.

「Fufu, I'm glad. Yuuto, Asuka. I want to fight you two with all my power once」

Koki Koki, Risty's neck sounded. The blood has already stopped on the wound in her neck.

「…Captain?」

「Yuuto. I got wet again. …Just like that time, let's mix to the limit」

Perori, Risty licked her lips.

Guessing danger instinctively from that face, Yuuto understood too late.

Risty already became the enemy.

Chapter 27: When the blade reaches (4)

「Deyaaaa!!」

Asuka brandished her scarlet sword along with a loud scream.

The blade pierced the ground vigorously, it hollowed out the ground.,

「…Eeeuu!!」

Cutting up the earth like butter, Asuka swept the blade sideways to Risty.

「Hou. …I see. Wonderful」

However, it didn't hit. Asuka's red sword was dodged entirely by the brown skin of Risty by a few millimeters.

Risty happily moves her body while looking at Asuka's scarlet sword.

「Your sword skill is high quality but not outstanding. Your respiration and footwork, defense and attack are simply superior」

Gatsun, Risty inflict a blow to Asuka's armor. Asuka isn't worried at it from the beginning. Here, Risty brandished her sword while approaching.

「But, it's still splendid. I don't need a solid swordsman here」

The blade slips. Asuka's agility can't be expressed, unable to bear it, Asuka took distance. Without chasing her, Risty watches Asuka happily as if she's licking her.

Asuka moved backwards, Yuuto approached and called her.

「A-Asuka-sama. If you cut her with that sword, Captain Risty would die…」

「I'm trying to kill her!!」

Yuuto's body shook from Asuka's shout. Asuka began to squeeze her voice sorrowfully to Yuuto.

「Yuuto, listen well. That's no longer captain Risty. She looks like her but it's a different person. Half of her already began to change to a demonic being. There's still a trace of captain Risty, but it will disappear eventually. we won't be able to manage if it happens」

Asuka told the fact indifferently, Yuuto stared blankly in surprise.

「Looking her getting playful, surely there's still a bit of Captain's consciousness left in her. if it disappears completely, what's before us would become a monster… unless we kill that person, it would be no good」

Kill. That word sank in Yuuto's heart.

「Ki,ll?…Captain Risty?」

For some reason, Yuuto's head recall his memories with Risty. It's strange. He hadn't lived the same as her yet. Also, she's still——

「That's right, we're going to kill her. …Please, Yuuto, prepare yourself. I wont reach her by myself」

Asuka calls out to Yuuto in a tearful voice. Asuka doesn't want to kill her. It's impossible for her. Risty is a hero for Asuka.

Still, Asuka stared at the enemy in front of her.

(Captain Risty turned to a demon. I don't want to think about it)

Asuka's back trembled. She imagined it. Perhaps, a damage equal to a great disaster would happen. Including her, how many would be able to stop her.

(I-I can't let it happen. Such a thing)

Asuka approaches Risty slowly. If it's right now, there's still some chance. If the scarlet sword hits, Risty would be killed.

「Yuuto. Let's fight together. …Let captain Risty die as a hero」

She petitioned. She knows. Asuka understood their relation.

Yuuto is weak.

He has some game breaking ability, but he's still weak.

Surely, he's not bad. However, it was overwhelmingly insufficient.

Battle experience. Awareness of Death. Preparedness to kill.

Knowing that, she grasped the sword tightly up until now.

However—

「Please, Yuuto. Captain Risty…」

「No」

A distinct voice was heard.

It was too clear that Asuka looked back to Yuuto unconsciously.

Risty stopped walking and stared at Yuuto.

「I'll never try to kill captain Risty」

Staring at Yuuto. Risty directly, directly, just directly.

『Isn't that amazing? Where did he learn that?』

The blonde hair, brown skinned.

『What, it’s your first time drinking alcohol? Then, enjoy as much as you like. It’s my treat tonight』

Her firm muscles, flat chest.

『What, do your best from now on. I’m going to teach you various things』

That girl is the girl in front of Yuuto’s eyes.

「I definitely won’t!」

Yuuto released the『16 Floating war maidens』while shouting. Unable to understand the situation, Asuka looked at Risty.

「Asuka-sama, buy me some time! I’ll definitely deal with it somehow!!」

Yuuto informed Asuka while jumping behind.

Asuka understood what Yuuto is trying to do immediately.

That means he’s going to create it. A treasure tool to help Risty.

The moment she understood it, vigor returned to Asuka.

Risty doesn’t know the details of Yuuto’s ability, She knit her eyebrows at Yuuto’s mysterious behavior.

However, she’s an experienced Hero.

Perceiving an amazing unknown number, Risty’s eyes was captured by Yuuto.

「Doseeeeiiiiiii!!」

Cutting that glance, Asuka started slashing Risty.

There’s no need to hit. Just make her as far from Yuuto. Turn Risty’s consciousness to herself as much as possible. Risty’s gaze from Yuuto was separated due to Asuka’s shout.

「…Captain Risty. I’ll never be defeated by you」

Asuka extends her sword to the tip of her nose.

The provocation was obvious, Still, Risty’s mouth curled.

「Interesting. …Asuka, are you going to make me feel it?」

She knows that she’s scheming something but RIsty’s interestingly faced Asuka. This curse showed signs of fighting instinct. Desire for a match. Hopeless starvation. That is Risty’s darkness. It made a mess yet she kept her ego, it naturally persisted.

She already has no reason as a hero to suppress it.

(I won’t be able to stop here, It really got out of hand)

Blood, War, and tragedy. She keeps on seeking those, it became an apparition. Her consciousness is worn out, and she changed to a demon who kept waving her sword.

(I'll never let her do it. …Yuuto)

Asuka glanced and turned her consciousness behind for an instant. He said. He'll definitely be able to do something.

「He said that after all. What kind of hero am I if I don't go all out」

She took a stance. Asuika faced Risty straightforwardly. Measuring the distance, guessing the trajectory of her slash.

Looking at Asuka, Risty smiled like she's unable to bear it.

「Very well. Good. …Make me feel it」

Risty disappeared in front of Asuka and that moment, both of them began to fight.

Chapter 28: When the blade reaches (5)

「…Kuh!!」

Yuuto concentrated all his nerves between his palm.

A treasure tool to help Risty.

He must make it.

(Material. Composition. Frame. ——Image is a sword. Disregard Physical Strength. Magic Strength, Minimum. Concept is cutting. However, exclude cutting ability. Defining exception. Setting Except Clause. ——Magic, enchantment, sickness, pollution…Think. Crush all the possibilities) 1

He only has one chance to cut. Yuuto doesn't want to regret that moment as much as possible, Yuuto executed it as fast as possible.

(Rule for Exception Derivation. Exception Derivation is set. Defining cutting permission. Cuttinng condition is set——…)

Headache reverbs on his head. His consciousness is nearly taken by the buzzing from afar.

He can't be confused even a bit. He must not damage Risty's soul.

Sanctuary. Yuuto's brain fired an alarm as he willingly step on the danger. It's the limit of his ability. Passing the compromise. Disregarding the time deferment. Various factors, Yuuto's ability overflowed and attacked his brain cell.

Putting all of his consciousness, Yuuto absolutely devoted his all to his miraculous ability.

◆ ◆ ◆

「Deeeyaaaaaa!!!!」

Keeping her away from Yuuto, Asuka swing her whole body against Risty. The sword with sharpness that cuts off the atmosphere attacks Risty.

However all of it was dodged by the cool faced Risty.

「…Fumu」

Asuka in front of Risty is wavering, she noticed behind passing through. When she looked back, she already is behind at that time.

Riiiiiin, an unbelievably cool slashing sound echoed.

「In all, that's the 24th combination. …It seems that it's impossible to tear of that armor」

The double edged word doesn't feel a response, Risty tilted her head in curiosity. Seeing that, Asuka fixed her beathing.

(I’m fine. Yuuto’s protective gear is also effective on Captain Risty. I have to devote myself on buying time until Yuuto returns)

Preparing her scarlet sword, Asuka looked at Risty. She’s certainly strong. She doesn’t feel like she’ll win. But, Asuka has no intention of losing.

(Although it’s not my power. It’s my prided defense. \ If captain can’t damage me, I only have to hit her. …It’s okay. I can do it)

In this case, she doesn’t care about her well being. Yuuto might get mad but Asuka swung her sword to Risty’s feet.

(As long as I snatch her mobility…)

Before she finished thinking about it, Risty passed right in front of Asuka again.

「…Nuu…!!?」

That moment, a shock runs through Asuka’s right chest. The tightening continues, Asuka looked back in wonder.

(Why!? Even though I’m wearing armor!?)

Asuka carefully took distance, Risty looked grinning.

「Fuumu. It should’ve pierced the armor. …Fufu, very well. It seems you have also trained your body. That invincible defense, is the reason why you’re the seventh」

Smiling like a snake coiling around her, Asuka’s spine trembled.

(I would’ve died without the rings——)

Her pulse got faster.

She aims at the parts not protected by the armor. Although the result was natural, Asuka isn’t a doll standing upright. Risty slips through her stance, Asuka chewed her molar.

She might die.

It’s the norm she had accepted already.

(C-calm down. Captain’s attack isn’t reaching me yet——)

Blade. In front of her. Just like that, Risty’s blade pierces Asuka’s eyeball.

「Hou. Even the eyeball is impossible」

Asuka was taken aback from fear of Risty’s sword. Risty took distance after hitting.

(…Eye. Thank God. It’s in the effective range of the ring)

Kyumu Kyumu, the tip of her chest tightens, Asuka’s pulse throw up. *Doku Doku*, cold sweat spread out her glands.

(I’m fine. I’m fine. Believe. Believe in Yuuto’s treasure tool)

‘Haahaa’, Asuka’s breathing got rough, Risty stared at her. *Perori*, sticking out her tongue, ‘How should I kill her?’ is the pleasure of the predator.

「Blow and slash are both invalid. Eyeball is no exception either. …Fumu. As expected」

Now then, to do it. Risty’s eyes whisper so, Asuka retreats.

「Let’s see. For example…」

Risty’s face is warped in happiness.

(I’m fine. Get a grip, Asuka! You’re a hero!)

Then, with her face opposing, Asuka strongly grasped her scarlet sword.

Snap.

「…What about twisting?」

Still, she can’t see the movement. Not knowing how many times Risty had passed through her, Asuka’s something was captured.

(Hey, Ouch! OuchOuchOuchOuchOuch!!!?)

What’s happening? Asuka turned her eyes on the location of the pain.

Left hand. The little finger that should’ve been attached to her scarlet sword is bent on a wrong direction.

(It’s breaking…Not. It’s coming off. But it hurts. It was twisted.)

It’s a natural result.

No matter what injury, the treasure tool would recognize and decide whatever that is.

Unable to move indirectly, she can’t grip her sword. If the sense of pain and sense of touch would completely fade away, the person can’t even move. If the kin isn’t dented, she can’t swing her fingers skillfully.

That is the minimum common sense for Asuka to be able to move as a person. It is outside of the scope of the treasure tool.

「I see. It seems that not all can’t pass through」

A sticky glance. Asuka raised a small scream at last.

「What about suffocation? Should I try it? Well, but…」

——First, it’s impossible to be able to swing the sword——

‘That’s right’, Risty’s face laughed, Asuka raised a shout inside her mind.

(…Help me)

That's of course, a shout for a certain boy.

◆ ◆ ◆

「Sorry to keep you waiting Asuka-samaaaaaa!!」

When Asuka's mind was nearly broken, the voice echoed from the rear.

「…Mu」

16 blades run through Asuka's rear in high speed. Risty retreats while swinging her blade. Yuuto stared at her impressed.

「Yuutoo. Scary, it was scary」

「I'm sorry for being late」

Yuuto watches the teary eyed Asuka, Yuuto presented the black sword with one swing. Asuka received it and looked at Yuuto surprised.

「If it's me, I won't be able to hit Captain Risty. Please use it Asuka-sama,」

「G-got it. …Hey, your face!?」

Asuka's eyes reflects the bloodshed eyes and nose of Yuuto. Yuuto wiped the blood with his sleeve when Asuka spoke about it.

「I'm fine. I just overdid it a little. …Is the sword usable?」

「Well, I can use it. Are you really okay? O-Or rather, what weapon is this?」

When he saw that Risty is waiting for them, Yuuto briefly explained.

「This is『Anti-Demon-Sword』It's an exorcism sword that only cuts through curse and sickness. Since it doesn't cut flesh, you can cut to your hearts content

「Amazing. If this then Captain will! Hey, what are you…」

Asuka directs her gaze to Yuuto's attack mode. Asuka also like to evacuate Yuuto to a safe zone. Yuuto doesn't have a defense like Asuka.

「You'll win f you hit but seeing your hand you must be tired. I'll stop Captain Risty's movement somehow. Meanwhile, Asuka-sama will strike her」

Yuuto stared at Risty straight while speaking. 'Did the talk end?', Risty tilted her head.

Seeing that eyes of Risty, Yuuto steeled himself deeply.

「…Captain. I came to receive the continuation of the training」

Yuuto spreads his hands, Risty's cheeks blushed. *Perori*, Risty looked at Yuuto impatiently.

「very well. Let's do it. It's no longer a practice. Make me feel more pleasure. Make me cum, Yuuto」

Light tingled on Yuuto’s both hands.

Chapter 29: Conclusion

Yuuto stared directly at Risty.

Chasing her movement with her eyes is impossible. But, still he sharpened his senses to put RIsty in his view.

「Nn. …Very well. More than the other day」

Risty's lovely voice reached Yuuto's ears. Risty dance in order to keep up with the 16 blades attacking her. It was different from the last time, she pulled out her two swords.

Contrary to the hot feeling, Yuuto watched Risty with a calm head.

A blushing face. Risty falls in disorder, she dance in front of Yuuto with an expression that doesn't seem to be fighting.

It has a new program as an improvement update learned from defeat.

(Auto defense, stop. Auto attack, fastest. Just a moment is fine, just make an opening)

Entrusting the defense on the necklace in his neck, Yuuto had the spec of『16 Floating war maiden Rossweisse』concentrated on attack. If he don't do that, he won't reach her. Yuuto will risk his life with a paper thin distance.

「Independent movement. Did you obey my advise? …Nn, haa. It's dangerous now. It nearly cut my hair. …Aah, good. I can feel it, Yuuto」

Risty's movement moved out of the frame of the dance. Bending her body, shaking her waist. Dodging all of Yuuto's slash as if provoking him.

She's not serious. She's fighting happily. Yuuto put everything on the slight chance of victory

「But, no good. Well then, no good Yuuto」

「——!?」

Suddenly, Risty's face appeared in front of Yuuto. She should've been caged in the swords but Risty easily breaks out of it.

With her flushed face, Risty opened her mouth. Risty's heated throat dived in Yuuto's eyes.

「Yuuto, please put it in. Release it inside my mouth…」

Then, Risty's sword traced Yuuto's neck. Artery. Without hesitation, a single blow to a vital point.

Riiin, Yuuto jumped back from Risty while the treasure tool reacts. Risty's dissatisfied face is in front of him. Ignoring the freezing of his spine, Yuuto put power in his right hand.

「You too. I'm already tired of that. I wait so long to have a hot drink from you」

Perori, Risty licks her finger. Yuuto chewed his molar as it was bewitching.

Surely this person had fought for a long time. Taming the danger inside of her, she wielded the sword lonely all the time.

For someone, for herself.

Yuuto, fixed his eyes to his meddlesome boss.

(I'll definitely help you !!)

Thinking back, it was his first time. He himself is an adult who worries to that extent. 1

Doing anything half-assed, he was dissatisfied when it's tedious.

It didn't change after coming in the new world, still, a hand was extended to him.

Obtaining power, he might have looked down to the people in this world. He was conceited, still even if it comes, his nature doesn't improve.

The one who straightened it is her. She has led me here.

(Asuka-sama! I'll leave the rest to you!!)

Looking at the face of the girl he likes at the last moment, Yuuto faintly smiled./

Seeing Yuuto smile differently from the usual, Asuka opened her smile slightly from the back

While Asuka is shouting something, Yuuto steeled himself.

Rather than doing his best, he resolved.

「Here I come!! Captain Risty!!」

He raised his voice because he wants to see. His full power. His form reaching the limit. His adult self that he can boast.

「…Come!」

In a moment, RIsty's voice reached Yuuto's ears. Then, hearing the voice the same as before, 'It's okay', Yuuto thought about the future.

Yuuto strongly released the power in his right hand.

「『16 Floating war maidens』 x2!!」

The name is called out. His most relied treasure tool . That person admitted his power.

「—!?」

For the first time Risty showed the will to defend. Unable to evade, she moved where she intercepts those that threatens her own body.

32 blades. Even thought they're moving independently, the after-effect of the

adjustment is serious. *Tarari*, red blood is flowing out from Yuuto's nose.

(Velocity, fastest. Supplement target. Auto aim limit release. Target Success. Supplement. Provide cooperation of I type and Ro Type. Fastest Setting. Limit Release. Disregard warnings. Release. Release, Releaseeee!!)

His eyes are bloodshot. His headache faded away. Still, it doesn't reach the person. Another step. It's not ability. It's performance either. It's not talent either.

(I, up until now, what for—

Yuuto grit his teeth. A way to make her serious. Why he hadn't learned a little——.

「It's well done, Yuuto」

She gently wraps the boy's regret.

That smile, the boy knows it's hers. From the encounter moment. She degraded, yet it didn't change.

「It's my reward. I'll show it」

Risty put away the sheath of the sword slowly.

Then, the remaining one is held by both of her hands.

It's a posture seen for the first time. It wasn't needed on her fight with Asuka.

(Why both hands…?)

Yuuto watched the posture of Risty that he saw for the first time. Risty of『Dual Sovereignty』Isn't that why she has two swords on her waist?

「You're wondering? This is my original posture」

She speaks in a lecture tone. Feeling nostalgic, Yuuto inhaled as he recovered his feelings.

(One or two swords is just the same! I'm going to use all my power!!)

Unknown to fear.2 Still, he will go. He can do nothing but go. He's inferior in everything, not a simple honesty is left.

「Are you uneasy? Then, is the second sword lowered?」

However, Yuuto saw. Before he noticed, from the sheath oh Risty's waist, the second sword disappeared

Zokuri, his back trembled.

「It's a simple story」

Behind, he felt an existence.

「It's because my body only use one sword.」

Warning. All of the hair in Yuuto's body stood up. Independent movement. That supplement, the speed was released. Hearing the sound of the sword clashing behind his neck, Yuuto glanced to confirm it.

「No way…」

Separated. She stopped both her feet, he was able to view the situation of battle.

It was simple despair so far, Yuuto doubted his own eyes.

「Very well Yuuto. That face」「That face make me cum」

Two people. Straightforward, Yuuto understood the spectacle in front of him.

There's two of Risty.

「You did well. I felt good」「But it's the end. Please let out your hot thing」

If there's a difference, it's the shape of the sword they hold in their hands. Only the direction of the handle can be seen in left and right.

Risty of『Dual Sovereignty』3 The Trishulia kingdom's prided 4th rank.

Yuuto understood for the fist time the meaning of that alias.

「「I'm about to cum soon…」」

Risty laughs relaxedly, that bewitching smile didn't hesitate and attacked Yuuto. The 32 blades withered. To that movement, Risty is surprised and stopped her voice.

「Yuuto…」「You…」

The two opened their eyes wide. 'And what about it?', Yuuto's eyes shouted. From the beginning, he didn't think he can win. He didn't think he will reach her.

Instead, Yuuto's chest is filled with pride.

(How was I? this is Captain Risty!!)

He shouts as he face himself. He won't say it's boring. He can't think to ease up.

(Asuka-sama, Captain!! Please look!!)

He felt relieved. He leave it to his back. For that person to exist, Yuuto laughed as his body feels light.

「Yuutooooo!!」

A shout from his back. He knows. He won't apologize later. If he will apologize, he'll bow no matter how many times.

Bushu, blood spouted from Yuuto's nose. Blood overflowed from his eyes. Still, Yuuto kept looking at Risty.

Potsuri, the sound of something in the brain being cut.

(Who cares!!)

32 blades. It was thrown on the two Risty. Come here, faster than ever. To the blade drawing the best trajectory, Risty groaned small.

However, it was still not enough. However, it was repeatedly acknowledged.

Reach.4 Reach.4 Reach6, Reach, ReachReachReachReach——!!7

「——!?」

This time, Risty eyes were really dyed in astonishment.

Shining. Both hands. A godlike ability. Given to someone with nothing, it's a miraculous power.

It would be a lie if he said that he's not excreting himself.

「『16 floating war maidens Rossveiss』x 4!!!!!!!!!!!!!!!」

Broken. Something. Is it his brain cell? or his nerve fiber? Or is it something more important?

Fall. His face looks like his consciousness is blown away. Still, Yuuto faces forward.

Seeing that face, Risty held her breath. Seeing that simile of Yuuto for the first time, Risty's fallen heart sympathized with something,

「Aaaaaaaaaaaaaaaaaaaaaaaaa!!!」

64 blades. Exceeding his own limit. Asuka included, he's maintaining the other treasure tool in the present boundary. Yuuto's limit has already collapsed long ago.

「Ah, ku!! This is!?」「Ahaaha, what are you!!」

Chill runs on Risty's back.

She doesn't know what to do about defense. To that fact, Risty's womb is shaken helplessly.

「Afun, nuu!!」「Good! Very well, Yuuto!!」

Still it doesn't reach her. Still, it's a fact that she's enjoying.

Pulling out the 64 blades, The tip of of RIsty's sword reaches Yuuto's chest.

Kun. the tip cut Yuuto's necklace.

「You think it won't be discovered?」「Sadly, it's the end, Yuuto」

Dancing, Risty wielded her sword like dancing, Yuuto still gazed at her while smiling.

The necklace flew in the air, Yuuto released without hesitation.

He thought that it's just right. His capacity becomes one less with this.

All of the independent movement was devoted in the defense in an instant. Four times than the usual load. Yuuto still showed a smile even his nerve is screaming.

Because, surely, her smile seems to praise him.

That's why he's able to muster his strength. Another drop.

(…This is all of my power. My— whole power!!)

Yuuto laughed. Risty that's on heat doesn't notice that it's his usual smile.

He remembered. The time he spent with her.

「This, do you understand it somehow?」

Right hand. A shuttlecock cap appeared from there, Risty knit her eyebrows.

She doesn't understand. She hadn't seen that treasure tool.

It's Yuuto's best masterpiece. It flowed into her, a godlike power.

In short, an enormous amount of memory.

「I can still go on」

Blood seeps from Yuuto's skin. Between his fingernails, old wounds. A fragile place makes a sound and collapses.

「「Na———!!?」」

Then, it reached. In an instant, she was confused at that moment.

What's there is a trace of presence that is equal to nothing, Risty swing her two swords as expected aiming at Yuuto.

She caught the『64 floating war maiden』with all her power.

He trusted her that she would be able to defend. If it's her, she can exceed the treasure tool. Enough to win only with a dazzling appearance, Yuuto doesn't go easy to the prided captain of the imperial guards.

His true purpose is to cover the second blade.

Yuuto muster his last drop. He can't fall down. He can't lose his consciousness.

All of it is in order to reach her—!!

「Gaaaaaaaaaaaaaaa!!」

Creation of the world. Another Sanctuary. A blade of one swing.

Things like limit, it goes beyond when you look back far.

A blade that tears time-space appears in Yuuto's right had. With an electric shock, the space was connected in front of her. There's no wasted time. The treasure tool that

finished it's duty, tattered and collapsed to the tip.

An alarm sound echoed. He can't ignore it this time. Still, Still, he took one step forward.

(I'll leave…the rest…to you. Asu…ka, sama…)

Disappeared. All of the treasure tool that protects Yuuto.『Hidden clown – Hide and Seek』Yuuto disappeared like a fantasy illusion. Then, his prided『64 Floating war maiden』too.

In truth, it was his last drop. Even he's unable to strained lees8, Yuuto mustered.

Suddenly, Yuuto revealed himself. Risty is wary of his defenseless form.

It's the first time she's seen concentrating. The two's consciousness was turned to Yuuto, it didn't even take a sixtieth of a second.

They took action unconsciously. Surely, it was unexpected for her.

「「…Yuuto?」」

Hug. Yuuto entrusted his body to Risty. He's just a boy that has no way of resisting. Risty forgot to wield the sword and stared at Yuuto.

His face looks like a child who worked hard wanting to be praised—

Risty inadvertently embraced Yuuto to her arms.

「「Yuuto…」」

A slight hesitation. The sword was felt to be obstructive from hugging. The two's consciousness became one.

A black blade sprang out from the space-time gap.

「Haaaaaaaaaaaaaaaaa!!!!」

An invisible door. The space was connected to the girl far away back, it was the last miracle Yuuto left.

「「…Haha」」

Even so, perhaps even that would be avoided.

However, the man in her arms hindered.

In the end, Risty laughed saying 'I give up'

The exorcism blade cut off Risty.

... ...

『Ruler of Heaven』『Ruler of the Day』

Physical Cutting power: A Magical Cutting power: B+ Synthesis Rarity A+

Supplement: Risty owns it, it’s a treasure tool that originally exist in this world. It has an unusual ability of producing a clone, along with it’s sharpness and toughness.

Despite it’s a clone sword, the stricter way of sayin it is「Duplicate」The owner holds the image and『Ruler of Heaven』receives it, then『The ruler of the day』outputs it.

A unthinkable firm image must be formed to create a duplicate, normal heroes won’t be able to produce a duplicate that can fight. You have to keep up as much as you can to maintain it’s appearance.

Risty who completely understand her own flesh that’s why she can use it, It’s a single treasure tool of the sanctuary. Originally it was Trisulia’s national treasure, it was givin to Risty along with her alias.

Chapter 30: Female Heroes on both hands (1)

「…uu, Nnn」

Her head aches. While feeling in haze, Yuuto slowly opened his eyes.

Dark. It's the darkness of the night. While looking around absentmindedly, Yuuto finds what appears to be the ceiling.

「You awake? Yuuto」

Yuuto's heart moved big due to the voice.

He tries to get up in order to get away but his body screamed pain and doesn't let him.

But, he still managed to move his line of sight ahead, Yuuto saw.

「Captain Risty…?」

Smiling gently, it's the figure of the captain of the imperial guards that he's proud of.

Risty nodded to Yuuto's mutter.

「Let me give you my thanks first. Thank you」

Risty sits on a chair and stares at Yuuto's face.

To that face, Yuuto's eyes gradually fired up.

Golden hair. Brown skin. Then, her strict yet gentle look.

The Risty Yuuto knows is in there.

「Cap-tain. …Risu-captain」

Yuuto's tears flowed out, Risty scratched her cheeks bashfully. Just like that, she embraced Yuuto's body slowly.

「It's really captain. Uu. Even the chest is flat.1 It's captain Risty. Ugu」

「…There, there. You worked hard」

Risty's eyebrows moved due to Yuuto's words but it was subtle. However, seeing Yuuto sobbing, 'Well, it's fine' she said while patting his back.

For a few hours, the two felt each other's temperature motionlessly.

Yuuto somehow was able to get up while recovering, he looked at Risty's shoulders with swollen eyes.

「…Have you settled down now?」

PonPon, while beating his back, Yuuto wiped using his sleeve. The same gradually attacked, Yuuto unfastened his hug with Risty.

「Yes. …Where's this? After that, what happened? What about Asuka-sama?」

Yuuto's memory is out when he created the space-time sword. However, since Risty is here, Asuka did it.

Not seeing Asuka's figure, Yuuto faced Risty with an uneasy expression.

「Don't worry. Asuka is sleeping on the floor under. She's been nursing you all the time」

Seeing Risty point ahead, Yuuto's chest heated up. Bandage rolled in the body. Though it was clumsy, Yuuto was able to imagine Asuka working hard.

According to Risty's story, after Asuka returned Risty's true nature, it seems that she entered one of the houses in the village and nursed me. Taking up someone's time, Yuuto looked at his own miserable body.

「But, I'm glad. Captain Risty is safe」

With tears falling down, he spoke those words. Risty's insides *Kyun*, throb due to Yuuto's expression. Seeing Yuuto's wounds, Risty's face distort in sorrow.

「Sorry. I've been weak-minded」

Risty hanged her head, Yuuto shook his head. Risty is a splendidly played her role as a hero. Nekyuara is something that Asuka and Yuuto can't subjugate alone. If Risty isn't there, there's the future of them being manipulated.

「That's not true. It was cool. …Captain is my Hero」

Yuuto laughed. He's glad that he's recognized by the person in front of him, he's glad that he can reach to the person in front of him, Yuuto laughed from the bottom of his heart.

「I-I-I-I-I-Is that so? …When Yuuto says that I feel embarrassed」

Not being used to being called like that, Risty's brown cheek dyed red. However, having a slightly lonely look, Yuuto tilted his head as he watch Risty.

Then, 'ah, I see', he understood.

「It's fine. I love you too as a woman」

「Fuee!? N-No. T-that's」

Yuuto said "So cute' as he gaze at the panicking Risty. Of course, he loves Asuka but Yuuto is also attracted to this captain of the imperial guards.

Unexpectedly, she's cute in some places. Yuuto drew Risty towards himself.

「Aah. …Wai-Yuuto. S-something's hitting me」

Kotsun, Yuuto's double is being pressed against Risty's stomach. Furthermore, it's erect, Risty's face dyed red, Yuuto tilted his head.

Certainly, I thought of Risty as cute. Isn't this the so-called fatigue Mara2, Yuuto

scratched his cheek.

「Ahaha. It seems that it stood up. I wonder why. It's because Captain is being too cute」

「Wai. Don't suddenly stroke my ass. …Fufuun」

Yuuto strokes the pulled body of Risty. The moment he stroke her ass, Risty leaked out a sweet voice.

That sigh was moist, it made Yuuto's groin incredibly horny. As Yuuto's double slowly harden, Risty was unable to endure her voice.

「Hyaan! It's sticking. Yuuto, wai」

「Huh? You don't want it?」

Yuuto hugs the struggling Risty then gently strokes her. It's good that RIsty can't refuse strongly because she's worried about Yuuto, Yuuto brought his lips near Risty's nape.

「Ah. Y-You can't Yuuto. Such a thing, I…」

Risty's body shook as her neck is being licked. Putting her hand to her mouth, having an appearance of suppressing her voice desperately, Yuuto's chest roared.

「What are you afraid of?」

「Nn. B-Because. I, Yuuto」

The hand was permitted to enter the coat, Risty tries to separate with weak force. Risty's rejection is different from usual, Yuuto squinted his eyes.

Yuuto's hand is surrounding Risty's body. Then, Risty was pushed down by the palm. Risty's eyes was captured by Yuuto with a small surprise.

Before she noticed, Risty was already pushed down by Yuuto.

「Please don't mind it. I didn't come to hate Captain Risty by such a thing」

Yuuto's straight eyes clogged Risty's throat. She wants to say something but it was interrupted by Yuuto's right hand.

「Ah, you can't. Yuuto」

Risty's restraint wasn't heard, Yuuto stripped off Risty's loincloth. Risty's brown skin is exposed, Yuuto put is finger on the tip of the underwear. He lowered the underwear just like that, then, at that moment, Yuuto's movement stopped suddenly.

「U, Uu. Please don't look…」

A light spreads on the lowered underwear. It's a string of love nectar, Yuuto fixedly stared at Risty's face.

「What happened to this?」

「Uu. Sorry. But, that violence. I, I…」

Risty's face is distorted in sorrow. She's frowning apologetically, Yuuto guessed Risty's mind.

That pleasure she felt during the battle. Even though she degraded, that was originally Risty's frenzy.

Because she was tamed without killing, she was able to reach this heights.

Yuuto grasp his fist on the teary Risty. Yuuto has finished his resolve without even taking a second.

Slowly, Yuuto extends his palm to Risty's head.

「Isn't that fine? That's not something to be embarrassed about. After all, Captain is my prided toy」

「Eh? Wa, Wait!?」

Risty's cheeks blushed as her body is being stroked, Yuuto suddenly lifted her up. The arm muscle screamed in pain but not minding it, he lifted and opened Risty's legs with both hands.

Having her body forcefully turned up, Risty's legs was extended next to her head, she's all exposed.

「Ya. What are you. …Hyaan!?」

Risty's anus is swelling, Yuuto kissed the lip. Unable to endure, Risty raised her voice but Yuuto keeps kissing Risty's hole just like that.

「Fuu, Uuuun. W-what are you doing?」

「What? I'm kissing Captain's cute anus」

Yuuto answered, Risty's face was burning. Though she tries to resist, her body can't move well because of embarrassment and light expectation.

「It's fine. Captain is Captain. Loves being done in the ass, yearns for the princess, feels it when she battles to death. Aren't you fine being just a pervert? Showing off such an erotic anus is just an increase of your fetish, what are you thinking so late this game?」

「T-that's. However…Kufuun」

It's understood. Battle maniac. Just how much is she prepared or she has devoted her body in justice? It's painful to keep fighting while drunk by your own desire, Yuuto finds it hard to imagine.

But if it's for her, he can do it——

「We'll be playing all night long. After all, Captain is my toy」

He intends to accept it, the boy thought.

Chapter 31: Female Heroes on both hands (2)

「Nn, O, ooooooooooo」

Piku Piku, Risty's leg muscle shrinks.

Turning out like a frog, as pleasure run into Risty she leaked out a silly voice.

「Loook. Zupo Zupo— Or rather, for bringing this during the duty? You're really a pervert, captain」

「Nhi. D-don't say strange things」

With her face dyed red in shame, Risty became desperate and bit the sheets. The anal hole is opening greedily, Yuuto's special made dildo jumped out from there.

Yuuto fiddled with the anus in front of him, Risty shed tears in shame. Spreading her two legs, she really looks like a brown frog.

「Aaaa. It's dripping endlessly. The anus is being dug, you really are useless」

「Oo, Oooo. T-That'sh. Ouu」

「N, It should be good」

「Noo. Ah, aaaaa…」

It's around an hour. Taking plenty of time loosening her anus, Risty shed tears from the leaking pleasure.

She can't show her sluttish, disarrayed expression, but hearing her pleased voice, Yuuto smiled broadly.

「Aaaaaa. Yuuto, we can't. Not anymore. Please, I beg of you…」

While wriggling her waist, Risty finally began to beg Yuuto. Yuuto smiled, he asked expressly if she wants something.

「Well then. Since you're already staggering, please face your ass here」

Heave-ho, Yuuto gently lowered Risty on the bed. While twitching, Risty was going to raise her waist then Yuuto extends his hand.

「W-wait. Yuuto is still recovering. Don't overdo it」

「Eh. But…」

Risty's weak tone is serious, Yuuto stopped raising the waist. However, even if you say that, Yuuto only knows the way to do her behind as usual.

'What should I do?', his body stopped his body, RIsty got up. Risty stood with her knees and knocked Yuuto down the bed.

Yuuto was secretly in panic, Risty expands her leg and straddled on him.

「I will be the one moving. Yuuto only has to feel good」

「C-captain?」

Risty opened her legs in front of Yuuto. Her delicate thighs, her crotch spread open. Her golden bush has love nectar dripping from it. Yuuto gulped down to the beautifully obscene spectacle.

「Thank you for helping me. You worked hard. …This is a reward from me

Risty's expression looks bashful, Yuuto's heart jumped.

A strange master-servant relationship. Getting out of that, It's the usual Risty. However, it's the first time he saw that smile , Yuuto's cheeks dyed red.

Risty smiled gladly seeing Yuuto's agitated face. She slowly sat down on top of Yuuto.

Opening it's mouth on the tip, Yuuto leaked out a voice unconsciously.

「Nn. …N, fufu. What's wrong? Yuuto? It's harder than usual」

「T-That's」

Since that day, Yuuto has always taken the lead. Though he doesn't know the lefts and rights, he desperately smoothed it over with a masked smile. That's because it's no good if she's disillusioned.

He said that he will be the owner. He can't show awkward place.

「Hora, the point is completely in. It's hot, it feels good」

「Wai-C-Captain」

Zuryuzuryu, Risty's mucous membrane is stroking Yuuto's double. Seeing the predation unfold, Yuuto's cheek reddened.

「Ah, Kuh」

「Fufu. Good, endure it. It's fine today. Please receive my feelings」

Risty's movement becomes intense, the vertical movement sounded. Yuuto's penis is swallowed intensely as Risty move systematically .

「Nn, Big. I'm glad, Yuuto, you're feeling it from me. Haha, It's like I'm squatting」

Risty moves up and down while tightening her hole. The anus of Risty mixed in with lotion, Yuuto barely endured raising his voice.

「Ah, ku. …C-captain Risty」

The penis has risen to the limit. Risty's anus is being turned over by the pole completely. Risty's womb trob as Yuuto's expression flushed.

「N, aah. I love you Yuuto. I love you. I'm fine being next to Asuka. I won't tell you to love me. Please feel me. I. My body, please feel me」

Risty desperately shake her waist. Being attacked and getting drunk to pleasure, RIsty endured and clenched her teeth. If it's the usual, her whole body succumbs to the pleasure from her anus and leaves it all to Yuuto.

With her reason breaking down, Risty looked down on the boy she loves.

The body is worn out, his prided ability can't be used right now.

It's not necessary to thank him. However, more than that. It's a recurring feeling that's deeper than her feeling of gratitude inside Risty's heart, it's the feeling of love for the man named Kashiwagi Yuuto.

「O, Oooo. I-I love you. Yuuto, I love you. Ou, oo, oo. I love youu」

Risty's mouth leaks out a lovely voice. She's at loss and puzzled as she look down on the boy who's feeling her unclean hole. Even so, it's natural, Risty laughed.

Both of them knows it's not serious. She's calling her master dearly but that's because they're next to each other.

For that reason, she's perhaps in disorder.

「It's fine, because …I love the princess More than you, Yuuto…」

Hearing those words, Yuuto held his breath. She keeps moving her waist, Yuuto certainly saw the expression of the Risty with disheveled hair.

A voice slipped from Yuuto's mouth.

「M-Me too …I love Asuka-sama. more than Captain Risty」

Risty's smile was gentle. 'I wonder why she's crying?', Yuuto looked up to the teary Risty.

'That's fine', Risty smiled at Yuuto.

「I love you」

「I love you」

Having their words addressed to someone uncertain, Risty and Yuuto became one.

Risty deeply lowered her waist and at the same time, Yuuto pushes up his.

「Ah, Ooooooo. Y-Yuuto. Nuooooo」

「Nku. C-captain」

Pounding. Every time Risty's pierced, an obscene voice leaks out an obscene voice. Her gentle expression a while ago turned into obscene, Yuuto shake his back.

「Oo, Noo. Ooo, Ou. C-cumming. Noooo」

Everytime her anus is being turned over, Risty's mouth turns to a lewd shape. The focus and visual point isn't fixed, but still it wandered around searching for Yuuto's face.

The mucous membrane is rolled up, the moment it's pulled out, Risty raises an animal voice. Her pointed nipples, her humble chest and areola is standing up firmly.

「Ogu, ooooooooooo. Cumming, Cuming. ash, I'm guming from my ash」1

Risty's body trembled, at that moment, Risty waist is pulled down to Yuuto forcefully.

The penis pierced the interior, RIsty's face jumped to the back.

「G-gumiiiiing. Aaaaaaaaaaaaa」

Risty clenched her fist on her chest, she grasp it tightly like a child.

Seeing that momentarily, Yuuto vigorously vomits himself to Risty.

「O, oou. G-gumming. A, aaaaaaaaaaaaaa」

Yuuto's sperm is flowing, Risty's vision is filled with light. The pleasure runs through her whole body, Risty is led to climax once again.

「O, Ofu? O ah. A, aaaaaaa. C-gumming. gummingagain」

She spread her legs, she threw out her tongue lewdly, Risty's whole body is twitching as she reached climax.

「…Cumming」

Her chin faces the ceiling, both her hands are pushed out like a small animal, Yuuto's penis got hard again.

A moment of silence. *Piku Piku*, Yuuto draw Risty's trembling body with both of his hands.

「Captain Risty, I」

「Noo. Well, wait a moment…」

Wait. The moment Risty appealed.

It took a minute for the Risty who bear pleasure to be fully conscious.

Yuuto and Risty didn't notice the footsteps approaching in the mean time.

Risty noticed it first, blood was drained from her face.

Risty tried to put force on her leg instantly but Yuuto pulled the pulling out waist with both his hands so she can't escape.

Yuuto tilted his head from Risty's actions, *Kotsun*, he pushed up his waist.

「What's wrong? Hora, I'm moving again」

「Noooo. I-Idiot. It's not」

Risty's rebuke echoed emptily.

「Yuuto, Are you okay? No, it’s not that I’m worried about you. It’s not that I don’t want to nurse you. Since you worked hard, it can’t be helped, or rather. There’s no choice but me」

Asuka opens the door while making some excuses, then she entered the room.

「…Eh?」

For the first time, Yuuto heard the sound of his heart stopping.

Chapter 32: Female Heroes on both hands (3)

「Eh. …Eh?」

Asuka's mouth formed a chestnut shape. Watching her front, Asuka gazed at the pair in front of her.

「Errr, This. …Asuka-sama?」

「Wait, Asuka! T-T-T-T-T-This is!」

Yuuto is lying down in bed, Risty is straddling on top of him. Risty's body is naked, Asuka was somehow able to guess the situation.

Yuuto's sweating endlessly, he's in despair, Risty's expression carries panic.

Above all, they can't make an excuse on the scene, the scene is spreading in front of Asuka.

「Wha. …Y-Yuuto. E-even captain」

Asuka's body trembled. She lowered her head, the two gulped down their saliva as Asuka is shaking.

She made a fist on her right hand and Asuka raised her face. Seeing that expression, Yuuto prepared for his death.

「Yu-Yuuuuuuuuuttttttooooooooooooooo!!!!」

An angry voice never before heard, the two story house trembled. Asuka is blazing with anger, Yuuto can't do anything but open and close his mouth.

◆ ◆ ◆

「Wait! What does this mean!?」

While shouting, Asuka thrust out under the tip of Yuuto's nose. Asuka's eyes is burning, 'I'm angry!', like that, Asuka sticks out her feelings to Yuuto.

「No, Asuka-sama. Please Listen. This, you see…」

「You even did naughty things with meeeee!!」

Yuuto's scruff is swung back and forth. The connecting part with RIsty lost balance, catching the bandage on Yuuto's neck, his nape is being tihghtened.

「Ugu, guuuugufu. A-Asuka-ama. I can't breath…」

「You even said that it was your firs tiiiiiimeeee!!」

Asuka tightens the bandage of Yuuto left and right. While wandering on the boundary of life and death, Yuuto asked help from Risty.

「A-Asuka. Please stop that. Yuuto will die」

「Fuee? Ah, aaaaaaaaaa!! Yuuto, what's wrong!?」

Who did this? Asuka is surprised at Yuuto's pale face. When he was released from the bandage, Yuuto told that he's okay by moving his hand.

Asuka is moved to tears apologetically, Yuuto scratched his cheek as he was punished for being bad. To be frank, it's impossible to evade this situation. After all, Yuuto's superb article is still inside Risty's ass.

Seeing Risty's waist, Asuka frowned. Risty turned her face instinctively from Asuka's gaze.

「S-since when!?」

Leaning forward, Asuka drew closer to Risty. Asking when they had that kind of relationship, Risty looked at Asuka as if saying 'What's up with that?'

「I-It's around the first day of the first month, I think」

「I was right!!1 Yuuuuuttooooooooo!」

Receiving Risty's reply, Asuka once again raged at Yuuto. Yuuto's brain fires a danger signal as Asuka glares sharply.

「You!! Didn't you say that it was your first time!!! You lied to meeeeeee!!」

This time Asuka blows her consciousness to attack Yuuto. *Gueeee*, Sticking out his tongue, Yuuto makes an excuse in tears after he was released.

「Ugu, T-That, you see. That, it's a half lie , or rather. I didn't lie」

「What's that!! You're doing it with Captain Risty, wait…eh?」

Driving Yuuto's voice into a corner, Asuka points at the union part of Risty and Yuuto. Risty said that their relation started one month ago.

However, feeling strangely uncomfortable on the part she points out, Asuka opened her mouth wide.

「…Eh? Nn? E-excuse me for a bit」

Asuka asking 'What does this mean?' raised Risty's legs. Though she's embarrassed to raise her waist, Risty obediently followed Asuka.

Zuryuryu, Yuuto's penis came out from Risty's anus.

「Hii, Hiii!!」

Asuka's body trembled. Asuka took a step back as if seeing something fearful. With her trembling finger, Asuka pointed at Risty's spreading anus.

「W-what are you doiiiiiing!!!!」

Asuka shouted, Yuuto and Risty looked at each other asking how they should answer it.

◆ ◆ ◆

「I can’t believe it! I can’t believe it! What are you doing!?」

Asuka hugged Yuuto while trembling. Asuka is dressed lightly so the chest hits his face, the soft feeling attacks Yuuto’s face.

「Wai, hurry up and pull out Yuuto! It’s dirty! Hurry up!」

While holding Yuuto, Asuiika turned her hostile eyes to Risty. it’s a fairly general reaction, Risty’s face is dyed in shame and a bit of anger.

「W-what do you mean by dirty! It’s being cleaned by Yuuto’s treasure tool so it’s ok!」

「Hii! P-Please don’t bring it close」

Risty took out the dildo, Asuka spoke from her throat. *Gyaagyaa*, having the two girls make a racket in front of him, Yuuto just watched them silently.

「Don’t involve Yuuto on your strange hobby !! I can’t believe it! You’re a pervert!」

「So what if I’m a pervert! Even Yuuto, he does it for my sake」

Saying that, Risty was ‘shit’, then shut her mouth. With the woman’s intuition, her intuition can guess what her silence means.

‘Just as I thought’, hearing that, Asuka stopped moving. Then, smiled as if looking down.

「Fuuun. Captain, is still a virgin?」

「Guh. What’s with that triumphant face」

Risty’s face warp in displeasure, Asuka slowly hugged Yuuto’s face again.

「Nothing. I’m not feeling triumphant though. Well I was, to Yuuto, Yuuto accepted my first time」

Fufun, Asuka behaved like a spoiled child, Risty’s temple shook. Just like that, she opened her mouth forcefully.

「Well, as for me. I did it with Yuuto multiple times. We did it daily for one month」

This time, it’s Asuka’s mouth that twitched. Having the clue, Asuka remembers the time where Yuuto returns late.

「Eh, Eeh. I see. I thought that you were late coming home. Haha, ahaaha」

Feeling the embrace getting gradually stronger, Yuuto felt his back freezing. If this continues, it’s likely possible enough for Asuka to turn her scarlet sword against Yuuto.

「Uhm, Asuka-sama. You see…」

「Can Yuuto shut up? I’m talking to the perverted anus girl right now」

With a smile, while staring at that smile, Yuuto shut his mouth after saying「Ah, Yes」

To make sure, Asuka extends her hand to Risty. Just like that, the two people's hands are grasping each other tightly.

「Hey, Can you remove your dirty hole from him? My, Yuuto's penis」

「It's not yours anyway. Yuuto's thing is still hard inside me」

Grinding sound, Risty brought her face close to Asuka. It's as Risty said, Yuuto's lower half is still energetic right now. When weakened, the survival instinct works and it became erect. Yuuto's body might've recognized that it's the time of his death.

「Yuuto feels too good inside me that he came right away」

「Hahaha. What a coincidence. Even inside my anus, Yuuto always endure leaking out his voice」

While they do a shameful confession battle in front of him, Yuuto covered his face in shame. 'Let's take it out for the time being', those were Yuuto's thoughts, Risty's tone looks like she has no intention to let that.

「Well , if you're Yuuto's lover, then I'll back off. How's that?」

「Wha!? W-w-w-were' not lovers!…But」

Risty counterattacked while grinning, Asuka's words were clogged. Yuuto's vision is fleeting, Yuuto heart is beating and he can't look at Asuka.

Risty began to increase the power of her hand against the indecisive Asuka.

「Fufufu. What is Yuuto to you? If you can't make it clear, you'll lose」

「W-what do you mean by that!? Then, what is Yuuto to Captaiun!?」

Risty knows. She's at disadvantage, the match has been decided from the start. Still, she can't lose in this place, Risty declared herself as if declaring her win against Asuka.

「I am Yuuto's toy. My vow to Yuuto is that he can use me as he likes anytime」

Asuka opened her mouth wide to the boastful Risty. Then, she banged her forehead to Risty's forehead.

「W-what the hell is thaaaaaaat!! Aren't you just a perveeeeeeerrt!!」

「I'm fine being pervert!! Yuuto is pleased anyway!!」

Risty undauntedly press her forhead. While the quarrel of the women heats up, Yuuto's expression is about to cry.

Although everything is a result of his indecisiveness, the two of them aren't ordinary girls. If this continues, he doesn't know what kind of tragedy will happen, Yuuto mustered up his courage and began to talk.

「T-the two of you. Please stop fighting…」

That moment, Yuuto's body was pierced by an incredible amount of blood thirst. Though Yuuto's consciousness flew for a moment, he was able to evade it with guts.

Swaying, Asuka turned to Yuuto.

「Yuuuutoooo. In the first place, youuuuuuuuu」

'I'm gonna be killed' Yuuto's mind has the image of death clearly jumping into him.

Yuuto raised a small scream to Asuka's stretching hands.

「…Eh, ehh?」

However, Yuuto's body is wrapped in a warm feeling. Asuka gently hugs Yuuto, then kicking Risty's waist.

「Gya」

Risty's body bent backward, with that power, Yuuto's penis jumped out of the anus. Looking at it carefully, Asuka's hand is applied to the waist.

Facing Risty, Asuka declared loudly.

「Captain, It's a match!」

Pointing out her finger, Risty frowned as he's unable to understand.

However, Asuka continued to talk to Risty without minding that.

「It's a match to know who can make Yuuto feel good」

Chapter 33: Female Heroes on both hands (4)

Kashiwagi Yuuto is blushing.

「U-Uwaa. What are you getting excited for, pervert. A-aren't you hard?」

「Fufu. What's wrong, Asuka? Are you scared because you're not used to be seen?」

The two's voice didn't reach his ears. Yuuto raised his chin a bit in order to hide his red nose.

「Getting Scared! I-I'm different from Captain? Yuuto accepted me properly」

「Hohou. Well, in my case, Yuuto accepted all of me」

Spark fly as the women fight currently under his chin. 'What should I do?', Yuuto glimpsed down.

「Wa, It got big again! Why!?」

「N-Now. Even I am…」

The two people. That's right, its two of them.

Between Yuuto's legs, both Asuka and Risty looks at Yuuto's superb article.

Fair limbs and brown skin. Both are stark naked, they watch Yuuto's penis with a vacant face.

(Ah, I'm fine dying)

The life was saved with all efforts, but such though crossed Yuuto's head.

The beauties came near him on good will, the two naked bodies are sticking in his leg.

What. 'Is this the other world?', Yuuto thanked his fate this late.

「Then. What's the method of the match?」

「Isn't that obvious? The one who makes Yuuto feel good in one way or another wins!」

The Hero rank 4th and 7th. Asuka of the Scarlet Sky and Risty of Dual Sovereignty. That Asuka and Risty, seems to be having a match on who's going to make him feel good.

(Other world is amazing…)

'I'm glad I died' That day's driver-san, thank you, Yuuto looked up the ceiling absentmindedly.

「Then, let's lick it for the time being. …Hamu」

「Ah, I started late」

Yuuto's groin stares up the ceiling, *Nupuri*, a warm feeling wraps it up. He endured leaking out his voice unconsciously, Yuuto dropped his eyes on his lower body.

「Amu. Nn, Nbu. …Puha. How's it, Yuuto? You love my mouth didn't you?」

With the glans ahead, Risty made her tongue crawl in his penis gladly. RIsty's small tongue is moving from the top to the root.

Asuka watch Risty in surprise as she does unexpectedly skillful oral pleasantry. Even if it's in front of her, she couldn't imagine the girl making a lewd face is Risty.

「Fufu. In this past month, I practiced my mouth for Yuuto's sake. My tongue is the best, right? Yuuto」

「Uu. T-that, you see…」

Risty laughed on the hesitating Yuuto. Risty gladly holds Yuuto's penis in his mouth. Seeing that, Asuka's face is carrying panic.

「T-That's unfair! Even I am A-amazing!」

'Move out', pushing out Risty, Yuuto's penis is already overcapacity. Asuka chewed her molar as she failed.

Thinking about it a bit, Asuka in front of Yuuto stared at his ball sack.

「…Ei」

「Uhyaa!」

Perori, Asuka's tongue licked Yuuto's sack. *Zowawa*, her tongue made tickle run through his back, Yuuto instinctively raised his voice.

Asuka's eyes shined to Yuuto's reaction.

「D-Did you hear that? Uhyaa, he said, Uhyaaa he said!」

Asuka's eyes is glittering as she expanded her nostrils towards Risty.1 Even Risty had curiosity winning over frustration, she looked at Yuuto's sack with curiosity.

「Hou. Now that you've said it, I've never licked that place. …Rero」

「Ohyo!」

From the left side of his sack, this time it was Risty who used her tongue to lick it., To the unfamiliar reaction, the two's glance went to Yuuto's face.

Yuuto faced the other way in shame, the two had their mischievous heart move.

◆ ◆ ◆

「N, Nbu. …Haa, nbu」

「Chu. Ah, Hamu. Nu」

Several minutes later, Asuka and Risty's face was there, licking the penis wholeheartedly.

Yuuto's heart is throbbing as he looks at the two but the two no longer know when to stop, they're putting the penis in their mouth with their nasal breathing getting rough.

「Reroo. Yuuto, How's it? Does it feel good?」

While lifting the sack with her tongue, Asuka opened her mouth and politely licked the other side. She's been holding it in her mouth to lick it since earlier, Yuuto's lower half is wet with Asuka's saliva.

「Puha. Yuuto, me too. Are you feeling good?」

Risty looked up to Yuuto when she released her mouth from the penis. Even if they don't hear such a thing, Yuuto's lower half has become even harder, the two was tired of waiting Yuuto speak.

「Err. It feels good」

Yuuto smiled. It's good that it feels good but too much is dangerous. Yuuto desperately endures ejaculation since several minutes ago.

Hearing that Yuuto feels good, Risty's expression became cheerful. Risty rubs her face against Yuuto's body, Asuka stared at the pupils startled.

The blonde hair of Risty strikes the skin, Yuuto lifts his hand suddenly. Seeing the troubled Asuka, Yuuto dropped his right hand on Risty's head just like that.

「It feels good, Captain」

Patting her head, Risty smiles happily. Risty began to lick the penis while being patted, Asuka wiped off her sweat.

「Y-You. W-what are you really doing? Do you know who she is?」

It's the middle of the match but Risty's change of appearance is overwhelming, Asuka sent a complicated expression to Yuuto. Yuuto also scratched his cheek as he wants to tell Asuka to understand.

「Somehow, you're making love strangely」

「Making love you say. I'm not an abandoned cat」

Though Asuka returned amazed, the question made Risty aroused instead that she sucked the penis stronger. *JubuJubu*, the cheek is puffing as Yuuto's double is being sucked.

Exposing her shameful appearance is embarrasing but it's the fact that Asuka, her subordinate is seeing her appearance right now, Risty got excited in the helplessness.

Naked, she herself is serving her younger subordinate. The spectacle unthinkable several months ago. Furthermore, she's being seen by the subordinate of the same surname.

Risty's love nectar is dripping down, Asuka turned her face away a bit. However, Risty herself is changing in arousal, Asuka felt a strange heat inside her.

「W-wait. Please pat me too」

In order to deceive the heat inside, Asuka dyed red on the surface. Yuuto turned his face surprised on Asuka's demand.

Asuka looked the other way bashfully.

「I-It's not I want to be praised but. It's unfair if it's just Captain Risty. I-It's a match. Do you not want things from me?」

Asuka speaks her dissatisfaction while pouting. After hearing the gulping sound from Asuka's naked body, Yuuto affixed his right hand on Asuka's hair while hesitating.

「G-Good girl」2

Pat. Asuka too is a cuticle3 that won't lose to Risty. Asuka's expression turned redder than before because of Yuuto's gentle palm.

「J-Just for tonight. You get it?」

Yuuto doesn't know how to respond to the really angry Asuka, he forced himself to smile.

◆ ◆ ◆

Guchi Guchi, the obscene sound echoed in the room.

Yuuto's penis is is glittering from Asuka and Risty's saliva and his own body fluid. The two of them are cooperating to stroke it with their fingers.

「Au, Ua」

He can't help but leak out his accumulated voice. The hand has became a cloudy body fluid mixer, the fingers sends pleasure and a change occurs to Yuuto.

Asuka and RIsty replenishes it with their mouth before it dries up, then four hands were rubbing it carefully.

Up to this point, no matter how good Sasha's hand is, this is above that. Feeling the pleasure like never before, Yuuto finally pushed his upper body forward.

BikuBiku, Yuuto's penis tremble as it release, Asuka panicked and pushed away Risty.

「Ah, you can't. If you want to cum, then cum inside my mouth」

「O-Oi. That's a foul!」

Asuka released her arm from Yuuto's penis, Risty frowned and gripped it. However, Asuka exposed her hands to her chest insisted that it's natural.

「Because, didn't captain had it inside your anus just a while ago? That's unfair」

Risty's words were blocked by Asuka's words. Certainly, if this continues, Asuka would be in much more disadvantage.

「A-Asuka-sama. If you want it, then a condom…!!」

Asuka somehow heated up, Yuuto put power in his right hand in panic. However, The moment he attempted to materialize『Unfaithful Cloth』in this boundary, Yuuto's head felt an intense pain.

「Ah, idiot! You still have to rest! You can't use your ability」

Asuka gently embraced Yuuto's distorted face. Thought his face touches the bare chest directly, Yuuto has no room to spare to enjoy the feling.

'Good Good', Risty watched from the back with a worried expression as Yuuto's head is being stroked.

「It's fine as it is today. You can let it out」

「T-that's. but…」

'Lie down', Asuka supports the penis that became a bit soft with her hand.

Though Yuuto resisted at start, he looked up at Asuka who opened her lets and straddle over his waist, his penis regained hardness.

Asuka dyed red in shame as Yuuto recovered.

「Listen? Just for tonight, Just tonight. Since it's a match, it can't be helped. I-It's not like I want to do it with you, or want children, it's not like that okay?」

She was smiling gently, but 'fuufuu' Asuka's nasal breathing is turning rough, Yuuto instinctively gulped down his thirsty throat. Asuka stradle to show her secret place, Yuuto's penis was shaken off by just that.

「I'll be the one doing it tonight. Y-You should just lie down and rest」

Asuka's breathing is rough, her excited face looks down on Yuuto. *nupuri*, when the tip entered Asuka, Yuuto let out a voice.

「Ah, Uaa」

「Nuu, Ah. Y-You shouldn't move okay? Yuuto only has to feel good」

She lowered her waist just like that, Yuuto opened his mouth from the rubbing feeling. The sensation isn't much different from the time when he used the condom with his ability.

However, with the fact that there's no contraception right now, Yuuto's inside has anxiousness and excitement mixed in, it's transmitting a unfamiliar pleasure.

「A-Asuka-sama. You can't do this」

「Don't. It's already in. Also, it's so hard. You have no persuasive power, Yuuto」

It was slow but, Asuka's waist is moving. *Zuryuzuryu*. with the pleasure of pulling out and putting in, Yuuto desperately closed his mouth. Seeing that expression of Yuuto, Asuka's womb throbbed.

「Ehehe. As expected of Yuuto, you're cute and weak. Only your penis is energetic」4

Asuka moved her lips to make Yuuto hear on purpose. Actually, Asuka's body is heating up but, she somehow was able to seize the initiative, Asuka moves her waist up and down with all her might.

Even she herself is surprised with the wetness of her vagina, Asuka bumps deep inside.

Still, Yuuto's penis further increase in size, Asuka feels good as she move her waist.

「Ahn. Yuuto's penis is hard. Ehehe, you're feeling good. Inside me, it feels good」

Unintentionally, she played with her nipples, Asuka firmly pinched both her nipples just like that. 'Haahaa', Yuuto's breathing turned rough, he spread his legs and shake his waist. *NukoNuko*, Yuuto endured his voice as his penis is going in and out.

「AaAh, Nuu. I-It's sticking in. Yuuto's penis is sticking inside me. This position reaches so deep」

Asuka's legs shiver. Asuka stopped moving, the feeling of Yuuto's penis hitting deep, she exhaled out deeply.

「Shit. This is nice. Yuuto, I'm was able to cum properly…Rufuun!?」

Suddenly, Asuka's voice turned inside out. To a stimulation she's not used to, Asuka looked back in surprise.

「Captain!? W-what are you doing!?」

When she looked, Risty is making her tongue crawl on Asuka's anus. Though Asuka instinctively tightened her anus, Risty lifted her right hand while grinning.

Asuka raised a small voice because Risty's hand has the dildo. It is to hinder Asuka, Yuuto has no idea what's happening.

「W-what's wrong, Asuka-sama?」

「'What's wrong?' It's captain. Hey, Hii!」

Asuka panicked, Yuuto had a question mark floating in his head. It's a good thing that Yuuto doesn't notice, Risty put the dildo in Asuka's anus happily.

The moment it touched Asuka's anus, the dildo turned to a thin shape in a moment.

The treasure tool changes it's thickness and length according to the development condition, Risty was 'Yup Yup' and smiled.

「Well, look. Since I'm just looking, I'm free, it's fine. It's Yuuto's treasure tool, trust it」5

The dildo that changed to the thickness of a female's index finger, it entered Asuka's insides. Turning back in panic, unfortunately, Yuuto's penis is buried deep inside, Asuka

stopped moving.

「Nn, Nhiii!!!?」

Asuka bent back and raised her voice, Yuuto looked up in curiousity.

Chapter 34: Female Heroes on both hands (5)

「An, nn, uu. …Nuu」

Seeing Asuka's state in front of him, Yuuto gulped down his throat.

「D-don't. wait. Wait a mom—Hiin」

While her body shakes with her legs spread, the melting Asuka's eyes grow senile. Yuuto's reason was on the verge of coming out of the boundary because of the girl straddling on top of him.

「N—? Is it not good enough as it was the first time after all? I though it has some qualities though」

「Hii! Ah, Stop. Captain, no more」

Asuka's anus is being pulled out by the dildo. Though it's almost a stich thin already, still the sense of foreign object for the first time wins over Asuka.

While viewing Asuka's twitching and difficult anus, Risty all of a sudden appeared to Yuuto.

「Yuuto. I want to do it too, let Asuka cum already」

「No, even if you say that…」

Risty showed up from Asuka's back, Yuuto scratched his cheek not knowing what to do. In the first place, he's enduring the stimulation of Asuka's vagina with his best. Wondering how to make Asuka cum, Yuuto was anxious too late.

「It's fine. Just like this, you go thrust it inside while her anus is spreading」

「Hyaa. A, nuu. W-wait」

While laughing, Risty expands Asuka's anus slowly. At that moment, *Zokuri*1, a sensation attacked Asuka.

Instinctively raising her voice, Yuuto's penis expanded.

Piercing it as experiment, Asuka dropped her body to Yuuto while shivering.

Embracing the Asuka that came, Yuuto's heart is throbbing. Though the soft naked skin is traced, Asuka's obscene faint trembling is being transmitted more than that.

Every time the inside is pierced, Asuka's body tightens.

「Look. Yuuto will spread it」

「Eh? L-Like this?」

Urged by Risty, Yuuto put his hands on Asuka's ass meat. Putting effort and slowly spreading the meat, Asuka's body is confirmed heating up.

「That’s right. You shouldn’t expand too much. …Fufu, it’s twitching. I can’t say about other people’s matter」

「That’s not. T-true…Fuu. Nuu」

Asuka objects teary eyed on the laughing Risty. However, her change of sensitivity is obvious, it was certain for Yuuto but Asuka is perplexed at herself.

Though there shouldn’t be anything inside, Yuuto spread the anus, Asuka’s back felt shivery. Every time the air touches the anus, she knows her own breathing and the anus twitching.

In the midst of shame, Asuka bind her lips desperately to disguise the embarrassment.

「You’re feeling it from your expanding anus. Even if it’s not where you should sent it in, you can feel it to some degree when the entrance is opened. For a beginner like Asuka, that hole is preferable」

「Eh, eeh」

Asuka watches Risty nodding to her anus, Yuuto strangely admired it. As expected from the personification of anus, Yuuto had that though floating in his mind.

「Well, but, you’re going to feel it when it’s put in sooner. How’s it Asuka? Are you now interested?」

「There’s no way I’d be interested. After all, this is trange. Perverted」

Asuka scowls at the peering Risty with a sharp eye. Risty laughed and brushed it off, suddenly she made a finger crawl on Asuka’s back.

「Hyuuuuu!?」

Asuka’s back curved then the penis was stick in deeply because of that. Asuka raised her chin while spasming, Risty clapped happily.

「Good. Cum sooner. Yuuto, tell me Asuka’s weak spot」

「Eh? L-Let’s see. She feels weak on her nipples…」

Nodding with a smile, Risty’s finger extends to Asuka’s chest. Both hand’s index finger firmly approached Asuka’s nipples.

「Here?」

「Afu. Ah, aaaah. Yaa, Yaa」

*Kyuu*2, Risty’s finger pinched Asuka’s nipples. Asuka resisted in panic but her power came out, there’s no technique to stop the fourth ranking in the hero rank.

「What a lewd nipple. Isn’t this too long?」

「T-that’s Yuuto’s fau— Ah, uu. Nnn」

Asuka had a disturbed expression while her nipple is being played from the back. Yuuto

gazed thoroughly at the two girl's foolishness.

Yuuto stopped moving his waist, Risty puffed her cheeks.

「Hey, Yuuto. Move properly. You have to move until the end」

「Ah, yes. R-right」

He thought that he wants to watch a bit more, Risty's words is reasonable. Since it's rare to put it in Asuka's vagina, Yuuto enjoyed his last spurt.

「I'm going to move, Asuka-sama」

「Ah, Aaaaaah. W-wait. Auuu. Nuuu」

Grabbing her ass meat, it was pierced while expanding. Yuuto's heartbeat grows faster as Asuka gets more interesting.

Even though Risty which is of the same family name is guiding, it's the fact that Asuka can feel it. To the red haired girl's disheveled appearance, Yuuto's manliness is stimulated.

「A-are you feeling good? Asuka-sama」

「Nuuu. I-I don't know. Hyuuu, uuuu」

It's the first time even for Asuka to feel such sexual pleasure. It's completely different from the stimulation of the masturbating, the heat shakes Asuka to the interior.

「But, I might like this. I may like this. Uu, as expected it feels good」

Gyuu, Asuka clings to Yuuto. Risty's finger came off, Asuka and Yuuto's naked skin overlapped.

Asuka's lip approached his ear, she's breathing hard that it can't be heard as a sigh.

「Naa, au. Fuu, fuuuu. Y-Yuuto. Yuuto'sh hard thing ish」

Every time her interior is pierced, every time it was pulled out, Asuka raised a voice, Yuut's penis increased it's hardness even more.

Feeling that, Asuka's waist began to move back and forth.

「Uu, aaaaa. Good. It feels goood」

「A-Asuka-sama. I'm about to」

Asuka's private part makes a wet sound. *ZupoZupo*, while making a lewd sound, Asuka recklessly nailed her waist to Yuuto.

「It's okay. Cum. Nn, auuu. I-I'm about to cum too」

「U, Uuu. C-cumming」

The moment it stuck in remarkably deep, Yuuto's limit came. Sensing the swelling of

the penis, Asuka prepared for an ejaculation.

「Asuka-sama!」

「A, Aauuuuuuaa. C-come. Yuuto is coming in」

The impact of ejaculation. Feeling that everything is being released inside, and yet, Yuuto moved his penis inside Asuka’s vagina.

Asuka also reached her limit from the movement of the ejaculating waist.

「Ah, Ya. C-Cumming. Y-Yuuto. Hand, ah, cumming, Cumiiiiiing」3

The moment the hand she stretched to Yuuto’s fingers, Asuka’s shaking body reached climax.

Chapter 35: The boy who came from the other world

「In the end, we weren't able to settle the match」

Asuka frowned while putting the cup of tea to her mouth.

Sasha on her side asked Asuka with a curious face.

「What happened? You were having a serious face the other day」

「N—, You see. Hey, It's nothing in particular」

Sasha looked her direction, Asuka was 'that was close', and closed her mouth. Thinking carefully, she can't go careless on this huge breasted maid.

(Hey, why do I have to mind him so much!?)

For some reason the more she thinks about it the more she get's irritated, Asuka is biting the cup.

In the end, the match that night ended as a draw. After Risty and Asuka heating up, Yuuto finally fell down and fainted.

Still, for some reason, Asuka feel uneasy as Yuuto and Risty are intimate.

「I-It's not like it matters to me who gets along with or what he does!」

「Haa, Is that so?」

Asuka finally crunched the cup, Sasha turned to look at her, amazed. Asuka doesn't accept it as conclusive, from the other people, Asuka's feelings are obvious.

(Well, I won't point it out though)1

Well then, the employee of the house goes out of the room while glancing sideways at her master.

It's also her job to listen to her master's grumble but this residence is wide. It's necessary to make up a time table to do everything by herself.

From laundry to cleaning to preparing lunch, she must do those things to serve her master.

'Funfun', while humming, Sasha's aim is to search for the boy.

The busy day starts again.

◆ ◆ ◆

「Yuuto-sama, what happen to this?」

Yuuto looked back surprised from the voice from his back.

「S-Sasha? For you to come here, you understood me well」2

Sasha approached him while balancing, Yuuto tilted his neck in curiosity.

This is the highest part of the mansion. In other words, the top of the red roof.

「Fufu, it's the maid's experience. Rather than that, why are you here?」

Sasha who sat down across, Yuuto bashfully scratched his cheek.

「Well. I somehow want to climb something extremely high」

Yuuto's expression is like a child prepared being found out from his pranks, Sasha shook her chest. Not noticing it, Yuuto looked at the scenery from the top of the roof.

「It's a nice scenery」

「Yes. Very」

A spreading Wheatfield. And then, the windmill stands thin. A spectacle of peace.

Wondering if he did his role, Yuuto slowly turned his fist into the sun.

「Sasha, have you thought being glad that you died?」

「Eh?」

Sasha raised a small voice due to Yuuto's question. No matter how you think about it, the question can't be understood. If you died, that's it.

「S-sorry. I don't get what you mean by that」

「Hahaha. Right, Sorry Sorry」

Yuuto laughed out loud3, Sasha opened her eyes wide. Sasha thinks it the first time she saw Yuuto laugh naturally.

「I'm a Hero right?」

「Ah, Yes. Yuuto-sama is a Hero」4

Sasha inclined her neck to his other question. Sasha doesn't understand Yuuto's seemingly happy tone at all.

However, 'that's fine', Yuuto's expression is telling her, Sasha's getting even more confused.

「Uhm, Yuu-to-sama. Yuuto-sama, just what…」

The moment Sasha opened her lip, her question was erased by even a voice from down below.

「Uoooiiii, Yuutooooo! What are you doing theeere! That's dangerouuuuus!」

Looking down, Asuka has come out of the garden and raised her voice. It seems that she's much more worried at Yuuto rather than Sasha.

「Arara. Master is angry. …Heave-ho」

Yuuto said ‘it can’t be helped’ and stood up as Asuka raise her eyebrows. As Yuuto stand up, he looked at Sasha and spoke.

「That’s right, Sasha. You had a question a while ago」

Yuuto reached out to Sasha while speaking. Taking his hand, Sasha turned her attention to Yuuto.

Yuuto’s expression that time was burned in Sasha’s eyes.

「Do you know otherworld?」

Yuuto pulled Sasha up while laughing like a joke. Of course, Sasha doesn’t understand the meaning of that question.

Yuuto suddenly embraced the confused Sasha. Seeing that, Asuka’s raised eyebrows went to the center unconsciously.

While looking down on his bad mood master, Yuuto faced the other side of the village. It’s not visible here, the brown colored soft hearted boss waiting from the castle ahead.

「Really, I’m glad I died」

Saying that, Yuuto started to run on the roof. Sasha raised a small cry and clings to Yuuto.

This time Asuka is really angry, from under the roof he jumped out.

Yuuto flies with a smile on that girl with red hair.

His affixed smile turned natural eventually.

「Asuka-sama!!」

The boy and girl pulled by a strange fate. He and she will change the world, the other world doesn’t now yet.

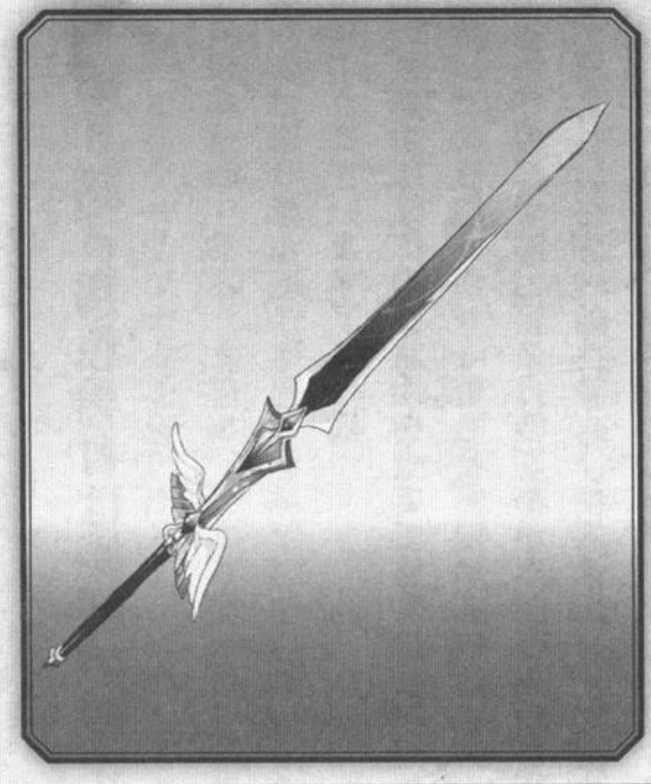
アイテム紹介 ITEM

緋剣 ブリュンヒルデ



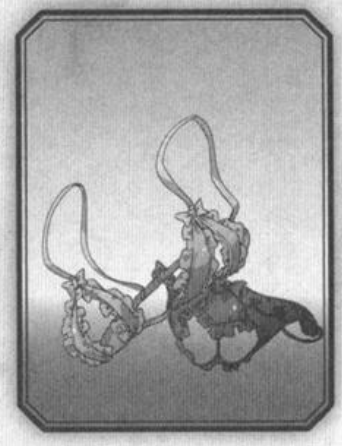
物理攻撃力 S

魔法攻撃力 S

総合レア度 S+

悠斗がアスカのために創り上げた緋天宝具のひとつ。
すべてを切り裂くという、単純明快ながら強力な能力を有している。
金剛石さえも両断し、上級結界ですら蜘蛛の巣を払うように切り裂くことができる。
剣としての切れ味が強力な反面、特殊な効果は有していない。

えっちな下着



物理防御力 Z

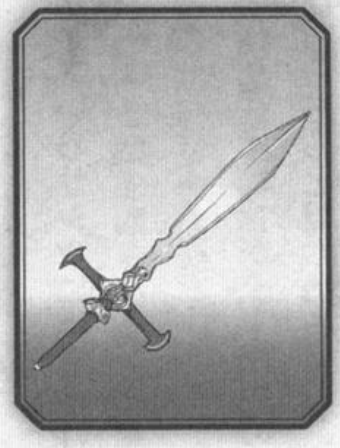
魔法防御力 E

興奮度 A

総合レア度 E

悠斗が「こんなのアスカに着せたらヤバイだろうなぁ」と思って作っていた宝具。
防具的な能力は皆無だが、これでも一応宝具である。
汗や汚れ、その他の有害な細菌やウイルスは、この下着に吸収され消滅する。クリーンで女の子に優しい。

原子切断剣



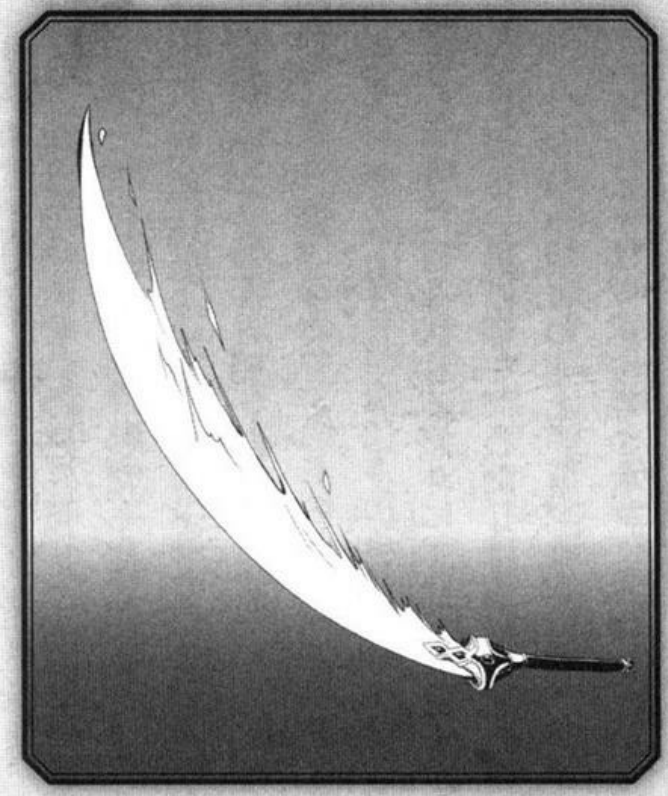
物理攻撃力 S

魔法攻撃力 D

総合レア度 A

物体を原子結合レベルで切断できる。
強力な切れ味だが、魔法的な能力は最低限。
耐久力も低く、悠斗の容量に関係なく普通の鉄の剣ほどの強度しか持ち合わせていない。

光の剣



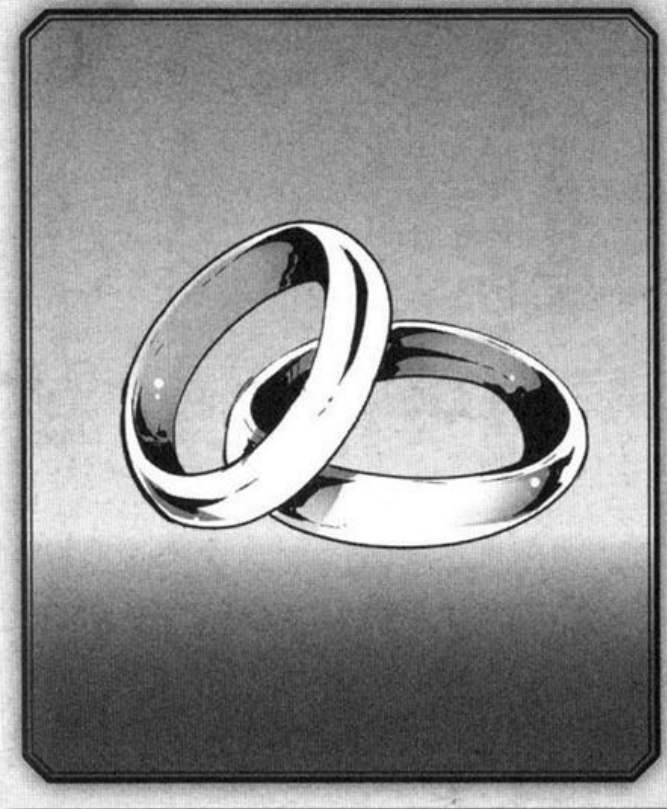
物理攻撃力 A

魔法攻撃力 A+

総合レア度 A

悠斗が初めて創り上げた宝具。光の精霊の加護の力を、ビーム状にして相手に放出することができる。
咄嗟に創造したために、最近まで悠斗がやっていたゲームキャラクターの武器そのままのイメージである。

聖具　オルトリンデ・ジークルーネ



物理防御力 S

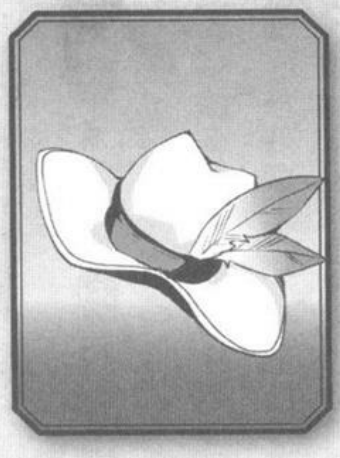
魔法防御力 S

総合レア度 S+

悠斗がアスカのために創り上げた防御宝具。小さなリングのような形状をしており、両乳首に装着することで効果を発揮する。
その防御能力は優秀で、基本的にすべての物理攻撃と魔法攻撃を無効化できる。
特にジークルーネの対魔法性能は凄まじく、攻撃魔法だけでなく幻術やステータス異常、自身を拒む結界等も打ち消すことができる。
また能力の発動の際には、小刻みに収縮することで所有者に攻撃の程度を知らせる。右と左どちらが収縮したのかで、攻撃が物理的なものなのか魔法的なものなのかを判断することも可能という優れもの。

アイテム紹介 ITEM

隠れ潜む道化師（ハイドアンドシーク）



気配遮断
SS

総合レア度
S

被ることにより、自身の気配を完全に遮断することができる最上級宝具。
視覚的な透化は勿論のこと、匂いや音、魔力や物理的な衝撃など、自身がいることによる外界への影響を無のレベルまで消し去ることができる。
悠斗の創り上げた宝具の中でも、アスカの緋天武装に次いで高いクオリティを誇る傑作。
何故ここまで作りこまれているのか、何故こんな宝具をストックしていたのかは、思春期の少年のみぞ知る。

浮遊する壱拾六の戦女（ロスヴァイゼ）

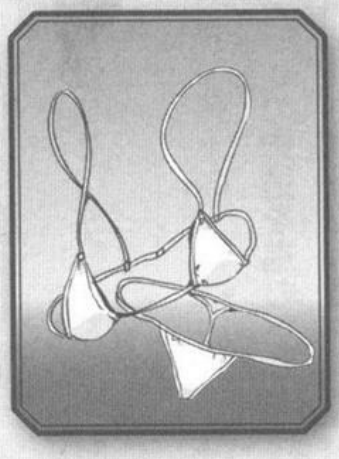
物理攻撃力
S

魔法攻撃力
D

総合レア度
A+

悠斗が自分のために作り上げた自動攻撃型の守護宝具。
自身の周りを浮遊する十六の石刃が、所有者の設定したプログラムに従って自律的に防御と攻撃を兼任する。
各石刃には番号が割り振られており、それぞれに別の指令を送ることも可能。
切れ味だけ見ても一本一本が最上級の宝具性能であり、悠斗のお気に入りの主武装である。

マイクロビキニ（白）



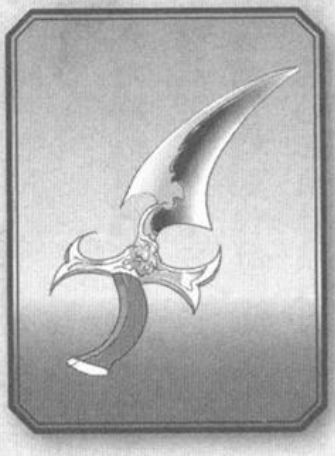
物理防御力
Y

興奮度
B+

総合レア度
F

ただの白い布。
褐色のリスティの肌によく似合っている。一応、最高級の生地でできているため着心地はいい。抗菌素材。

時空剣



物理攻撃力
F

魔法攻撃力
A+

総合レア度
A+

時空を切り裂き、任意の空間とのゲートを作り上げることのできる宝具。
能力の特性から、対結界魔法にも効果を発揮する。
見た目以上にその能力は希少であり、悠斗のストックの中でも空間を繋げられる宝具は今のところこれだけである。
